One Act Play National Festival

On Monday August 20th, nine students from the WHS drama department competed in the regional final of the New Zealand TheatreFest One Act play Festival for 2018.

The cast presented a modern adaptation of NZ playwright, Renee's 'Tiggy Tiggy Touchwood'.

This was the second stage of the festival was adjudicated by Jonty Hendry, former Artistic Director of Fortune Theatre & former Head of Acting at Toi Whakaari (NZ Drama School). Jonty was very impressed with the imaginative and original interpretation and the maturity of the young performers.

Special mention to Leah McHugo and Izzy Jack for their amazing performances as Tig & Missy and Hannah Coombe for her original composition for the play.

The whole cast was exceptional and we now await results from the other regional festivals to find out if we have qualified for Nationals in mid-september

Head Student's Update

Term three is flying by and so much has happened already! House Basketball is over and done with, getting heaps of people participating as well as the Year 13's doing some charity work and letting the teachers win.

Last Wednesday many of us went up to Mount Aspiring College to compete in the 2nd annual school sporting exchange. It was great for us to get the win 10-7 and a huge thank you to all coaches and teachers that made it possible. It was also great to see so many events taking place, showing our talents across a wide range of sports. With the exchange came the last game of rugby for the first XV so I'd like to use this to say a huge thank you to Mr Mac and Mr Gilbert who gave up so many hours to coach and travel with us. Many other sports will be wrapping up too so remember to thank everyone who has helped you or your team out.

Mock exam results will start coming in soon too! They're always a challenge being so early in the term but, being resilient students of Wakatipu, we persevere. It was good to see students studying hard and taking them seriously, so if for some reason your child doesn't get the result that they want don't be too hard on them!

This week marks the end of week five and the year is flying by. I felt like it was just yesterday that I got the email asking for my Year 13 quote and now it's due tomorrow and I'm trying to restrain myself from googling "Funniest yearbook quote". People told me that I should have it as, "I'm always right, even when I'm wrong." I told them that's not true but they're all way too stubborn to admit that they're wrong.

Hopefully you all have a great weekend,

Alfie Duffy, Deputy Head Boy

Media Workshop

A small group of Media Studies students were treated to a thought-provoking and hands-on workshop on Wednesday, thanks to the [Outlook for Someday](#) team. Students explored local and national issues around sustainability and then learned storytelling and film-making techniques from two industry professionals: Auckland-based director Jeremiah Tauamiti and local photographer [Simon Williams](#).

In the afternoon they worked together to make a short film which goes to show you don’t need tons of time or super flash gear to tell a good story! Our old high school site brought back fond memories of whole school assemblies (not even kidding) and also provided the perfect backdrop to their film about the sense of dislocation felt by some young locals; the need for a space in Queenstown to meet and mingle.

Future media students should definitely keep an ear out for this workshop next year.

September

Hi everyone! This is a further call for any students who want to participate in Steptember this year to sign up now! You have until midnight tonight to register for your free event pack to be delivered in time. However, you can still sign up after that date if you already have a pedometer.

[Sign up right now \(click register\)](#) using the code: whs18 and this will bypass the registration fee.

If you weren’t lucky enough to take part last year and you want to know more, just head to the Steptember website here or email me at 14crosie@wakatipu.school.nz.

The challenge is to take 10,000 steps a day for 28 days straight. The average office worker takes only 3,000 steps a day, so Steptember is a great way to boost your own fitness and do something great for kids and adults with cerebral palsy at the same time. We will be running events and games all month to help you get to that 10k!

Just organise a team of four, and nominate one person as your team captain. The captain signs themselves up (using the code: whs18 so that all team member’s rego costs are covered) and invites three team members to join. Each team member will receive an email invitation which they click on to complete their registration.

If you can’t find a full team of four, let us know (14crosie@wakatipu.school.nz) and we will help you find a team.

Remember to sign up with Wakatipu High School as your group so you can compete against other students and staff!

[Sign up for Steptember now](#). Thanks so much!

Youth MP Search

Clutha-Southland MP Hamish Walker is on the hunt for a youth MP to take his place during the New Zealand Youth Parliament 2019.

“Youth Parliament is a wonderful opportunity for young people from all over the country to come to Wellington and debate topical issues facing New Zealand, in the heart of Parliament”, says Mr Walker.

“It’s a great chance for a young person from Clutha-Southland to come and experience the inner workings of Parliament and learn a few new skills.

“I am on the search for a young Clutha-Southlander who is keen to give our region a strong voice in Parliament.

