PRINCIPAL'S MESSAGE

Kia ora and welcome again to the Wakatipu High School newsletter on Pink Shirt day! It was great to see so many students and staff wearing pink and supporting this important day which fits so well with our school value of inclusion - kotahitanga. It was great to begin the Excellence and Ad Alta assemblies with Arthur and Duncan Houses today. These important assemblies acknowledge excellence in both achievement and engagement with learning for the first part of the year. It was great to have parents come and join us, thanks to those who came along. Just a few things from me today, including some important reminders.

Adverse Weather - with snow on the hills and in the forecasts we will soon have snow and ice affecting our roads and the operation of the school. Please see below for information which includes possible scenarios and responses, and how we will communicate with you.

LE Reports - will be available on the Portal this evening. As always, please do take the time to go through it over the weekend with your student, and celebrate and/or review expectations as appropriate. Families being engaged is a very important factor in students' learning, progress and achievement.

New School - with the cold weather arriving for real this week, the process of 'tuning' the building management system and temperatures inside the school continued as we knew it would need to. It did mean there were some cold spaces early in the week but these have nearly all been sorted over the last few days. Unfortunately our fine new ball fences have still not been erected so the temporary fencing is still in place - which is frustrating and a shame especially as the First XV play their first game at home on our field tomorrow.

Parent Feedback - as per last week, please [click here](#) for the parent feedback survey. A big thanks to the parents who have already done it. It closes on Monday so please do take a few minutes to complete it. We really do value people's feedback, and thank you in anticipation of taking the time to provide it.

Netflix '13 Reasons Why' Season Two - another reminder re this, which has been in the media this week in anticipation of its release. Please see below for info for parents about the upcoming second series.

WHS Foundation Dinner - another reminder re this important fundraiser for the WHS Foundation, which does such an incredible job of supporting WHS. Please see the flyer further down in the newsletter.

A very mixed autumn weekend ahead, fingers crossed the weather's not too bad for sport and outdoor activities - I'd recommend a good jacket and hat if you're on the sidelines!

Steve Hall
Principal

ADVERSE WEATHER

We are now approaching the time of year when adverse weather, including snow and ice, can affect roads and buses and the operation of the school. This year with a mixed bus model, both with school buses and public buses, there is an added level of coordination required and potentially different possibilities that we will communicate to our community. Below are the two main adverse weather scenarios and the methods of communication that we will use re adverse weather.

Adverse Weather Overnight and early Morning

We will liaise with QLDC's roading contractor and the bus coordinator and make a decision re any changes to the school day. If changes are made they are likely to be:

- a) School is open as normal, however some buses may be delayed or cancelled.
- b) School has a delayed start (usually 10am), with a compacted timetable. Buses may be delayed or cancelled.
- c) School is closed.

Please note that we liaise with all the schools in the Wakatipu Basin, and our decisions are generally coordinated (although sometimes conditions are different for schools).

Adverse Weather During the School Day

Please note that closing the school early is problematic for a number of reasons (notably trying to run all buses early), and we will try and run school until the normal end of day if at all possible. Accordingly we do not want parents coming to school to collect their children unless specifically notified to do so.

The likely scenarios for adverse weather events during the school day are:

- a) School runs until normal time, and buses run as normal.
- b) School runs until normal time, but some buses run early &/or runs are altered.
- c) School closes early, with buses also running early. In some cases bus routes may be altered.
- d) In an extreme adverse weather event students may be kept at school until travel is safe or even stay overnight.

Communication

We will use the following channels for communicating with parents and students about adverse weather impacts:

- WHS App alert - please download the free WHS App and sign up for alerts
- Text - NB please ensure the school office has your correct mobile number
- WHS Website - we put any adverse weather information on here
- Radio - announcements will also be made on local radio stations
- For more information on these communications options, please check our website News page (www.wakatipu.school.nz/news-and-communications)

Our primary concern is the safety of our students and this will always be paramount in our decision making. Please note that this also includes us being mindful of our student drivers and we ask that parents proactively monitor student vehicle use during winter, and ensure that vehicles are equipped for winter driving conditions.

