PRINCIPAL'S MESSAGE

Kia ora and welcome to the Wakatipu High School newsletter at the start of Term 2.

Term 2 is a very busy term for WHS, including for extra and co-curricular activities such as the Formal, 40 Hour Famine, James Hargest sports exchange, House debating and Matatu (Haka-waiata) competitions, senior subject and University trips amongst many other things ... and it is also a very important term for teaching and learning!

In general the term has started well but a blemish was a fight on Wednesday, which some of you may be aware of. Fortunately this kind of thing is very uncommon at WHS, and we have been consistent in not tolerating violence and ensuring WHS is a safe environment.

Internet Safety - is an important issue for schools in a challenging environment of rapidly changing technology and increasing accessibility to data, and as a school we are endeavoring to be proactive in this area. In addition please see our Community Notices section for a parent event which is being run by Netsafe on Wednesday.

Rugby and Soccer fences - as you may remember, with the rugby posts and soccer goals beside Hawthorne Drive, the PPP needs to erect fences for safety (and because it is a resource consent condition). These fences were supposed to have been up by now but part of the delay has been that the fences which the PPP proposed were effective but not attractive and we have been exploring other options.

Firstly the fields do need to run north-south, they do not fit east-west. We then researched if there was something which could be raised and lowered, however this has not yielded an effective solution (even though we were prepared to consider contributing to funding this). So this means that we will have the PPPs proposal, ie two fences - 6m high x 25m wide, which will be effective but unattractive. These fences are due to be up by the end of the month, and while the goals and posts are closed, we are looking to erect temporary fencing until then.

Term One Progress and Achievement Summary (PAS) Reports - the Term One PAS reports are currently being completed and these will be available mid-next week. The PAS Reports will be available on the Portal but you will receive an email which contains explanations re the various elements of it when they are available. If you do have any questions regarding the Report please contact your student's Kaiarahi, Dean or subject teachers as appropriate.

Uniform - again, with the uniform changes this year, eg girls being able to wear the skirt or blue kilt year-round, there are less seasonal changes to the uniform than there used to be - but please see below.

Parent Feedback - another reminder that we have recently surveyed staff and students and will send out a survey to parents for feedback next week.

As above, this term is important for teaching and learning. This is particularly so for seniors, and it is very important that they are focussed on their learning and achievement this term. Part of supporting seniors includes ensuring they have a plan for their assessments and extra and co-curricular activities.

Part of the challenge of this term is the effect of heading in to winter, and this weekend is a typical mixed May one with a bit of everything - mornings look best for outdoors :)

UNIFORM REMINDER

A reminder to students and parents about wearing the uniform correctly over the winter months.

For girls (and NB, unless stated otherwise, these rules apply year-round):

- The blue skirt or blue kilt may be worn.
- The blue kilt must be worn with navy tights or navy knee high socks (not ankle socks).
- The blue skirt must be worn with the navy ankle socks (not tights or knee high socks).
- In Terms 2 & 3 only, Y12 & 13 girls only may wear the old green kilt, with navy tights or knee high socks.
- Girls may also wear school shorts or trousers. NB trousers must be worn without any modification (including cuffing or cropping) other than hemming them so that they sit just above the sole of the school shoes. Only ankle socks may be worn with shorts.

For boys there are no changes to the uniform, although a reminder that they must wear a plain black belt with their shorts or trousers.

General uniform reminders:

- All students must wear the school tie, except Y13 students who wear the 2018 Y13 tie.
- The blazer is the compulsory uniform item, and the jersey or vest may be worn as a secondary item (hoodies are not permitted at any time other than during PE lessons).
- Plain black Puffer jackets may be worn in June, July and August only.
- Shoes have a separate set of requirements which are outlined on the school uniform page of our school website (link below).

For a detailed breakdown of all aspects of the school uniform, please refer to our [website](#).

As always, thank you for your continued support of our efforts to keep all students looking neat and tidy as they represent our school out in the community.

Justine Duncan, Assistant Principal

STOP, DROP, READ

STOP, DROP & READ is a Year 9 reading competition taking place this term at Wakatipu High School as a part of the English curriculum.

The competition kicked off on Monday with a Year 9 Assembly where students were introduced to the competition, followed by a day of workshops in the school library with Bob Docherty from Bob's Books. Year 9 students are encouraged to get involved by submitting weekly challenges, completing a reading log and of course reading a variety of different texts.

We have some incredible prizes up for grabs thanks to the generous support from our local community.

Thank you to the Academic Council for their part in making this year's competition set to be the best yet and a special thank you to Angela Santos for designing the poster you see below.

So let the games begin, Year 9 students - STOP, DROP & READ!

