### PRINCIPAL'S MESSAGE

Kia ora and welcome to the Wakatipu High School newsletter at the end of a good week. Last weekend was certainly a good one for WHS with our students cleaning up at the regional Rockquest in Wanaka. Congratulations to the students involved, see below for results. Last Sunday was also the first of the Level 3 Drama performances of Romeo and Juliet. It was a significant undertaking for the students and there were some great performances.

Tuesday night was our Open and Enrolment Evening for incoming students to WHS next year. It was different this year with us being in the new school and accordingly we had a very big turnout with many students and families coming to look at the new school - and many were pretty blown away by the facilities and what we offer. Thanks to staff and all of our student ambassadors who did such a great job of hosting and representing WHS on this important night.

Related, yesterday we hosted a group of middle managers from a school in Christchurch that is on a journey to a new school similar to ours. While in the first term we politely declined the many requests for visits so that we could focus on settling in to the new school, this term we have hosted a couple of visits from school leaders and teachers - particularly from schools who are moving to an ILE school like ours. It is fascinating to see their reaction to our school and how it is going, especially if they have not visited other ILEs before. They are always amazed and comment on how calm and settled the school is, how engaged the students are, and the effective teaching and learning that is taking place. After all of our efforts to make the transition to the new school a successful one it is certainly affirming to hear such comments from other educators.

Again related, next term we are going to offer parents the opportunity to come in and see the school in action. While we are still finalising the format, with teaching and learning being the priority these will not be 'open days' but are most likely to be hosted small group tours. We will have confirmed this by the end of this term - watch this space if you are keen to come and have a look.

This afternoon we held our first 'Extra and Co-curricular Assembly'. The purpose of this assembly was to recognise the participation and achievement of our students in the huge range of Extra and Co-curricular activities at WHS, and to acknowledge the coaches, managers and supporters who make these opportunities and our great all-round education possible. It is always great to celebrate our students achievements and it was a real pleasure to do this this afternoon. My thanks to Mrs Nathan for organising this assembly.

Only two weeks to go now in the term - it is flying by. A heads up that our fantastic Matatu (House Haka-waiata) Assembly is on the last afternoon of term, Friday 6 July. The format will be a bit different this year with being in the new school, but it is always a very special event to attend, details to come. Winter Festival is underway - our Kapa Haka group performed at the opening last night and we have bands performing on the stage this afternoon and evening in the lead up to the fireworks. Weather-wise it is going to be a cracker of a night, and the weather is always good in Forsyth Barr stadium for the ABs to finish off the French tomorrow night. The weather should also be good tomorrow for sport or skiing, but then Sunday is the start of an unsettled spell which may bring snow :)

## DRAMA PERFORMANCE

### **Romeo and Juliet Year 13 Production**

The Year 13 Drama class presented 'Romeo and Juliet' on Sunday and Monday to fabulous audiences of family, friends, staff and students. Thank you very much to all who supported our production. It was a massive piece of work for our students and they all performed remarkably well.

Thank you to Marcus Barnett for the scaffolding. Thank you also to Helen Forsyth, Michelle Loggenburg, Jake Hansen, Alison Price, Emily McRae, Andrea Wilton-Connell, Maryanne Ahern and Steve Jacobs for their help in getting the 'show on the road'.

A huge thank you to the students for working together to present some exciting Shakespeare!

Thank you to June Ha for taking photos for us!

**Kate Moetaua**

## DRIVE TO SURVIVE

This year's Drive to Survive Actors were Leah McHugo, Nina Johnston and Izzy Jack. Congratulations to these three Year 13 actors who braved freezing conditions to help make the crash scene as realistic as possible for our Year 12 students.

## WHS CAFÉ UPDATE

We have a new Café Manager/Chef and we're very excited that Roberta has joined the team. She has some exciting ideas for new menu items that we will start introducing in Term 3. We will also be introducing some breakfast items in Term 3. Breakfast will be available for purchase from 8.00am.