James Rasmussen, Deputy Principal

13 REASONS WHY

Netflix '13 Reasons Why' Season Two - info and advice for parents

You may be aware of the public discussion generated by the [Netflix series '13 Reasons Why'](#) last year. This show was widely watched and talked about by teenagers last year.

Season Two will be released worldwide on Friday 18 May. In Season One, themes of suicide, sexual assault, consent, bullying and other issues made some viewers feel distressed and in need of support, and similar and equally confronting themes will be present in Season Two.

In the lead-up to the release, some young people may re-watch the first Season, or watch it for the first time. Young people may feel the show represents the issues they face. Banning, or recommending a ban on viewing it can be harmful as young people will still watch it but feel they have to hide that from adults. The issues raised in the series are significant, and offer a good opportunity to talk to our young people about these difficult life events - but it is important that those conversations are safe ones. To help parents with this, information is available on the resource hub of the [Mental Health Foundation website](#). Additional support material will be added to this hub prior to 18 May. The Office of Film and Literature Classification has also released [a guide for parents: Talking with young people about what they're watching](#).

If you are concerned about a young person, please seek help. The [Mental Health Foundation have a list of contacts](#), or phone your local DHB's Mental Health Crisis Team. Support is also available from a trained Counsellor anytime by calling or texting 1737. You are also welcome to meet with one of our school Counsellors - Vicki Patton vpatton@wakatipu.school.nz or Christopher Tweddell ctweddell@wakatipu.school.nz.

STOP, DROP, READ

STOP, DROP & READ - Year 9 Reading Competition

Congratulations to the winners of 'Stop, Drop and Read' for Week 2:

- Katie Westphall
- James Scoles
- Megan McCulloch
- Sophie Thompson
- Sade Kaihe

Parents - please support your child with their reading!

[OECD research shows](#) that **reading for pleasure is the single most important indicator of a child's future success.**

Studies also have found that exposure to fiction increases empathy, as well as having a positive correlation with social support. Reading for pleasure has health benefits including reducing stress: [Mindlab International's](#) research found that tension eased and heart rates slowed down in subjects who read silently for as little as six minutes.

The research also shows that reading for pleasure at school is strongly influenced by relationships between teachers and children, and children and families. Parents are influential in developing early reading for enjoyment, and if books are valued from a young age, this is likely to continue. We need to take a collective approach across school and community.

So come on, everyone - STOP, DROP & READ!!!

Lucy Ford

LANGUAGES UPDATE

Language Perfect World Championships

The 2018 Language Perfect World Championships begin next week from 6pm Monday 21 May! All languages students from Year 9 to Year 13 are invited to compete in this amazing event which will last 10 days! This is a world wide event focusing on learning languages via a fun online competition and involving all students learning a second (or even a third, fourth...) language. There are also many prizes to be won!

All you need is to log on to your Education Perfect Account and go to the World Championship part of it. Let's beat last year's result (Wakatipu High School finished 9th in Aotearoa New Zealand)!

Bonne chance! Kia kaha!!!

Guillaume Charton
HoLA Languages

BUSINESS STUDIES UPDATE

Dr Sam Hazeldine Inspires Budding Entrepreneurs

Last Friday the Business Studies students from Years 10 to 13 were fortunate to hear from Dr Sam Hazeldine. A recipient of the New Zealand Young Entrepreneur of the Year and founder of the internationally successful business MedRecruit, Sam shared his three foundations for business success. The students enjoyed his overall message of “purpose, passion, presence”. They will now be able to integrate the key points of his talk into their upcoming business activities.

Looking ahead:

- Year 11 students are working towards their market days that will be held on 7-8 June where they have produced a product.
- Year 12 are currently undertaking market research to support and community based group through their business activity.
- Year 13 are focusing on an innovative and sustainable product with consultation from a mentor.

