Issue 3.2 • 31 July 2020

Principal's Message

Kia ora and welcome as another busy Wakatipu High School week comes to a close. It has been a good week here with lots going on and school going well. Tuesday was Option Afternoon, and it was great to see so many parents attend and engage with their student's subject selection for 2021. This is a very important process - see below for more. On Wednesday morning we met as a whole school in Te Kirikiri (our internal quadrangle) for some words and the latest House competition points, including Matatu as well as Term 2's Excellence and Ākonga Passport points. The junior House basketball competition has been on this week and it has been a great event with plenty of good games and heaps of support from the sidelines - congrats to Duncan on their win today. The senior competition starts next week.

As has been extremely well-flagged, the commencement of Phase 2 has meant that student parking has now been reduced. Students driving cars to school need to ensure that they are reading their emails, and are parking correctly and if necessary taking advantage of a final very generous offer from Remarkables Park to allow them to park for \$2/day.

Junior Mid-Year Reports - came out on the Portal earlier this week and we strongly encourage parents/caregivers to read through these reports with their students and acknowledge great work and engagement and identify areas and attributes that need work. Please contact subject teachers, Kaiārahi and/or Deans if you have any questions or concerns.

Principal's Awards - are awarded to 'great all-round students' who have demonstrated outstanding effort and academic achievement, as well as participation in extracurricular activities. These follow mid-year reports and below are the lists of senior and junior Principal's Award recipients. My congratulations to all of them - well done!

Junior Mid-Year Prize Giving and Senior Excellence & Ad Alta Assemblies - are on Monday. There are large numbers of prizewinners, with parents having been informed earlier this week - we look forward to seeing many of you on Monday. Please do note that these ceremonies will start on time, and please do allow time for parking.

Junior Next Steps - are coming up again on Tuesday 18th August, see below for more.

Senior School Exams - run from Thursday 13 to Tuesday 18 August, ie now less than 2 weeks away. Seniors need to be looking towards preparing for these exams.

Junior Teacher Only Day - as always during senior exams, is on Friday 14th August.

WHS App - has an update, please see below for more.

It was interesting to note that a possible Covid case was connected to Queenstown this week - a reminder to us all, including that students should not come to school if they are unwell. Tonight our Kapa Haka group are holding a Wānanga here at school, we hope it is a great and useful night of learning. Today's newsletter is huge, with great sections from sports, arts and careers. Ruby Noton's Student Leader piece is a good read, and make sure that you put the new Musical dates (in Week 8) in your diary.

Unfortunately the weather for the weekend is pretty mixed. As the winter weather guru, the Grasshopper, says we remain 'stuck in this nauseating northerly flow', so the cloudy mild weather continues - good for sport and walking the dog but not great for snow and sliding (fingers crossed for that for later next week :) - have a great weekend.

Option Selection

On Tuesday 28 July, we had our Option afternoon to kick off the process of students selecting their Course Options for 2021. It was great to see so many parents and students making the most of the opportunity to hear about the process and talk to teachers, Deans, Careers and SLT about their options for 2021. If you were unable to attend the afternoon, here is a link to the powerpoint presentation. We appreciate that this is a complex, yet very important process, so if you would like to meet up with a member of the Senior Leadership team to discuss Option Selection for 2021, you can make a 20 minute appointment through www.schoolinterviews.co.nz using the code: 7bmjp.

A reminder that students must complete their option selection through the Portal by 4:00 pm on Friday 21 August.

In-school Readers' Cup Competition 2020

On Friday, 24th July, nine Year 9 teams met in the Library to compete for the opportunity to attend the Readers' Cup Regionals in Invercargill, August this year.

Readers' Cup is a National competition whereby students (in a group of four) read 5 texts and then are quizzed on the books. Last year we were lucky enough to go to the Nationals finally finishing 5th in the country.

