### PRINCIPAL'S MESSAGE

Kia ora and welcome to the penultimate week of Term 2 at Wakatipu High School. Another busy week with senior music nights and a great game of football between our 1st XI and Kavanagh College on our front field - which we won 5-0, as well as training for our upcoming Matatu Assembly and plenty of teaching and learning :)

#### Reports

- **LE Reports** - will be available on the WHS Portal this evening. Do please take the time to check in with the report and your student as to how they are engaging with their learning. As we approach mid-year things definitely need to be on track or action needs to be taken.
- **Reporting** - please see below for a piece from Mrs Panapa re upcoming Mid-Year reports.

**Matatu Assembly** - our annual House Haka-Waiata competition, is a very special event and parents are welcome to attend, 1.30pm next Friday in the Theatre. The format will be a bit different this year but it is always fantastic. Seats are limited so please RSVP to Mr Rasmussen by Wednesday next week

[jrasmussen@wakatipu.school.nz](mailto:jrasmussen@wakatipu.school.nz)

**Facebook** - our WHS Facebook page is a great place to see some of the things that go on at WHS and the breadth of our all-round education, please click here:

[www.facebook.com/WakatipuHighSchoolNewSchoolProject/](https://www.facebook.com/WakatipuHighSchoolNewSchoolProject/)

There is also our new WHS Sports Facebook page for all things sporty - click here to check it out:

[www.facebook.com/WakatipuHighSchoolSports/](https://www.facebook.com/WakatipuHighSchoolSports/)

**Next Term** - has some important events in the first few weeks. While they are still some time away, and more details will be available next term, I've listed them below so you can put them in your calendars as appropriate:

- **Course Option Afternoon** - an important process which takes place early next term is students choosing their courses and subjects for 2019, and part of this is our annual Course Option Afternoon on Tuesday 31 July. More details next term but parents are invited and able to attend.
- **Junior Mid-Year Prizegiving** - will be held in the theatre on Tuesday 7 August at 10.45am. This important ceremony will recognise achievement in the first semester courses. Prizewinners will be notified in the week prior.
- **Excellence and Ad Alta Assemblies** - to recognise achievement and effort in Term 2 will be held in Week 2 next term, again in a House format. More details next term.

Only one week to go in the term. Final weeks are always busy, especially for seniors with assessments frequently due in - please support them to do their very best and to stay focussed on their learning until the very end of the term.

This settled winter weather is going to continue through most of the weekend, great for outside activities including sport and skiing - enjoy :)

**Steve Hall**  
**Principal**

## REPORTING

Information regarding students engagement, learning, progress and achievement is always live and available through the WHS Portal. However, a comprehensive Mid-Year report will be made available on the Portal for Seniors on Friday 6 July and Monday 30 July for Juniors.

In addition to the information that is readily available through the Portal, the Senior Mid-Year Report will include a cover sheet that outlines the student's Academic Goal and current prediction. The prediction is an indicator of what the student is on track to achieve (or not), as of 22 June, assuming they maintain their current levels of achievement. Kaiārahi have been meeting with students to discuss the prediction and what changes, if any, are required to achieve their academic goal. If you have any questions regarding any general information in this report you should contact the Kaiārahi in the first instance. If you have subject specific information, please contact the relevant subject teacher.

Again, Junior Mid-Year Reports will be available on the Portal from Monday 30 July, and we will have our Junior Next Steps in mid-August, when parents will again meet with Kaiārahi.

**Sonia Panapa**

---

## AFTER SCHOOL SECURITY

We will be implementing some changes commencing at the start of Term 3 around after-school security to ensure we are meeting our legal obligations related to use of the facilities and supervision. All students who are not present for a supervised school event must have left the building by 5pm at the latest. Students who are present for a supervised school event that has a delayed start (e.g. netball at 4.45pm) will only be allowed to congregate at the front of the school in the Foyer and Library area. The learning commons will be closed off and not available for access (unless they are with a staff member). This may mean that students attending sport in the gymnasium will need to exit via the front door and re-enter in the side Gymnasium door - as the internal doors will be shut.

If your student is waiting for you to finish work, or waiting to access other facilities nearby (eg Kip McGrath, Site Trampoline) they will need to make alternate arrangements after 5.00pm. We recommend the Wakatipu Youth Trust who have a Drop in Center (Youth Booth) at 15 Red Oaks Drive which is across the street. This is open until 6pm each day during the school term and has XBOX, Pool Table, Air Hockey, Ping Pong, Sound System, Computers and daily afternoon tea. It is free of charge.