Prices of some items will be increasing in the Cafe last week of the term as part of our on-going review of Café Operations. We need to make price adjustments to reflect changes in seasonal produce costs but also to reflect price adjustments from suppliers. We are committed to keeping prices as low as possible. From the last week of term items increasing in price are:

Wraps - \$6.00

Pies - regular (Mince, Mince & Cheese, Steak and Cheese) - \$4.50

Gourmet Pies (Butter Chicken, Angus, Pepper Steak) - \$5.00

## STOP, DROP, READ

### Year 9 Reading Competition

Congratulations to the Weekly Challenge winners from Week 6:

Iroha Shimizu  
Hannah Winter  
Tannin Heeley  
Ella John  
Gracie Seeto

Congratulations to the Weekly Challenge winners from Week 7:

Alicia Webster  
Hershey Avila  
Gracie Seeto  
Liam McCord  
Finn Hyndman

We live in an incredibly busy world. A very wise man (Dr. Seuss) once said, "You can find magic wherever you look. Sit back and relax, all you need is a book."

Reading for pleasure has health benefits including reducing stress. Mindlab International's research found that tension eased and heart rates slowed down in students who read silently for as little as six minutes. Find the time to put down that device and pick up that book!

## ODT SPELLING COMPETITION

Last Thursday, 12 Year 9 and 10 students travelled to Cromwell to compete in the annual ODT Extra! Spelling Competition. It was a closely fought battle between 16 teams from across Central Otago.

Our Year 10 team: Paulo Bjorck, Jack Pearson and Max Sinclair secured third place.

Congratulations to all Year 9 team members who also finished with highly respectable scores: Ollie Bailey, Tom Bailey, Cole Bramwell, Paige Cusiel, Sahara Hood, Sophie May, Jonty Vaivars, Micah Walther and Alicia Webster.

## 40 HOUR FAMINE

Last week, in support of the 40 Hour Famine, the team ran a week packed full of exciting and thought provoking events in the hopes of raising awareness and funds for the South Sudanese refugee crisis. The 'Adventure Race' was a great success, with participants immersing themselves in the shoes of those displaced due to conflict, drought and famine in South Sudan. We also had the privilege of Harley Hamilton from World Vision visit us to speak of social injustice in the world and how us youth can help. Make sure to keep an eye out on the Mountain Scene for the winning submission of the Freedom of Expression art competition. Over the weekend, the famine team also helped run a refugee crisis emulation at the Presbyterian Church.

We applaud all those who got involved in any of the events whether it was the simulation games, movie night, freedom of art competition, or the sausage sizzle and bake sale. It was truly great to see such enthusiasm and incredible effort that students brought to the week.

A huge thank you to our sponsors Countdown who donated the food for our sausage sizzle and Placemakers who supplied a lot of the equipment needed for our adventure race. We couldn't have pulled it off without their help. We are also very grateful to the Wakatipu Youth Trust Centre for letting us use their venue, it is much appreciated.

Congratulations to those who participated in the famine last weekend whether it was no food, furniture, technology or something a bit more out of the box. To make sure all your hard work counts, spread the news you successfully completed the 40 hours and collect donations from your sponsors. Please hand in your booklets as soon as possible, and a reminder the online fundraising pages are still open. From the sausage sizzle/bake sale and mufti day alone, we have raised over \$1350 so off to a great start.

Click the link below to donate and support children from South Sudan who have been displaced by conflict and famine.

<https://my.worldvision.org.nz/ss/2eAVnw/wakatipu-high-school>

\$10 can give five children school supplies to keep learning. \$120 can help feed a family for an entire month. Every dollar counts. With your support, we can help restart their future!

Together we stand united with the children of South Sudan.

## CAREERS UPDATE

### Year 13

We are approaching the time when students need to keep up with dates for applying for scholarships, course applications and accommodation. Last week we held a Year 13 meeting for Accommodation. Students can register and request the School Common Confidential Reference now. Many have done this – students should see us if they require help with this. They also need to complete information (form available at the Careers Hub) to support the writing of the School Reference and hand to the Careers Hub.

### Scholarships (for Tertiary Studies)

Central Lakes Trust (open to NZ citizens who have resided in the Central Otago area since the 1 January 2017) and Meyer Engineering (for students studying Engineering at Canterbury University) are open and application forms are available at the Careers Hub. Completed applications must be handed to the Careers hub by 3.30pm on Friday 6 July.

Information about scholarships specific to Universities will be on their websites from now on. Applications open from mid-June and dates vary from Uni to Uni. Most close 15 August. There are a range of different scholarships available – students need to check carefully and make sure they apply, as we are told that often money available goes unclaimed due to students not applying!

**Course Applications** – Polytech courses can be applied for from early July and it is wise to apply early as in many cases places are filled on first in basis. Restricted entry courses such as Teaching (primary and early childhood) degrees by mid August but sooner preferred, Music courses asap (to allow auditions to be scheduled), Massey Uni – Design/Fine Arts open 1 July – apply early ie asap as places fill. For most Uni study programmes excluding limited entry courses) new first year students must enrol by 10 Dec (8 Dec for Auckland Uni). If unsure please check with us at the Careers Hub.