A huge thank you to our sponsors:

CAFÉ MANAGER POSITION

Unfortunately our wonderful Café Manager Max is leaving us so we are looking for an energetic and reliable person to manage our school Café.

The role requires someone who has experience in all aspects of food preparation including baking and catering. In addition to food preparation the successful applicant will take responsibility for all aspects of the running of the Café from deciding the menu and ordering stock, through maintaining a clean kitchen, food safety management, managing point of sale systems and cashing up.

Applicants would ideally have some hospitality experience including having held responsibility for food costings, be able to direct other staff and have a friendly approach to be capable of dealing with more than 1000 students and staff each day.

If you are interested, please email our Executive Officer, Andrea Wilton-Connell (awiltonc@wakatipu.school.nz) for a full position description. Please note this role is Term time only.

SOUTHERN PUBLIC MEDIA TRUST

New media platform launched for local voice

On behalf of Media Studies students, Olivia Waters and Maddie Jones attended the launch of a new local media initiative on Thursday 3 May. They heard from the Minister for Broadcasting, Clare Curran, Mayor Jim Boulton, foundation Trustee Dick Hubbard and Managing Editor Peter Newport.

They also saw the launch of the Trust's website, Crux: crux.org.nz

While the '[Schools' section](#) is blank for now, Media Studies students are hoping to change that. Student writers will be supported by the Trust to write thoughtful, investigative commentary on issues that matter to them and the region.

"The Southern Community Media Trust addresses the withdrawal of mainstream media from Queenstown Lakes District – and staff reductions at local newspapers – while developing a new business model for journalism."

ARTS UPDATE

2017 Scholarship Design Panel

- Lily Yochay

Lily Yochay has been an outstanding painting student since she began doing art in year 9. As a Senior Painting student she gained consistent excellence in both Internals and the External folio component in years 11, 12 and 13 painting. In her final year Lily took up Design and gained scholarship. The theme for her brief was 'God save the Bees' where she created a series of promotional material for a campaign to bring public awareness to the diminishing population of bees, and to point out how essential their presence is to the environment.

Swimming - National Age Group Long Course Champs

WHS had three swimmers qualify for the National Age Group Long Course Champs this year which were held at the National Aquatic Centre on Auckland's North Shore. This was a tough week of competitive swimming in Auckland among 740 swimmers nationally as well as swimmers from Australia and New Caledonia. The WHS swimmers all did very well and achieved personal best times.

WHS Rugby

The 1st XV and U16 sides finished their preseason campaign on Saturday with matches against Dunstan High School in Alex on a cold, wet day. The 1st XV went down 28-3 to Dunstan and the U16's won 38-22.

This week the competitive club season begins. The U15's and 1st XV have a bye and will be participating in a training camp at WHS from 9am-12pm.

Draw:

U16 vs Kaikorai Valley - Kurow - 1pm

Girls Rugby

The Central Otago Secondary School Girls Rugby competition kicked off on Wednesday night with round one of three 7 aside tournaments. Each of the four Central Otago schools have entered an U15 and U18 team.

The U15 girls had two very close games with a 17-10 loss to Dunstan and a 17-15 win against Wanaka.

The U18 team lost Mt Aspiring one try and Dunstan by two tries.

Next week the tournament will be at the Event Centre and the draw is below:

5:20pm: Wakatipu vs Cromwell - U15

5:40pm: Mt Aspiring vs Wakatipu - U18

6:40pm: Mt Aspiring vs Wakatipu - U15

SPORTS UPDATE *continued...***Upcoming Matches and Competitions:**

This year we have a number of teams taking up the opportunity to play in regular and meaningful competitions against Southland Secondary Schools.

1st XI Boys Football

The first of four qualifying matches for the National Premier 1st XI Football Tournament will be played against Timaru Boys High School at 10am on the oval at the Event Centre on Tuesday 8th May. All support is welcome.

1st XI Girls Football

This year WHS has entered a girls football team into Division 1 of the Southland Secondary Schools College League. Their matches will be played in Lumsden at 4pm every Tuesday. This is an exciting development in gaining regular competitive matches for the team.

Senior B and Year 10 Netball

The Senior B and 10A netball sides begin their Southern League campaigns this coming Wednesday with the 10A side at home at the Event Centre against Central Southland College at 5pm. The Senior B team are travelling to Invercargill to take on Verdon College at 5pm. The teams play home and away matches against other Southland Secondary Schools across Term 2.

Basketball

The Junior and Senior A Boys Basketball teams begin their Southland Secondary Schools competition tonight when they both travel down to Invercargill to play their first matches of the season. The junior boys are taking on SBHS Blurple and the seniors will have a tough first up match against James Hargest College 1st V.