**Andrea Wilton-Connell**

## CAN FOR A CAUSE

Just two weeks ago the Community and Service council ran an initiative called 'Can for a Cause' which aimed to gather as many cans of donated food as possible for local charities *Happiness House Community Support Centre* and *Queenstown Salvation Army*. Run as an unofficial house competition, students were encouraged to bring cans of food to school across the week (11-18th June), and on the final day, house representatives constructed sculptures using the cans which were eagerly judged by Mr Hall, Mrs Panapa and Mr Rasmussen. The houses were ranked using a point system that reflected the creativity of the sculptures and amount of cans collected. Mackenzie was the clear frontrunner, taking the win, followed by Arthur.

Overall, 435 cans were donated from students, and on behalf of the Community and Service council, we are grateful for everyone who got involved and made an effort to support our community.

**Sophie Woodham**  
**Community and Service Council**

## COME ONE COME ALL – 6DRA PRESENTS NUI SILA!!

WHS drama department would like to present NUI SILA a hilarious play that will leave you pondering your thoughts on cultural clashes and youth growing up in New Zealand. This play is the 1.6 assessment for the Level 1 Drama Class and they would love your support. The show is on Thursday 5 July and the curtain drops at 5:30pm sharp so please be seated before then.

One night only this is a show you don't want to miss!!!!!!

**Jake Hansen**

## MUSIC UPDATE

Last Friday afternoon saw musicians from WHS performing at Winterfest down on Earnslaw Park. This has been an annual event thanks to the efforts of Rockformation who continue to support our students by providing these opportunities. The students had a great time entertaining the audience and played extremely well.

**Picture is of Haven, taken by [shotbysarah.co.nz](http://shotbysarah.co.nz)**

### **Upcoming Music Events:**

July 3/4 5MUS3 Music Nights 6pm school theatre

## ASPEN EXCHANGE

“A journey is best measured in friends, rather than miles.” – Tim Cahill  
Travelling, hosting, being a tour guide in your own back yard, discussing similarities and differences late into the evening is what being a participant on the Sister City Aspen Exchange is all about. It is enriching, life changing and character building for our young people and ourselves as teachers. Getting to know eight students from Wakatipu High School like they are extensions of yourself, seeing them treat their Aspen students like they are their family member, hosting another teacher and bonding in the same way. That is the magic of the Sister City Queenstown/Aspen Exchange.

We had an awesome group come to visit for 10 days over the last weeks of June. They were hosted by our amazing students and their even more amazing families. Allan and I got incredible support from local businesses to send the group on trips around the lower South Island. On their first day AJ Hackett Bungy plunged them into New Zealand tourism with a jump off the Kawarau bridge. NZSKI donated ski passes and equipment hire for the students to use for three days, a generous offer to say the least. Real Journeys ferried the group to Walter Peak for a quintessential farm show and morning tea. Go Orange tiki toured them to Milford Sound, where the weather added its mysterious mist and rain to heighten the landscape. The Kiwi Bird House hosted the group, so they could have an up close look at our native bird. Skyline entertained the group twice, once with the Honorable Mayor Jim Bolt to discuss the similarities and differences the two cities face, then again on Friday for the Kiwi Haka experience. There were countless discounts and vouchers from local businesses, including Fergburger providing an experience of what a burger can do to a town. Our community may be small, but the generosity and support we have received is huge.

There were weekends with families, attending sport, skiing and tasting local foods. As a group the students got together as much as they could to spend time as one big family. The generosity, support and can do attitude of our Wakatipu High School students and their incredible families meant that these visiting students felt right at home and slotted into kiwi lifestyle quickly.

Experiencing this exchange for the first time, I am filled with a sense of pride, exhaustion and excitement for what our little group will do when we travel to see them in January 2019. A huge thank you to the families involved in this trip, without you, we would not be able to do this. Thank you to our students for ensuring that their students had the best time possible. Thank you to Wakatipu High School for supporting this exchange, it truly is magic.

**Allan Birkett and Rachael Bell**

## LANGUAGES UPDATE

Students have been experiencing learning languages outside of the classroom with our local community. The French Year 10 students have spent part of Term 2 learning, speaking, conversing about eating habits and of course....food!