## G & T UPDATE

### Competitions

ICAS is well underway, Science, Digital Technology and Writing are all completed. Next up on 31 July is English, followed by Mathematics on 14 August.

If you haven't entered in these, and are looking for another opportunity to test your skills, have a look on the Curious Minds classroom. There are many opportunities coming up all the time. The Great Kiwi competitions, which are run by Canterbury University, have entries closing soon. The Australian Maths Competition entries will be open soon.

### Curious Minds

This google web-based classroom is running well. If you are not signed up the code to join is **fvvhtiz**. This is a great place to find out about all sorts of opportunities. Maybe sit down with your student and scroll through to encourage them to get involved.

### Field Trip

The field trip to Canterbury University is scheduled for 2 to 4 September. We are currently talking with students to determine the most appropriate areas of the University to visit to best spark their interest. Generally the brief we give the University is to show students things they would not even know exist. This was a great trip last year, and something to mark on the calendar. More details to come in a few weeks.

## SPORTS UPDATE

### NZSS Cross Country Champs

Benjamin Britton was WHS's sole representative at this year's NZSS Cross Country Champs in Taupo over the weekend. Benny finished a very respectable 70th out of 203 competitors in the senior boys race. Well done Benny! Also a shout out to former WHS student, Reuban Thompson who finished 8th in the same race, awesome effort!

## 7BUS – IT'S BUSINESS TIME!

The Level 2 Business Studies classes are about to embark on their first sale cycle during the last week of Term 2. Students have been busy undertaking market research for their products, investigating suppliers, writing their business plans and planning for their sales. This activity requires students to carry out their business within a community context. The business groups have identified a community based charity and are supporting the charity by donating to them.

Products and services on offer included:

- Cupcakes
- Jam
- Car wash
- American candy
- Sausage sizzles
- Homemade candles
- Chalk boards
- Candy floss
- Socks
- Sherbet
- Phone protectors
- Stress balls
- Bean bags
- Stickers

Defensive Driving Course

CONFIDENCE | KNOWLEDGE | SAFETY

### Drive Safe and Drive Well WITH CONFIDENCE AND KNOWLEDGE

- > The New Zealand Defensive Driving Course takes just nine hours and instills a lifetime of safer driving strategies for any young driver.
- > This intensive interactive course includes both classroom theory and practical 'in-car' tuition.
- > You'll receive a full colour workbook, an interactive Practice CD-ROM to support each session and view relevant videos.
- > The course is run over four sessions of two hours duration - with homework for presentation at the next session - and a one hour practical in-car session.
- > If under 25 years of age whether you're on your learner or restricted licence, you can reduce the time it takes to get your full licence by six months when you complete an NZTA approved AA Defensive Driving Course.

*Successful completion of the theory and practical components goes part way to completing Unit Standards 3464 and 3465. It also takes six months off the time required on a Restricted Licence.*

### Holden Street Smart

Holden Street Smart is a programme that equips young Kiwis with the tools needed to safely drive on our roads, well prepared and confident. Holden Street Smart is a world-class, cognitive based driver programme that aims to positively influence the lives of young kiwis across the country. The Programme has been developed with the involvement of world-renowned road safety expert, Peter Sheppard. In addition, passionate road safety advocate, Greg Murphy, is our Programme Ambassador.

Offering a practical hands-on learning experience, Holden Street Smart is a programme that aims to add to, and compliment, the great work already undertaken by NZTA, NZ Police and others in the area of road safety and driving training.

Holden Street Smart is a one-day event providing young drivers and their parents/caregivers the opportunity to undertake supervised driving practice. There is a focus on developing good decision-making strategies for safe driving, including assessing themselves, reading the road environment, resisting peer pressure, managing or eliminating distractions and planning ahead.

The Programme takes place in safe, controlled, off-the-road environments, under the watchful eye of qualified coaches plus the parent/caregiver. This provides the parent the opportunity to also assess themselves, in order to be a better coach and mentor to their teen.

Holden Street Smart will be delivering its programme throughout these July School Holidays at the following venues:

**Mike Pero Motorsport Park – Christchurch - Mon 16 and Tues 17 July**

**Highlands Motorsport Park – Cromwell - Thu 19 and Fri 20 July**