This year, every Year 9 English class competed for the opportunity to go up against each class' top team. The winning class team was then put through to the final school round, judged by our wonderful librarian and supporter of Readers' Cup, Mrs Paula Bell. After a gruelling competition with very close leads, the winning team members (heading their way to Invercargill) are:

Ava MacIntyre, Milky Tam, Katherine Read and Abby Fookes (Reserve: Georgia Chinn)

Junior Next Steps

Once again our upcoming Junior Next Steps meetings will comprise a 20 minute meeting with students, parents and Kaiārahi. They are on Tuesday 18 August from 3:00 - 7.00pm. The discussion will centre around the students' goals, their learning engagement, progress and achievement, and course selection for 2020, including future pathways. These meetings will be held in the spaces the students have their Ako time. School will finish at 1.50pm but buses will only be running at the normal time of 3.30pm. Students need to make alternative arrangements if they plan to leave school at 1.50pm. Students are welcome to use the library and gymnasium while they wait for their scheduled meeting time or buses. Next Steps are really important for all Junior students and parents and we do expect all to attend. If you or your child are unable to attend on the day please email your child's Kaiārahi directly to arrange another time. Schedule an appointment with your Kaiārahi at www.schoolinterviews.co.nz, using the code zppkt.

Don't miss out! Last Market Day 2020

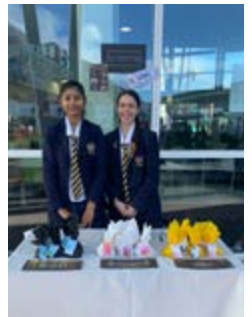

The Level 2 Business Studies classes will carry out their second sales cycle during Break 2, Wednesday 5th August in Te Kirikiri. The groups successfully completed their first sales last week. Students have been working in class reviewing and refining their business plans in order to improve aspects of their business and to maximise sales.

Some of the Level 3 Business groups will also join in on the market day so be sure to not to miss out on their innovative and sustainable products on offer.

Students - please be sure to bring some cash on the day. You won't want to miss out, this is your last chance!

Check out the student's advertisements included in the newsletter.

Head Student Address

Good Afternoon everyone,

We have flown through our second week of term 3! It has already become a very action pack week full of many internals for seniors and subject tests for juniors. Since term three is notorious for being a busy term make sure you stay on top of classwork and internals so you aren't stressed for when they are due. Some ways to manage this is to fill in the term planner that was sent out in Mr Nathan's email at the start of the term. This calendar will be very helpful and I urge you all to use it.

On Tuesday the school held our option afternoon where parents and students were welcome to have a look around possible subject choices for 2021. It is really important to choose subjects you are passionate and interested in as well as subjects that will help keep your options open for years to come. It's a good idea to reflect on what subjects you have enjoyed this year or the subjects you haven't enjoyed that much this year. I always looked forward to choosing what options to pick as well as finding it a bit stressful as I did not want to close any specific pathways. I encourage you to keep an open mind but also think towards your future.

House basketball kicked off at the start of the week. This is personally one of my favourite House competitions because of all the intense and exciting energy. All the junior teams have played at a very high level and it is good to see all the positive sportsmanship. A specific shout out to the Duncan junior team that has been unbeatable up until wednesday when they versed the arthur juniors, it's going to be a very exciting final. Make sure to work towards your Ākonga Passports and LEI reports because as we learnt from Wednesday's full school assembly the results from these could be the difference of a House losing its top placing in the House competition.

A quick heads up around formal. Formal this year will be held up Skyline on the 19th of September. The formal is for both year 12's and 13's like previous years, so it is looking to be an excellent night! I'd like to give credit to the formal committee for working hard in sorting out all decorations, photos and music to make it a good night. Look out for more information around ticket sales in the next couple of weeks.

I hope you all have an enjoyable weekend!

Environmental Lead Prefect

Arts Department

World Championship of Performing Arts

Congratulations to Elliott Allemand who has progressed through the first stage of the World Championship of Performing Arts competition to make it to the semi-finals. To put this in perspective, there were 2000 entries from around the world and Elliott is currently sitting in the top 60 for the Instrumental section and in 19th place for the Variety section. The finals will be announced on Saturday. Huge congratulations to Elliott for all the work that he has put into this.