HEAD STUDENT UPDATE

Good afternoon all!

Welcome back! Hopefully everyone has enjoyed a relaxing two weeks off, and the first week back has gone smoothly. I can imagine it's a relief to be back after spending so long separated from school and classes...

Safe to say, Term 1 flew by, for Seniors, we're essentially one third of a way through the year already, and Juniors have just three terms left. I imagine that time passing is going to remain a common theme for the 2018, with so many action packed events, internals, and assessments being rolled out. In fact, on the very first day of school *Stop, Drop and Read*, a reading programme for year nines, was launched. With Bob Docherty, a national book and reading authority, talking to Year 9 English classes, it was a great day back.

One of these events is the Fast Five house competition (or Fast Four, depending on who you ask), which was planned for Week 2 of this term. Unfortunately, due to clashes and an extremely hectic timetable, this has been postponed to next term. So get that extra practice in at hockey, and stay tuned.

The first of many university trips has also just returned from Canterbury University. This was a very successful overnight trip, with Year 13 students being able to get course information, a feel for the campus, and just form an opinion on the university in general. The unsung heroes of this escapade are Tanya Glanfield and Bronwyn Gardiner. A massive thank you to them for all the hard hours spent planning and preparing for the trip. We seniors do not realise how lucky we are to have the opportunity to visit practically every major tertiary institution in the country. Most schools around New Zealand simply offer trips to the local uni, and say good luck if you want to visit anywhere else. So a massive, massive thank you is in order to these stars, especially considering there are at least three more to go this year, one of which we depart on this weekend, to Otago University.

Here's an update from Deputy Head Boy Chester Rosie, on the Student Volunteer Army, SVA. Since the founding of our school's student volunteer army last term, over 100 volunteer hours have been logged by students with over half of these being through SVA organised opportunities. This term we plan to expand our operation and get even more students involved.

We have a great opportunity coming up for students to join the Environmental Council and WCG to remove wilding conifers on Queenstown Hill on 12 May. This is a public event so feel free to bring your family and friends from 9am at the start of the Queenstown Hill track on Belfast Terrace. For more information or to let us know of any ideas you have, email 14crosie@wakatipu.school.nz

Term 2 has always been an incredibly busy part of the year, what with assessments, extra- and co-curricular activities, and school competitions. I hope that you all make the most of the opportunities given to you, as they might not come again.

I wish you all the best for the coming weeks, so welcome back, and have a stunner of a weekend!

Meet the Staff...

Yvonne Kemp

How long have you been at WHS?

This is my first year at WHS, previously at Dunstan High School in Alexandra.

What is your position?

I am teaching Technology Hard Materials and Electronics.

What do you love about the job?

Everything. I count myself lucky to be here and to help students to achieve well. I've met some wonderful people here who are just as passionate about teaching as I am.

What do you like doing in your free time?

Free time? With three kids I hardly get any free time but when I do I like to be in the outdoors.

What item could you not live without?

My mobile phone! I am a tech freak, keeping up with technology is important and therefore my phone has been set up for different purposes. Also, my pillow.

What do you like about Queenstown?

Everything! The people, the scenery, and everything this amazing town has to offer.

Describe yourself in 3 words: Loyal, Passionate and humble.

Vision/Hearing Technicians –Te Punaka Oraka: Vision Hearing Service
Public Health Office, Frankton
• Permanent 0.6 FTE (24 hours per week)

This is a great opportunity for someone wanting to get into the health industry. This position provides and supports training towards NZQA certification as a Vision and Hearing Technician, National Certificate, Community Support Services level 3. You must either already have or be prepared to work towards certification which must be completed within 12 months of commencing. You must have good organisational, communication, and exceptional time management and computer skills. A proven experience working with children is an advantage.

In this role you will be responsible for ensuring that you facilitate appropriate and high quality Vision Hearing Screening services for children within our district.

The focus of the programme is within our early childhood settings / primary schools 4+ year screening in line with the before school check screening program and includes Audiometry, Tympanometry and Distance vision. You will also undertake Year 7 check usually at 11 years of age, including Distance Vision

It is imperative that you have a child friendly rapport and like working with children and their parents/whanau, in early childhood and schools settings. Furthermore, have a mature outlook to your work embracing this autonomous role, with ability to work as an effective team member and provide support and cover as required. In addition, ensuring you have a steady focus on reaching service targets and undertaking robust and timely testing and working in partnership with Public Health Nurses, administration teams and other population health services.

You'll need to have, be able to work autonomously and follow up associated administration, including referrals in a timely fashion.