What better opportunity than experiencing this learning outside of the classroom and having to engage in meaningful French conversations to order food! This is what students did by going to the local French bakery Ma Boulangerie! Students, during this 'field trip', had to answer a range of relevant questions in French related to the bakery.

A big 'merci beaucoup' to David from Ma Boulangerie for making this possible.

### Guillaume Charton

## PORTOBELLO TRIP

Last week on Tuesday afternoon, a group of Year 13 Biology students had the privilege of travelling down to Dunedin and spending three days in the New Zealand Marine Studies Centre in Portobello. The intention of this trip was to conduct an individual experiment and learn scientific processes.

On the first day, the eager students caught the first whiff of sea salt as they searched high and low (but mainly low) under rocks, nooks and especially crannies for a range of different crab species. Throughout the day, we learnt about the anatomy, ecological niche and behaviour of these crabs. This knowledge was to lead us into our journey of crab and self-discovery on the second day of the trip.

It was the half crab that the majority of students chose to conduct their experiments on. We tested feeding responses, turnover time and the speed of the crab depending on a range of variables. It was hard not to squash the crabs as they nipped at our hands throughout the intense eight hours in the lab. The mentors had to keep a close eye on Jordyn after his tragic "*accident*" the previous day on the shore where one crab sadly lost its life. We were then treated to nachos and a relaxing evening after a busy day.

The third day was spent repeating these experiments and ensuring that any issue or errors from the second day were eliminated. By the end, we had accurate and reliable datasets to take home and analyse in Queenstown. Overall, it was a fantastic and informative time that was just as good as the Winterfest fireworks that we missed.

We would like to thank the incredible teachers that accompanied us on the trip, Mrs Christian and Mrs Jackson, as well as Steve and our other mentors at the centre for supporting us throughout the time.

**Henry McIntyre and Kate Lambert**

## SPORTS UPDATE

**Southland Secondary School Junior Netball Champs**

The WHS 9A and 10A teams played in the Southland Secondary Schools Junior Netball Tournament in Invercargill yesterday. The 9A team finished third out of six teams and the 10A team finished third out of seven teams. A big thank you to all of the coaches and parents who went down for the day.

Jett Fa'Amalepe in midcourt for the 9A's

## 7BUS – IT'S BUSINESS TIME!

The Level 2 Business Studies classes are about to embark on their first sale cycle during the last week of Term 2. Students have been busy undertaking market research for their products, investigating suppliers, writing their business plans and planning for their sales. This activity requires students to carry out their business within a community context. The business groups have identified a community based charity and are supporting the charity by donating to them.

Products and services on offer included:

- Cupcakes
- Jam
- Car wash
- American candy
- Sausage sizzles
- Homemade candles
- Chalk boards
- Candy floss
- Socks
- Sherbet
- Phone protectors
- Stress balls
- Bean bags
- Stickers

Help support our young entrepreneurs!

## HEAD STUDENT UPDATE

The end of the term is coming up fast and what a term it has been! Senior students are finishing off internals, juniors are getting ready to move into the second semester and everyone is preparing for the Matatu assembly at the end of the term.

Student subcouncils have been working hard to bring us initiatives like this years 'Can for a Cause', where over 400 cans were donated by students and teachers, built into beautiful sculptures in the school foyer, then broken down and donated to the Salvation Army and Happiness House. This is an event that the Community and Service Council run every year and it's awesome to see it continue in the new school!

The Arts and Culture Council have hosted another 'Bob Ross Therapy Painting Session' this term, with a great turnout of painters, from beginner level to excellence students. Keep an eye out for the next one coming up!

Well, that's it from the Councils for this week! Although, you can bet that there's lots of work behind the scenes going into lots of exciting new ideas to make Term 3 the best yet!

**Lexi Rosemoore**

## Wakatipu High School Foundation Business Partnership Programme

The success of Wakatipu High School Foundation depends on the strength of its partnerships – with our schools, our community and business leaders. The WHSF Business Partnership Program is comprised of a dynamic group of local companies and professionals who, through their financial support, share in its success. Partnering with WHSF is a great way to invest in our schools and promote your business. Outstanding schools help strengthen the entire community including the business community.

