Wakatipu High School Foundation Business Partnership Programme

The success of Wakatipu High School Foundation depends on the strength of its partnerships – with our schools, our community and business leaders. The WHSF Business Partnership Program is comprised of a dynamic group of local companies and professionals who, through their financial support, share in its success. Partnering with WHSF is a great way to invest in our schools and promote your business. Outstanding schools help strengthen the entire community including the business community.