The Business Team

Gemma Boel and Nicola Proffit

ARTS UPDATE

This last couple of weeks have been busy in the Performing Arts area with several visitors to the school. The Music department was fortunate to have Aaron Intermann who shared his experiences as a hip hop artist and worked with the students in creating music. Two days later we had Jed Parsons who came via the NZ Music Commission to share his thoughts on life as a musician in NZ. Jed's experience as a song writer and working musician was great to hear and very relevant for our students.

Alison Price

Jed Parsons

Over the past few weeks, senior students from the Drama Department have been developing their devising skills with the help of the fantastic RedLeap Theatre company. This involved taking the Year 12 and 13 classes down to watch a performance by RedLeap called *Dust Pilgrim*. A gripping coming of age story that incorporated the use of boxes, sandbags hung from the roof, water, and sand. With a superstar New Zealand cast including Amanda Billings (you may know her as Sarah on Shortland Street), the students came away buzzing with ideas.

Huge thanks to Jane Hughes and Tony Moore for helping out with the travel.

Also, this week seniors had workshops with RedLeap's creative director Julie Nolan. Students were introduced to exciting ways they could incorporate simple skills into a piece of theatre to give it more appeal and show themes and ideas powerfully to an audience. The groups looked at gesture, stylisation, miniaturisation and many other key skills to include in their own devised work. Students were really engaged in the workshops and everyone took something away from it.

A huge thank you to everyone that helped us get these students exposed to New Zealand devising at its finest.

Jake Hansen

SHOWING OFF ART EXHIBITION

Showing Off Art Exhibition - May 30 Lakes District Museum

The Wakatipu High School Arts Department will be exhibiting a collection of Painting, Design and Photographic work that has been selected from our highest achieving art students in 2017. The exhibition runs until 25 June at the Lakes District Museum, Arrowtown.

This year we have three local art industry experts to be our judges, each representing their own chosen field, Paul Green - Photographer, Che McPherson - Graphic Designer and Deidre Copeland - Painter, with the criteria being technical proficiency of the medium, conveying an original idea and the 'X' factor.

Awards are presented at the exhibition opening on Wednesday the 30th of May beginning at 6.30pm. The overall winner will be receiving a \$300 framing voucher from Aurum Gallery.

Drinks and nibbles will be served from 6.30pm. We hope to see you there!

Monica Parker
Arts Coordinator

SPORTS UPDATE

Mountain Biking - NZ Team

Congratulations to Nico Fernandez who has been named in the New Zealand Mountain Biking team for the World Champs in Switzerland in September. Nico is joined by former WHS students Sam Robbie and Hamish McLeod. Nico is set to compete in World Cups in Scotland, France, Italy, and Andorra as well as Crankworx in France and Austria in the lead up to the World Champs and will be away much of Term 3. This is a massive achievement for the Year 12 student, well done Nico.

Football - NZSS U15 Team

A big congratulations to Year 10 footballer Tobin Wilson who has just been named as a non-travelling reserve in the New Zealand U15 Boys Secondary Schools team. This is a significant achievement for a hardworking young man. Tobin will be attending training camps over the coming weeks with the squad.

Southland Secondary School Cross Country Champs

It was a cold, wet and miserable day in Te Anau on Wednesday for the annual Southland Cross Country Champs. WHS had 17 competitors brave the elements and give it their best shot. WHS did well to bring home medals and trophies to put back in the cabinet. Highlights included a new course record from Todd Vermeir and an incredibly close one, two finish from WHS in the U16 boys race.

A big thank you to Neville Britton and Ms Scott for coaching the squad and to the parents who came down to support. Next week some of the team head to Milton for the Otago/Southland cross country relays.

U14 Boys:

1st Todd Vermeir (set new course record 12:24m)
3rd Paulo Bjork
Second placed boys team

U16 Boys:

1st Benjamin Britton
2nd Aleks Chieftz
First placed boys team (with Tasuku Yoneto)

O16 Boys:

3rd Gareth Harcombe

Medal winners: Gareth Harcombe, Paulo Bjork, Benny Britton, Todd Vermeir, Aleks Chieftz.

