## PRINCIPAL'S MESSAGE

Kia ora, welcome to the Wakatipu High School newsletter at the end of the second week of term - which feels like it is flying by already. We hope everyone read the PAS Reports which were issued this week and went through them with their students.

See below for some important items.

**Parent Feedback** - as flagged, please click [here](#) for the parent feedback survey. We do these every 18 months or so and having just surveyed students and staff it is parents turn to give their feedback. As you will see, there are only a few broad questions. We really do value people's feedback, and thank you in anticipation of taking the time to provide it.

**Excellence and Ad Alta Assemblies** - begin next Friday, where we celebrate students who have gained over 50% of their NCEA credits at excellence level and achieved in the top 5% in their Learning Engagement (LE) Reports. This year assemblies will be in Houses, and held in the Theatre. Parents will receive an email if their student is receiving an award, which will indicate the date and time of their assembly. The assembly times and dates are:  
Arthur - Friday 18th May 9.00am  
Duncan - Friday 18th May 9.30am  
Fox - Monday 21st May 9.00am  
Hay - Monday 21st May 9.30am  
Mackenzie - Friday 25th May 9.00am  
We look forward to celebrating our students' success with you.

**Year 12 Health** - the 'Loves Me Not' programme for Year 12 students is being held next Tuesday 15th. This programme is about healthy relationships - which is such an important topic for our students, and as part of the health curriculum is compulsory for all Year 12 students.

**Netflix '13 Reasons Why' Season Two** - is going to be released on 18th May. Last year this series, which contained confronting themes, was widely watched and discussed by students. Please see below for info for parents about the upcoming second series.

**WHS Foundation Dinner** - the WHS Foundation is such an important supporter of the school and enables us to be able to deliver a great all-round education for our students. It supports a number of initiatives which support students and staff, both in the present and strategically. This includes things like our Awhi (financial support) Fund which supports many students and families with BYOD, uniform, camps and trips and extra and co-curricular activities.

The WHSF supports us to the tune of \$200,000 each year and to do this holds a number of fundraisers - and one of these is coming up soon. The Gala Dinner at Jack's Point is a wonderful event at a great location. Please see below for more information - get a group of friends together for a great night supporting the WHSF!

**Adverse Weather** - it will soon be the time of year when snow and ice affect our roads and the operation of the school. Keep an eye out next week for our Adverse Weather information, which will include possible scenarios and responses, and how we will communicate with you.

Pretty reasonable weekend weather is on its way, enjoy autumn in the Wakatipu :)

**Steve Hall  
Principal**

## 13 REASONS WHY

### Netflix '13 Reasons Why' Season Two - info and advice for parents

You may be aware of the public discussion generated by the [Netflix series '13 Reasons Why'](#) last year. This show was widely watched and talked about by teenagers last year.

Season Two will be released worldwide on Friday 18 May. In Season One, themes of suicide, sexual assault, consent, bullying and other issues made some viewers feel distressed and in need of support, and similar and equally confronting themes will be present in Season Two.

In the lead-up to the release, some young people may re-watch the first Season, or watch it for the first time. Young people may feel the show represents the issues they face. Banning, or recommending a ban on viewing it can be harmful as young people will still watch it but feel they have to hide that from adults. The issues raised in the series are significant, and offer a good opportunity to talk to our young people about these difficult life events - but it is important that those conversations are safe ones. To help parents with this, information is available on the resource hub of the [Mental Health Foundation website](#). Additional support material will be added to this hub prior to 18 May. The Office of Film and Literature Classification has also released [a guide for parents: Talking with young people about what they're watching](#).

If you are concerned about a young person, please seek help. The [Mental Health Foundation have a list of contacts](#), or phone your local DHB's Mental Health Crisis Team. Support is also available from a trained Counsellor anytime by calling or texting 1737. You are also welcome to meet with one of our school Counsellors - Vicki Patton [vpatton@wakatipu.school.nz](mailto:vpatton@wakatipu.school.nz) or Christopher Tweddell [ctweddell@wakatipu.school.nz](mailto:ctweddell@wakatipu.school.nz).

## SPORTS UPDATE

### Hockey - Southern Men's U18 Teams

Three Wakatipu High School boys have been selected to represent Southern Hockey this year. Chester Rosie has been selected into the U18 men's A team and will attend the National Regional tournament in Dunedin in July. Ben Wilkinson and Sam Caldwell-Evans have been selected into the U18 men's development team (B team) and will play at the National Association tournament in Auckland in July. Congratulations boys.