If you would like more information on how your business can participate in this vital programme,  
please contact:

# MEET UP WITH

RainbowYOUTH 

## THIS WINTER SCHOOL HOLIDAYS 2018

Wednesday 11th July 11am - 1pm

### WHY SHOULD YOU ATTEND?

As ever, for the delicious free food! You'll also get to meet some other awesome queer, gender diverse, intersex people, and their friends, in a safe, inclusive environment.

RainbowYOUTH, Wakatipu Youth Trust and The Spectrum Club will be there to give you more information about what they do. Plus if you want to get support about anything that's going on at school or at home (or anywhere else!), there will be people around that you can talk to.

This is a great chance for us to get together as well as learn about how we can all work together to make Otago and Southland a great place to grow up as a queer, gender diverse or intersex person!

### WHO IS IT FOR?

**LGBTQIA+ Youth, friends and supporters:**

Lesbian, Gay, Bisexual, Trans\*, Queer, Questioning, Intersex, Asexual and Friends / Supporters aged 12 – 18 years old.

### FOR DETAILS CONTACT:

thespectrumclubqt@gmail.com or  
jacqui@wakatipuyouthtrust.co.nz

@thespectrumclubqt

Browns Ski Shop are looking for Younglings for the 2018 ski season – available to Yr8-Yr10 students, for one or possibly two afternoons per week, after school till about 7.30pm. Starting end of June till end of August.

We will teach you skills like washing clothing, cleaning ski and board boots etc etc – in other words things you do not do at home. If you are interested, talk to your parents then have them contact us on [jedicouncil@brownsnz.com](mailto:jedicouncil@brownsnz.com)

## Dan Gerard DRIVING INSTRUCTION

### We now offer defensive driving courses

This course is an NZTA approved advanced driving skills course. It gives you the tools you need to drive defensively for life. The course also reduces your full licence wait time by 6 months.

For information on courses or for driving lessons please email: [info@drivinginstruction.co.nz](mailto:info@drivinginstruction.co.nz)

or Phone Rach Gerard on 027 273 9610

The New Zealand  
Defensive Driving Course

CONFIDENCE | KNOWLEDGE | SAFETY

### Drive Safe and Drive Well WITH CONFIDENCE AND KNOWLEDGE

- > The New Zealand Defensive Driving Course takes just nine hours and instills a lifetime of safer driving strategies for any young driver.
- > This intensive interactive course includes both classroom theory and practical 'in-car' tuition.
- > You'll receive a full colour workbook, an interactive Practice CD-ROM to support each session and view relevant videos.
- > The course is run over four sessions of two hours duration - with homework for presentation at the next session - and a one hour practical in-car session.
- > If under 25 years of age whether you're on your learner or restricted licence, you can reduce the time it takes to get your full licence by six months when you complete an NZTA approved AA Defensive Driving Course.

*Successful completion of the theory and practical components goes part way to completing Unit Standards 3464 and 3465. It also takes six months off the time required on a Restricted Licence.*

> For information and bookings contact:  
**KAYE ROWELL 027 623 3534**  
kaye@lakesdrivingschool.nz  
www.lakesdrivingschool.nz

**COURSE REQUIREMENTS**

- > You must bring your licence with you at the commencement of the course
- > All sessions must be completed in order
- > Fees must be paid prior to course commencement
- > The in-car practical must be completed within 60 days of the final in-class session

## COMMUNITY NOTICES

### The Academy at Kip McGrath Term 3 Programmes

#### Key Moments: Keyboard Skills for Work and Play

Touch typing is an essential skill for life. And research tells us that typing skills foster skill development in writing, spelling and even grammar – extending to all areas of education and learning.

Manual dexterity is also the essence of playing tunes on a piano keyboard. You need strong, flexible fingers, and to be able to use both hands simultaneously!

**Mondays from 1-3pm \$56 per session (age 8-12)**

#### Creative Camelot and Calligraphy: Writing with real Hand Writing

A mysterious cursed lady is locked away in a medieval tower, overlooking the legendary Arthurian city of Camelot.

Why is she there?

What is the curse?

Will Sir Lancelot save her?

Building writing skills through the dramatization of Arthurian Legends, poetry and stories, based on Tennyson's themes and characters. Children read, unpick and research the legends of King Arthur and Camelot and present their own, using Gothic style calligraphy and magical dramatisation.