“My fiancé Penny was a youth MP for Eric Roy, and she’s happy to give advice to anyone who wants to apply, and to the person who will become Clutha-Southland’s Youth MP.

“Nominees must be aged 16-18 years old and will come to Wellington in July next year to experience what it’s like to be a MP for a couple of days. They will participate in Parliament, debate a number of issues in Select Committees and attend caucus.”

Mr Walker is looking forward to reading all the applications to see what issues the young people of Clutha-Southland think are most important to the region to raise at Youth Parliament 2019.

To apply, applicants need to write no more than 750 words to Hamish Walker. It must include what the applicant believes the three biggest issues in Clutha-Southland are, how these issues could be solved and details of their involvement in their local community. Please email your application to Hamish.walkermp@parliament.govt.nz before 1 October 2018.

MP for Clutha-Southland

Year 9 Ski Programme

WHS's Year 9 Students left early this morning for both the ski and non-ski programmes, which will run every Friday for the next five weeks. Today, our non skiers spent the day hiking, learning about camp crafts, fire safety and - most importantly - how to toast marshmallows properly. They'll undertake a variety of activities throughout the programme. Our skiers, meanwhile, will spend their time on Coronet Peak practicing and finessing their snow sports skills. Enjoy, everyone!

Snow Sports Selection

Year 10's Cameron Marshall has been invited to join Snow Sports New Zealand's training session today after an amazing performance at last weekend's PUMP Mini Mountain Competition at Treble Cone.

Cameron's mum Kim recieved an e-mail this week from SSNZ Manager Luke Hetzel to invite Cam to join the prestigious team in training. "We are not sure what this will lead to at this stage but... as you can expect Cam is pretty excited about this, he had an awesome competition last weekend at TC taking out the win at the PUMP Mini Mountain," Kim said.

Aside from today's training, Cam is also competing in the NZ Junior Freeride tour consisting of three events next month.

Well done Cam!

Cameron (center) after his win at Treble Cone

"I was one of the judges at PUMP Mini Mountain last weekend. Put simply, Cameron was a standout skier. The rest of the judging panel and I were very impressed. The NZ Freeride Team is having a training day on Friday, and I'd like to invite Cam to join."

Netball - Senior A Division Champions

The Year 10 Firebirds took out the Senior A division of the Wakatipu Netball Centre competition last Saturday with a convincing 34-13 win over Flints Flyers. A great way to cap off a very busy season for the side which included the weekly Southern League competition in Term 2, the SISS Junior Champs in the holidays and numerous other tournaments. Yesterday 22 of WHS’s 67 current international students travelled to Invercargill to participate in the Southland Secondary School International Student Sports Day. 260 of Southland’s international students had the opportunity to experience two sports during the day. The sports on offer were basketball, volleyball, squash, futsal, dodgeball, badminton and track cycling at the velodrome. Thank you to Study Southland and ILT for sponsoring the event and to Southland Secondary School Sport for putting it together.

TWO BIG TOPICS COMING UP OVER THE NEXT MONTH...

August 30: Can we ever fix Queenstown's housing crisis?

Housing Minister Phil Twyford, *Generation Rent* author and independent economist Shamubeel Eaqub, and Queenstown Lakes Community Housing Trust chair Martin Hawes will speak, before the floor opens to questions. Between them, they will cover national, local, societal and economic perspectives of this prolonged and vexed issue.

Read [Catalyst's task force report](#), which we compiled after our 2015 affordable housing forum and subsequent community workshops, outlining required actions over two, 10 and 30-year periods. Was any heed taken? The evening will end with an opportunity for community input.

Queenstown Memorial Centre, August 30, 7 PM to 8:30 PM. \$5 koha at the door. Registration required with tickets available through [our page on Eventbrite](#). Please bring your tickets (printed, emailed or Eventbrite app).

September 4: NZ Treasury – the choices, the challenges.

NZ Treasury CEO and secretary Gabs Makhoul will outline the key policy challenges and choices ahead for New Zealand.

Makhoul, who grew up in the Pacific as the son of UN diplomats, will also reflect on the different lens Treasury's new "Living Standards" framework and his own perspective as an immigrant might provide to both the issues and potential solutions.

Tuesday, September 4, 7:00 to 8:30 PM, The Rees Hotel Queenstown conference room. \$5 koha at the door. Registration is required with tickets available through [this link to our page on Eventbrite](#). Please bring your tickets (printed, emailed or Eventbrite app).