Rockquest

Congratulations to Greta Balfour who is through to the next stage of the national Rockquest competition in the Solo/Duo section. The link to her regional performance is on the following link: https://www.youtube.com/watch?v=9sOWD5s_4FI

Jazz Ensemble trip

The jazz ensemble heads to Christchurch this weekend to take part in the secondary schools jazz event that features 22 groups from schools in the area. We also get to have a workshop with one of the judges and compete in the competition.

Central Soundwaves

The Central Soundwaves event for solo/duo and group acts is now being advertised in the Music area. It is an opportunity for students at all levels to gain some experience in an event happening on September 20 at Yonder in Qtn.

The Muso's Classroom

Any students keen to be involved in Music should be part of the 2020 Muso's Classroom. It gives details on events and initiatives happening both in and out of school. Students need to let Mrs Price know if they want to be added to this group.

Musical

The students have been shared an updated Musical rehearsal schedule which will continue to evolve over the next few weeks. Students need to be checking the classroom on a regular basis for any changes.

Swimming - Otago Secondary Schools

Wakatipu High School had a team of five swimmers attend the Otago Secondary Schools Competition in Dunedin over the weekend. The swimmers not only won both of the relays - mixed 200m free and mixed 200m medley, they also achieved lots of podiums. 26 individual medals and two relay Golds - a great effort from the team! A lot of times were achieved for the National Championships to be held in Hamilton in October. Congratulations to all five the swimmers.

Results are:

Daniela DiFazzio:

3rd 100m breaststroke and 400m freestyle

Isaak Frewen:

1st 100 backstroke, 100IM, 200 backstroke and 50 backstroke, 2nd 100 fly and 3rd 50 fly

Sara Jameson:

1st 100IM, 50 fly, 100 fly, 2nd 50 fly, 200 free, 200 backstroke and 100 free

Jacob Marriott:

1st 100 backstroke (Otago record), 100IM, 200 backstroke (Otago record) and 200 IM

Connor Paton:

1st 400 free, 2nd 50 free, 100 fly and 100 free
50m Freestyle relay of Isaak, Sara, Connor and Jacob broke the Otago schools record.

Central Otago Secondary School Sport

This Monday saw the beginning of both the Central Otago Junior Boys and Girls Basketball and Girls Football competitions. These are two new competitions established between Cromwell, Dunstan, Mt Aspiring and ourselves that are providing regular quality school aged games in the local region for our students and this is awesome to see. The girls basketball team had an exciting last minute win over Dunstan, while the Year 9 boys were schooled. The girls football team went down 3-2 to MAC in a game that could have gone either way. All support is welcome!

WHS Coaches Club

Former professional rugby player and coach, Ben Herring, spoke to a group of keen coaches on Wednesday night about 'The Art of Growing Leadership in Sport'. This presentation focused on the importance of growing great people as a coach and how leadership and culture are essential to this. Thank you very much to all who attended, Ben Herring and Sport Central.

House Basketball

The House Basketball competition is in full swing for 2020 and the student sports council and sports prefect Nieve Collin have done a great job on organising this competition. The junior final between Duncan and Mackenzie was played at Break 2 today. Congratulations to Duncan The senior house basketball competition begins on Tuesday.

MAC Exchange

Put the 19th August in your diaries folks, WHS head over the hill to play Mt Aspiring College in the annual exchange. Here is a copy of the draw: <https://drive.google.com/file/d/1XcctxLiKTb5tk8wurs7-m6Z84FsC26j/view?usp=sharing>

Rugby Cheese Roll Fundraiser

This year the WHS Rugby Club went old school and completed their first annual cheese roll fundraiser selling over 1540 dozen cheese rolls. We would like to sincerely thank the community for supporting this so well, the players and parents for their time and hard work on Sunday, WHS food technology staff for the use of the school kitchen and amazing fundraising parents Nicolle Marshall and Mandy Erskine for all of their efforts to pull this enormous project off. We are hopeful of making a solid profit that will cover the costs of the season.