Benny leading Aleks in the U16 Boys race

SPORTS UPDATE *continued...***Wakatipu High School Sports Academy**

This year WHS has relaunched the Sports Academy in our new gym and fitness studio facilities and it is awesome to be able to offer this opportunity to students on site. We have two groups of students training two mornings a week with our sports academy coach, Kelsie Campbell. These 23 students are in “Level 1” of the sports academy programme and are focusing on understanding and developing correct movement techniques for injury prevention. They all come together every second Friday morning for a theory session which helps to develop a holistic approach to their development as an athlete. Last Friday former WHS student and Olympic Alpine Skier Adam Barwood spoke to the academy.

We will be running a second intake for the year in Term 3 and spaces are still available for that semester. If you are interested in applying, please email lnathan@wakatipu.school.nz for an application form.

Sports Academy students circuit training in the gym.

Otago Secondary School Swim Champs

Good luck to the 12 competitors heading to Dunedin for this Sunday's annual Otago Secondary Schools Swim Champs.

Young Rider of the Year competition

Brooklyn Crow and Firefly came 2nd in NZ L2 Dressage under 16 yrs, 1st in South Island under 12yrs and 1st in Otago under 16yrs. Brooklyn's family are so proud of the effort that the rider and horse have put in leading to this huge success. It is not an easy feat to beat the stiff competition throughout the country but determination and practise came through. Brooklyn and family would like to say a big thanks to her Trainers Hamish and Tracy Disbrowe and to Jude Nickolls for their daily inputs. These were invaluable to her success. Also, a big thank you to her sponsors Exclusively Yours for making them look fabulous throughout the season! As well as Equine Sweet for having the best rewards for her ponies after their tests and rides.

This event is the Young Rider of the Year, open to all young riders around the country to post their scores from events. It means that Brooklyn and her family have been travelling around the South Island to competitions since August of 2017 to rack up points. This is a national title and as the Equestrian Teacher for WHS it is a very proud moment that one of our students has taken this title. Well done Brooklyn and her family for all the work you have put in to earn this title.

SPORTS UPDATE *continued...*

Weekly Results Wrap Up:

Basketball:

Senior A Boys beat Central Southland Colts A

Football:

Girls 1st XI lost to Menzies A 7-0

Ice Hockey:

WHS lost to Green 5-4

Netball:

Senior A lost to Senior B 30-19

Southern League

10A beat Menzies College 53-4

Senior B beat Fiordland College 38-21

Rugby - Saturday 12th May

U15 lost to SBHS Red

U16 beat Mt Aspiring 48-19

1st XV lost to SBHS Development 53-14

U15 Girls 7s beat Dunstan 22-17 and beat Mt Aspiring 20-10

Huge thank you to T and Jake and the very supportive parents

U18 Girls 7s lost to Dunstan and Mt Aspiring

This Saturday will be the first rugby and netball games at the new high school. This is an important occasion for WHS sport and we would like to invite all parents and students to come along and support the 1st XV Rugby and Senior A Netball teams. Please see details of game times in the draw below.

Basketball:

Both teams have a bye this Friday

Football - Tuesday 22nd May

Girls 1st XI vs James Hargest - Lumsden 4pm

Ice Hockey - Wednesday 23rd May

WHS vs Gold - Ice Rink 7:45pm

Rugby - Saturday 19th May

U15 vs Ohai/Nightcaps - Event Centre 1:15pm

U16 vs Kaikorai Valley - Kaikorai Valley 12:30pm

1st XV vs Te Anau/NSC - WHS 1:15pm

Netball - Saturday 19th May

Senior A vs Goals - Court 1 9am

Senior B vs Lonestar - Court 1 12pm

Senior A vs Mt Aspiring - WHS 2pm

Southern League

10A vs Verdon - Event Centre 5pm

Senior B vs SGHS - Winton 5:15pm

Laura Nathan

Sports Coordinator

NZ ALPINE SPORTS ACADEMY

The NZ Alpine Sports Academy (aka Ski Academy) was set up in the late 90s to support our ski racing students and has been highly successful in doing so over the years. Its primary purpose is to support the academic progress of our students around their sporting endeavours. The majority of the participants in the programme train and race with QAST but over recent years with the ongoing growth in freestyle ski and snowboard training we have expanded to assist athletes training at Cardrona and The Remarkables. There are entry criteria for applicants to be admitted to the programme.

