Kia ora - a somewhat smaller newsletter on junior Teacher Only Day, but it has been a big week at Wakatipu High School. Junior Prizegiving on Tuesday was an important event - which had a huge number of parents keen to attend (our apologies to those who missed out, we will look into our format in the future). It was also great that so many parents came along to meet with Kaiārahi yesterday at our Junior Next Steps - good on you for being engaged with your child's learning, we hope you found it useful. If you were unable to attend please email the Kaiārahi to make an appointment; similarly, if you do want to meet with any subject teachers please do email them click here for a link to teachers' emails.

The House Basketball competition concluded with the big finals on Wednesday - congratulations to Hay juniors and Mackenzie seniors on their wins, and to staff who dominated the Year 13s! (See the photo below).

Senior exams are also well underway now, and it is good to hear that many students are taking them seriously and studying hard.

student in this process and ensure that it is complete and submitted by next Friday. Parent Tours - are a great opportunity to come and have a look at teaching and learning in our new school. Our final tour at this stage is

2019 Course and Subject selection - a reminder that this closes at 4pm next Friday 17th August. Please do take the time to support your

Student BoT Rep - schools are run by Boards of Trustees and an important member of the BoT is the Student Rep. We are now at the time of year for the election process for the Student Rep - please see below for information and details.

planned for Wednesday 22nd at 09:30, please email my PA, Karla Dawson kdawson@wakatipu.school.nz, if you are keen to attend.

Breaks - as you may have heard me say or refer to, in preparing for the move to the new school we spent most of our time and energy on teaching and learning - which is going well, but there have been other aspects of the move which we aren't so happy with and which we are now turning our attention to. This includes students' behaviour inside, rubbish and that many students aren't going outside (something which we have also had feedback from parents on). Starting on Monday we are rolling out a new system for how we manage the school before school and during the Breaks - which will include some outside time for most students. We will roll this out to juniors on Monday and seniors after their exams; more on this next week.

We've got a **One Act Play** performance in the Theatre at 7pm tonight if you're keen to come along and see and support our talented students.

A wonderful weekend of weather awaits - tomorrow looks particularly magnificent, a great weekend to hit the slopes, hope you can make the most of winter in the Wakatipu:)

University Scholarships for Year 13 Students

MoneyHub, a consumer finance website, has published a guide to hundreds of scholarships for any student planning to start university in 2019. The comprehensive list includes scholarships offered by every university as well as those specifically available to local students. A list of privately-funded, Māori, Pacific and International university scholarships completes the list. Applications close throughout the year, with tens of millions of dollars available. MoneyHub has also published a list of tips for scholarship success. For more details and to find suitable scholarships, visit the MoneyHub Scholarship page.

Defence Careers Experience over the period 1 - 5 October 2018.

This event is open to Year 12/13 Secondary School students. The Defence Careers Experience will provide a forum for your students to explore career opportunities, develop team and leadership skills, enhance personal confidence, resilience and experience some aspects of life in the military. Defence Careers cover all cost's including food, accommodation & transport.

To register for the event click here to fill out the appropriate google form.

Registrations close on the 19 August 2018.

Course Planning Support for Enrolments

We have the following Liaison Advisors running Course Planning for students enrolling for 2019 Programmes. These are as follows:

University of Otago – Thursday 16 and Friday 17 August – all day but we try to schedule students during breaks and SIL periods
Otago Polytech – Thursday 23 August – 1.50-3.00pm
Auckland University – Wednesday 29 August – 9.00-10.00 am
Victoria University – Monday 17 September 9.00-10.00am

Canterbury University – will be coming to school now, date to be confirmed

Massey College of Creative Arts – Wednesday 29 August – 1.50- 3.30pm will be in the Art department to talk with prospective students about careers in the creative sector, the programmes of Massey's College of Creative Arts, and their (portfolio) selection process.

Year 10 Careers Programme -The year 10 students were taken through the Choicesmatch programme on Monday. We did have some delays with generating the report with some students and they have been asked to please redo the task. It would be really helpful if parents/caregivers can make sure that this has happened and view and discuss the final report with your child. This is the starting point for year 10 students to identify possible/suitable career pathway based on their interests, skills, and personality.

Option choices are your first career choices - you need to plan carefully

TOP 10 TIPS

- 1. Be well organised and have a plan that supports future oppotunities work towards it and review often
- 2. Set longer term goals and work backwards
- 3. Choose subjects that keep options open
- 4. Check the on-line Course Option Booklet (pages 4-6) for extra careers advice
- 5. Talk to subject teachers or Head of Learning Areas for more advice on courses
- 6. Make sure you know about pre-requisites for entry from level to level for school courses and what you need for further study beyond school and NCEA/UE Requirements
- 7. Choose subjects you enjoy and are good at to fit with your interests, abilities, passions and strengths
- 8. Mostly previous achievement or poor achievement dictate options choices and available pathways beyond school 9. Be positive and believe in yourself have a 'you can do it attitude'
- 10. If unsure be sure to seek advice we're here to help.

Influences on Career Decisions

You need to build confidence, be connected and actively involved and a lifelong learner – Develop Self-Awareness, Explore Opportunities, Decide and Act

People who influence you are: Yourself, Family, Teachers, Careers Advisor, Friends, Media, and Employers

Hands on at Otago 13-18 January 2019

University of Otago are offering a Hands-On Programme with 36 projects this year in Sciences, Humanities and Business. The programme is designed to allow students to experience a week of the Otago student life, living in a residential College, and undertaking detailed studies.

To qualify for the programme, students must be entering Year 12 or 13 in 2019. The Programme fee is \$675 which includes meals, accommodation and programme activities. There are several scholarships available. The Careers Hub has the application forms and more details for the programme. Or go to otago.ac.nz/hands-on-at-otago

Media Studies Visit

WHS Media Studies students must be the luckiest in the country. We have access to a thriving local film industry, stunning locations and best of all, experts who are willing to share their time and experience with us.

Last week the Level 2 classes welcomed Trey Ratcliff, renowned travel photographer, to share some of his favourite photos from his stuckincustoms.com blog as well as his unique pathway into photography. Under his instruction we ventured outside for a crash course in framing and focal length.

Many thanks to Trey for sharing his ideas about creativity, what to read and what not to care about.

On that note -- if you work in the media, we'd love to have you in so students can hear about some of the many opportunities in the industry. Just email me at <code>jsmart@wakatipu.school.nz</code>