### Black Ferns Visit WHS

Last Friday WHS was privileged to have two Black Ferns visit from the victorious team that won last year's World Cup. Toka Natau (Prop) and Victoria Subritzky-Nafatali (1st 5) met our girls rugby players and talked about their World Cup experience before playing a game of quick rip on the field on a gorgeous afternoon. It was a very special occasion for the girls to hold the trophy and medal and speak to these world cup winners.

### Girls Football - NZSSG U15 Team

Congratulations to WHS's Nieve Collin who has been selected to represent the New Zealand U15 Secondary School Girls Football Team in Australia these coming holidays. Nieve was selected from last December's Federation tournament to attend a training camp in the April holidays where a team has been chosen to play for NZ against three Australian representative teams in July. A fantastic effort for a young lady who works hard and has demonstrated commitment to her sport. Nieve plays club football for the Rover's women's team and for the WHS Girls 1st XI.

## SKI PASSES

### **NZSKI**

NZSKI are offering Local School Passes this year for the same low price as last year. \$100 for primary aged children (5 years and under are just \$20) and \$165 for secondary school aged children.

Passes will be available from the Queenstown Snow Centre from 8 May and there is no deadline for purchase.

### **Treble Cone**

Along with their re-introduction of the Local Kids Passes (\$99 for primary school and \$149 for intermediate/secondary children) Treble Cone has some exciting news for local young skiers and snowboarders.

Two-time New Zealand Freeride Athlete of the Year Sam Lee joins Team TC as head freeride coach. His solid competition results around the world - including a podium in Alaska in 2017 - secured him a spot on the Freeride World Tour in 2018 and 2019. As well as coaching Team TC this winter he'll be coaching the NZ Freeride Team. Sam will coach alongside Louis Charnaud, who has instructed all over the world including New Zealand, Japan, USA and Switzerland. Louis also competes in Big Mountain skiing in the Freeride World Qualifier events. Meanwhile head ski race coach Michael Shenkel is no stranger to Treble Cone's slopes, embarking on an impressive 24<sup>th</sup> season at TC. Mike has had a long and successful career of ski race coaching in New Zealand and the States, with 72 seasons under his belt.

As an added bonus, all group lessons for skiers and snowboarders have been capped at five. Small group numbers mean they're almost like a private lesson, with more one-on-one instruction making it easier to ask questions and learn more quickly.

Local Kids Passes are on sale until May 31<sup>st</sup> and are available via this [link](#) or by emailing [info@treblecone.com](mailto:info@treblecone.com).

## HEAD STUDENT UPDATE

Hey, Hey, Hey!

Week 2 has quickly come to a close and it can seem to many like the holidays were just a distant dream. As school pressures increase their intensity, Term 2 can unfortunately become a time of stress and anxiety for many students. However, as Mr Hall pointed out, during this time it is important you all make sure you step back, relax and take a few moments to breathe before getting stuck back into that lengthy history essay.

A crucial element of well-being depends on how you interact with those around you. Smiling at someone in the street, giving a friend a hug or doing a random act of kindness to a stranger have all been proven to increase your happiness.

The SVA has a great opportunity coming up for students to join the Environmental Council and WCG to remove wilding conifers on Queenstown Hill tomorrow, 12 May. This is a public event so feel free to bring your family and friends from 9am at the start of the Queenstown Hill track on Belfast Terrace. Tools can be supplied, but feel free to bring your own.

The Whanaungatanga Council is running several events next week to celebrate Pink Shirt Day and to encourage random acts of kindness within our school. We are setting up pink 'Compliment Boxes' outside the Canteen and by Student Services where you will be able to write a nice, positive message that will be pinned up on a poster at the end of the week.

We will also be starting a Pay it Forward movement. The idea is that if someone does a random act of kindness to you, you 'pay it forward' to three other people who in turn 'pay it forward' to three other people. They don't have to be huge actions, maybe buy someone a cookie or help them pack up after class! In this way we can start a movement of kindness that can spread out of school and into the wider community. There is a great movie on this if you feel like a good feel-good film!

Finally, Pink Shirt Day is this coming Friday 19 May to raise money for the Mental Health Foundation. Students can accessorise their uniform with pink tights, ties, ribbons- be as creative as you can! The only rules are no facepaint, and you must still wear your blazer, a collared shirt (may be pink), shoes and pants/skirt. We have some awesome prizes from Fergburger, Pita Pit, Fear Factory, Skyline, Patagonia Chocolates and Shotover Jet so make sure you get involved!!

Have a great weekend and remember, together we can change the world, one good deed at a time.