University Open Days

Year 13 students who are committed and serious about a particular Tertiary Study in 2021 are invited to sign up for our school organized visits – we do all the travel and accommodation bookings for these (please do not do your own). Students are subsidized by 50% to attend two experiences. Those who attend more will be asked to pay the full cost for the extra one(s).

Planned visits include:

Otago Uni and Otago Poly	9 and 10th August
Canterbury University	27th August (Day Trip)
Victoria and Massey (Wellington) Uni's	20-21 August
Auckland Uni	28 (flight 4.15pm) & 29 August

This information is communicated to Year 13 students via e-mail and Year 13 Google Classroom. Permission Slips for these trips need to be completed and returned by the 21st July. This ensures we have enough time to confirm flights, busses and accommodation.

Scholarship OpportunitiesCosgroves Consultants Directors Scholarship

We have an exciting new Scholarship from Cosgroves Consultants:

The Cosgroves scholarship is established to provide financial assistance to students of Wakatipu High school (WHS) so that they might attend a University in New Zealand. The Scholarship is to the value \$2500.

"We are interested in encouraging any student from the Wakatipu into a technical area where we can assist you with gaining work experience in our Christchurch office as an intern over Summer. Our main office in Christchurch has over 40 staff and it is there that we have the best opportunity to mentor you for a summer internship, with potential for other opportunities after that. We envisage the scholarship would likely go to a student studying either of Civil, Electrical, Fire or Mechanical design engineering as those disciplines are aligned with our core services."

Interested students are to collect the application forms from the Careers Hub. (Closes 28th August)

Local Scholarships

Year 13's students are encouraged to apply for local scholarships. At the Careers Hub we have the applications for the following local scholarships:

- Meyer Cruden - Civil Engineering @ University of Canterbury \$3000(closes 31st July)
- Central Lakes Trust Scholarships \$2500 (closes 31st July)
 - Full Time Tertiary Scholarship
 - Full Time Vocational Scholarship
- Keystone Trust (closes 14th August)
 - For a professional Career in Property, Infrastructure or Construction. \$5000 for up to 3 years
- Margaret Templeton - Hardship Scholarship \$5000 over 3 years (closes 24th Sep)

A great place to start looking for Scholarships is: <https://www.moneyhub.co.nz/scholarships-nz.html> it provides a complete list of all scholarships available for our students for 2020.

UC Science Summer Camp 2020

The UC Science Summer Camp 2020 is as much a chance to experience life on campus as it is an opportunity to meet fellow Year 12s who are as interested in science from all over Aotearoa. Year 12 students come to stay on campus for 5 days and explore all the college has to offer.

Camp details:

Dates: 12 to 16 December 2020

Eligibility: Year 12 New Zealand school students

Applications open: 8 July

Applications close: 21 August

Successful applicants announced: 1 October

Costs: \$575

Māori, Pasifika and Support Scholarships available

Girls with high vis

Calling all females! We have an opportunity for you to gain hands-on experience and get a clear sense of what a career in the infrastructure industry can offer.

There is a great range of infrastructure companies hosting events this year, from civil construction and power generation to water treatment looking forward to providing students an insight into the varied roles and opportunities available.

HEB Construction – Queenstown – Wednesday 2 September

Register your interest at the Careers Hub so that you can attend a Girls with Hi-Vis® event.

Painting & Decorating Apprenticeship

M.R. Decorating is looking to offer work experience and potentially apprenticeships for those students who are interested in the painting and decorating industry.

"We would like to provide them with an opportunity to come join us and make a start. It is a way in which we can reach out to NZ residents and provide an opportunity to build a career in this trade. Our students (future generation) are an important factor in this."

The Xmas holiday period being a good time for this opportunity to begin.
