## PRINCIPAL'S MESSAGE

Kia ora - welcome to the Wakatipu High School newsletter as a busy Week 7 comes to an end. Before we even got to this week we had the WHS Foundation dinner at Jacks Point last Saturday night. This was a wonderful evening which raised \$36,000 for the Foundation! - my thanks to everyone who supported and made the evening possible. A very special part of the night was when Colliers announced that they were donating \$75,000 to the Foundation this year! - another incredible show of generosity from Colliers who have been amazing supporters of the Foundation, and my great thanks to the Colliers team once again. The level of support for the Foundation and the school is very humbling and we are incredibly grateful.

The James Hargest sports exchange was on Tuesday and was a great day of sport. Please see below for a report and the overall result. Yesterday was the Year 12 Drive to Survive programme - a powerful day on an important topic for our young people; the day went well, and we hope it was useful for students.

**Visitor Parking** - we are slowly working our way through getting the parking and signage sorted with the PPP. As most people have figured out, in front of the main entrance is all visitor parking which, apart from 3.30pm when it gets busy, works well for visitors and parents.

The area we are now continuing to try and get resolved is the area on the kerb behind the school - half of which was marked as bus bays in error :( We are continuing to try and get this resolved but please note that there are two bus bays at the front/far end of the first section of the left kerb which are for buses only.

**Assessment Calendars** - in the NZQA section below are links to the Assessment Calendars for senior students. While things do move around, we do try and keep these up to date and you should refer to them with your student to help them plan their busy lives and achieve to their potential.

**Open & Enrolment Evening** - for students entering WHS in 2019 is on next Tuesday 19th. Please note that school finishes, and buses run from 1.50pm, for all students that day.

A pretty good weekend of weather awaits - great day to head up to the Peak for the official opening day tomorrow or for the Local's Day on Sunday! (see below for flyer and info, including that it is supporting local schools :)

Rockquest is on tomorrow night in Wanaka and some of the bands had a last practise in the foyer in the breaks today - it was great, all the best!

## NZQA INFORMATION

### **NZQA Fees and Financial Assistance for NCEA Exams 2018**

Paying your fees will enable your results to be recorded on your Record of Achievement and to receive any certificates.

- Domestic Students pay \$76.70 for all standards
- International students pay \$383.30 for all standards.
- Scholarship exam fees are \$30 per subject but this will be charged later once students are attached to those standards.

If you are a domestic student you can apply for Financial Assistance, to see if you meet the conditions please click below for further information:

[www.nzqa.govt.nz/ncea/entry-into-ncea/fees-for-ncea/financial-assistance/](http://www.nzqa.govt.nz/ncea/entry-into-ncea/fees-for-ncea/financial-assistance/)

To get Financial Assistance you need to complete the Financial Assistance form and hand it in to the school office. You can get this form from Reception or the NZQA website.

**All fees are due by Thursday 30th August 2018.**

### **Authenticity for Assessments and Parent help (this includes paying external Tutors to check internals and older sibling help)**

Can I help my child with assessments?

Yes, you can help your child with assessments. Giving them encouragement, taking an interest in their work, and helping them find study material.

But you cannot actively be involved in the completion of assessment activities. For example, you should not edit or write answers. If you do, this could be seen as a "breach of authenticity", as the student's work won't be their own, and can lead to an investigation by the school.

The NCEA Guide App [www.nzqa.govt.nz/qualifications-standards/qualifications/ncea/understanding-ncea/mobile-app/](http://www.nzqa.govt.nz/qualifications-standards/qualifications/ncea/understanding-ncea/mobile-app/) is written for parents.

### **Assessment Calendars**

Supporting Seniors with a plan to balance their assessments and their extra-curricular activities is strongly encouraged.

## 6 ECB MARKET DAYS

Last week, on Thursday and Friday at Break 3, the Year 11 Economics students ran their annual Market Day as part of a business internal. There was a wide range of products: fries, wedges, cookie bowls, candyfloss, donuts, gingerbread men, bacon butties, sausage sizzles, sandwiches, rice balls, stuffed potatoes and badges.

A big thank you to everyone who came and bought something from one of the stalls, we hope you enjoyed it.

## FRENCH LANGUAGE DIPLOMA

### International French Language Diploma - DELF

The Diplôme d'études en langue française (DELF) is a recognised diploma of proficiency. It is based on the European Framework of (CEFR), which defines proficiency along global levels: A1 (Year 10), A2 (Year 11), B1 (Year 12/13) and B2 (Scholarship). At each level, proficiency is measured across four competencies: listening, speaking, reading, and writing. The French Ministry of National Education awards successful candidates a diploma that is valid for life.

This diploma offers many advantages:

- international recognition of French proficiency,
- represents an official document, recognized internationally, that enriches the candidate's school or professional portfolio,
- recognised internationally by francophone postsecondary institutions,
- helps to open doors to a wide range of career and recreational opportunities around the world.

Last year Wakatipu High School became a DELF assessment centre and students were able to sit this diploma at school. In 2018 100% of students who sat the DELF achieved it.

This meaningful opportunity is given to students learning French from Year 10 (5FRE3 and 4) to Year 13. This year the DELF exams will be held on Saturday 11 August.

Students who wish to sit the DELF need to make a copy and complete the [DELF Enrollment Form](#) and email it to Mr Charton before Tuesday 19 June with payment to Wakatipu High School.

For more information contact Mr Guillaume Charton.

CLIMBING NEWS

**Climbing News - Bouldering Competition**

On Saturday 9 June, 40 climbers participated in an indoor climbing competition at the school bouldering wall. This was the first of its kind bouldering event in the Wakatipu and climbers competed in a variety of increasingly harder climbs.

The rules were simple: having fun while climbing as far as possible using specific holds. Thanks to the Queenstown Climbing Club, there were a range of prizes for first and second places. The competition finished with an entertaining 'dyno contest' where climbers launched from one hand hold to another one on the overhanging part of the wall. Bravo to the students who came along and supported this gathering.

The WHS Climbing Team meets during the week at the school bouldering wall and after school on Fridays.

For more information contact Mr Guillaume Charton.

QUEENSTOWN TRAILS TRUST

Throughout the month of June it's the Friends of the Trust 2018 Annual Appeal – turning our community's love for our trails into donations so that we can continue to enhance and expand our wonderful network. From as little as \$20 for an individual or \$30 for a family, you can help us achieve our trail goals. As part of our ten year plan, we are really focussing on establishing safe routes for our younger residents to get to school by bike or by foot. These plans include a new route from Arthurs Point to Frankton via the Lower Shotover Gorge and a pedestrian bridge at Tucker Beach. If you donate before 22<sup>nd</sup> June, you will automatically go in the prize draw to win one of the fantastic prizes we have up for grabs. We'll be announcing them on our Queenstown Trail Facebook page as the days go by, so keep your eyes peeled!