**Tuesdays from 9-10:30am \$42 per session/\$65 for the whole morning with other programmes/\$100 for the whole day with other programmes (age 9-16)**

#### It's all Greek to me! The Life and Legacy of Ancient Greece

How would you survive as an Ancient Greek warrior?

What was it like to compete naked at the Olympics?

Why is our modern English language full of Greek words?

Can you see Greek inspired buildings in NZ today?

We will discover the hidden secrets of Ancient Greece through books, stories, hands-on artefacts, videos, websites and articles.

We will learn about the history of the temples, government, Olympics, rituals, gods & religion, food & drink, fashion, music & entertainment, building techniques, war & weapons, legends, the hierarchy of Greek society, inventions, gender diversity and of course read and write in Greek lettering.

**Tuesdays from 11-12:30 \$42 per session/\$65 for the whole morning with other programmes/\$100 for the whole day with other programmes (age 9-16)**

### The Academy at Kip McGrath Term 3 Programmes

#### Full STEAM Ahead! Using Design Technology for problem solving

Imagine... a world of innovative, communicative, collaborative and thoughtful problem-solvers.

Through learning to solve a range of tasks involving Biological/Chemical/Earth and Space/Physical science and technology our imagineers will steam ahead. A structured programme will teach skills but let imaginations fly.

**Tuesdays from 1-3pm \$56 per session/\$100 for the whole day with other programmes (age 8-12)**

#### Fun with Forces: The Science of Simple Machines

Can you combine fulcrums, pivots, pulleys, inclined planes, wheels, axles, screws and wedges to create the ultimate complex machine?

Join the Funky Physicists to examine and investigate a range of simple machines and learn how to harness the forces they create to make your own complex human powered machine. Practical skills, investigations, scientific write-ups and new knowledge.

**Thursdays from 9-12:30pm \$65 per session/\$100 whole day with other programmes (age 8-12)**

#### Measure Up: Maths & Measuring through Architectural Drawing & Models

Using different units of measurement and exploring capacity and volume, we will build simulated and working models. Children will calculate area and length, convert measurements and make sensible estimates.

Each week children will further develop skills and independence whilst making models of rockets, a zoo and a theme park.

**Thursdays from 1-3pm \$56 per session/\$100 whole day with other programmes (age 8-12)**

#### Building Blocks for Building Buddies: Lego Therapy

This social development programme helps children with social communication difficulties, impulsive behaviours, instructional or sensory processing issues.

The programme is based on the highly structured, systematic and predictable nature of LEGO play which makes it appealing to children with social communication difficulties who are particularly attracted to systems. Children must attend a trial session with our Lego teacher to see if this programme is suitable to their needs.

**Thursdays from 2-3pm (age 8-12) and Fridays from 3:15-4pm and 4:15-5pm (age 5-8) \$30 per session**

## COMMUNITY NOTICES

### Holden Street Smart

Holden Street Smart is a programme that equips young Kiwis with the tools needed to safely drive on our roads, well prepared and confident. Holden Street Smart is a world-class, cognitive based driver programme that aims to positively influence the lives of young kiwis across the country. The Programme has been developed with the involvement of world-renowned road safety expert, Peter Sheppard. In addition, passionate road safety advocate, Greg Murphy, is our Programme Ambassador.

Offering a practical hands-on learning experience, Holden Street Smart is a programme that aims to add to, and compliment, the great work already undertaken by NZTA, NZ Police and others in the area of road safety and driving training.

Holden Street Smart is a one-day event providing young drivers and their parents/caregivers the opportunity to undertake supervised driving practice. There is a focus on developing good decision-making strategies for safe driving, including assessing themselves, reading the road environment, resisting peer pressure, managing or eliminating distractions and planning ahead.

The Programme takes place in safe, controlled, off-the-road environments, under the watchful eye of qualified coaches plus the parent/caregiver. This provides the parent the opportunity to also assess themselves, in order to be a better coach and mentor to their teen.

Holden Street Smart will be delivering its programme throughout these July School Holidays at the following venues:

**Mike Pero Motorsport Park – Christchurch - Mon 16 and Tues 17 July**

**Highlands Motorsport Park – Cromwell - Thu 19 and Fri 20 July**

Registrations are open for only \$49 at [www.holdenstreetsmart.co.nz](http://www.holdenstreetsmart.co.nz)
