PRINCIPAL'S MESSAGE

Kia ora, welcome to the Wakatipu High School newsletter. The final Excellence and Ad Alta House assembly for Term 1 was Mackenzie this morning. It was great to be celebrating our students effort and success, and once again it was great to have parents with us - thanks to all who made it along.

It was a big day for Mackenzie as today they were the overall winners of the House Debating competition for 2018. This is always a great competition - well done to everyone who participated.

Senior parents in particular will know that every year, as part of our systems to support student achievement, we predict each student's level of NCEA achievement. This prediction is based on their achievement to date during the year, and is done several times during Terms 2, 3 and 4. The interesting thing about this process is that not only does it let each individual senior student know if they are on track to achieve their academic goals or not, but it can also be used in total as a picture of how we are tracking as a school in terms of achievement. I am very pleased to report that our first prediction has just been completed and shows that as a school we are on track to achieve the levels of achievement that we are aiming for. Clearly with the move to the new school and the change that has entailed for everyone this is very positive news, and reflects the efforts of many - both this year and in the preparations for our move. Do note that the first prediction is early in the year (but is also often uncannily accurate) and, as every year, there is much hard work to do yet by both students and staff, but we are tracking well :)

Formal - the big day is nearly here - dresses, suits, hairdos, makeup and spray tans ...!

We know what a special and important occasion the Formal is for students and families, as it is for us, and we want it to be a wonderful night. On Wednesday morning I spoke to the students about rules and expectations. Parents - please ensure you

have read the email we sent out following that on Wednesday and support your child to make good choices to have an enjoyable and safe night.

Buses - you may recall that in the move to the 'mixed model' of bus transport provision last year, the Ministry of Education agreed to run more school bus routes than they were obliged to - on the understanding that they would review it during the year. I am very pleased to report that they have informed us that there will be no changes before 2019 (but do note that this does still mean there could be changes then). We will keep you posted.

WHS Foundation Dinner - another reminder re this important fundraiser for the WHS Foundation, which does such an incredible job of supporting WHS. Please see the flyer further down in the newsletter.

Teacher Only Day - is next Friday 1st June.

Paid Union Meeting - Wednesday 6th June, in the afternoon. We will email more information before the end of next week.

There will be no newsletter next Friday with it being Teacher Only Day.

After the cold & wintry weather of this week the weekend looks a little better, notably including Saturday morning, but is still going to be cold - at least the ski fields are looking good :)

Principal

LUMA 2017 attracted more then 35,000 and exhibited 38 installations and has become one of Queenstown's most exciting events of the year. This year over 45,000 people are expected to attend the event.

One of Wakatipu High Schools talented Media studies students, Kai Komeme, produced the audio for the primary school exhibition this year. Hope everyone finds time to pop down and see the Year 9's work in the UV forest.

ODT EXTRA! MAGAZINE

Our recent school production "Little Shop of Horrors" appeared on this month's front cover of the ODT Extra! magazine. The magazine's theme for May was 'Famous New Zealanders' and the Extra! editor Tricia Rowe asked for a picture of our talented students to be on the front. She also asked Hannah Coombe to write a review of the play for the back page. Well done to Hannah and all those involved in this year's musical. Future Famous New Zealanders? Why not!

NZ ALPINE SPORTS ACADEMY

The NZ Alpine Sports Academy (aka Ski Academy) was set up in the late 90s to support our ski racing students and has been highly successful in doing so over the years. Its primary purpose is to support the academic progress of our students around their sporting endeavours. The majority of the participants in the programme train and race with QAST but over recent years with the ongoing growth in freestyle ski and snowboard training we have expanded to assist athletes training at Cardrona and The Remarkables. There are entry criteria for applicants to be admitted to the programme.

SKI PASSES

NZSKI

NZSKI are offering Local School Passes this year for the same low price as last year. \$100 for primary aged children (5 years and under are just \$20) and \$165 for secondary school aged children.

Passes will be available from the Queenstown Snow Centre from 8 May and there is no deadline for purchase.

Treble Cone

Along with their re-introduction of the Local Kids Passes (\$99 for primary school and \$149 for intermediate/secondary children) Treble Cone has some exciting news for local young skiers and snowboarders.

Two-time New Zealand Freeride Athlete of the Year Sam Lee joins Team TC as head freeride coach. His solid competition results around the world - including a podium in Alaska in 2017 - secured him a spot on the Freeride World Tour in 2018 and 2019. As well as coaching Team TC this winter he'll be coaching the NZ Freeride Team. Sam will coach alongside Louis Charnaud, who has instructed all over the world including New Zealand, Japan, USA and Switzerland. Louis also competes in Big Mountain skiing in the Freeride World Qualifier events. Meanwhile head ski race coach Michael Shenkel is no stranger to Treble Cone's slopes, embarking on an impressive 24th season at TC. Mike has had a long and successful career of ski race coaching in New Zealand and the States, with 72 seasons under his belt.

As an added bonus, all group lessons for skiers and snowboarders have been capped at five. Small group numbers mean they're almost like a private lesson, with more one-on-one instruction making it easier to ask questions and learn more quickly.

Local Kids Passes are on sale until May 31st and are available via this [link](#) or by emailing info@treblecone.com.