For further information please contact Mr Hamish Robb via email: hrobb@wakatipu.school.nz

.....

SKI PASSES

NZSKI

NZSKI are offering Local School Passes this year for the same low price as last year. \$100 for primary aged children (5 years and under are just \$20) and \$165 for secondary school aged children.

Passes will be available from the Queenstown Snow Centre from 8 May and there is no deadline for purchase.

Treble Cone

Along with their re-introduction of the Local Kids Passes (\$99 for primary school and \$149 for intermediate/secondary children) Treble Cone has some exciting news for local young skiers and snowboarders.

Two-time New Zealand Freeride Athlete of the Year Sam Lee joins Team TC as head freeride coach. His solid competition results around the world - including a podium in Alaska in 2017 - secured him a spot on the Freeride World Tour in 2018 and 2019. As well as coaching Team TC this winter he'll be coaching the NZ Freeride Team. Sam will coach alongside Louis Charnaud, who has instructed all over the world including New Zealand, Japan, USA and Switzerland. Louis also competes in Big Mountain skiing in the Freeride World Qualifier events. Meanwhile head ski race coach Michael Shenkel is no stranger to Treble Cone's slopes, embarking on an impressive 24th season at TC. Mike has had a long and successful career of ski race coaching in New Zealand and the States, with 72 seasons under his belt.

As an added bonus, all group lessons for skiers and snowboarders have been capped at five. Small group numbers mean they're almost like a private lesson, with more one-on-one instruction making it easier to ask questions and learn more quickly.

Local Kids Passes are on sale until May 31st and are available via this [link](#) or by emailing info@treblecone.com.

TRADES THANKS

Thank you very much to Fairview for supporting trades with a window for our shed we are building.

Also any parents who have a small outboard or motorcycle engine for a go-kart to donate would be greatly appreciated.

Thanks so much

Glenn Brickell

Meet the Staff...

Bridget Janse

How long have you been at WHS?

Since the end of January this year.

What is your position?

Sitting down, standing up, walking around ...

Teacher of Health, PE and Outdoor Education.

What do you love about the job?

Having fun, meeting and working with lots of interesting people in a pretty spectacular location.

What do you like doing in your free time?

What free time? On some outdoor adventure somewhere.

What item could you not live without?

My reusable coffee cup filled with coffee.

What do you like about Queenstown?

It is central to many amazing outdoor places - right on the door step which many people do not truly appreciate.

Describe yourself in three words: What only three?

COMMUNITY NOTICES

Roxdale Foods is a 70 year old fruit processing business in Roxburgh, Central Otago, offering healthy lunch box options which are dried apple (3 flavours), dried cherry and dried blueberry (all local fruit). They have also set up a "School Program" where they donate 20% of the sales value to the school of your choice. Please go to their website for further information and to place your order www.roxdalefoods.co.nz/school-program.

The product pricing is the same as the retail price charged by the supermarkets where they are currently stocked (Raeward Fresh, Queenstown being one), so the parents are not paying a premium other than a small delivery charge.

Dan Gerard DRIVING INSTRUCTION

We now offer defensive driving courses

This course is an NZTA approved advanced driving skills course. It gives you the tools you need to drive defensively for life. The course also reduces your full licence wait time by 6 months.

For information on courses or for driving lessons please email: info@drivinginstruction.co.nz

or Phone Rach Gerard on 027 273 9610
