# EXTRACURRICULAR ACTIVITIES AT WHS

Our vision is to deliver Aotearoa New Zealand’s best all-round education. Extracurricular activities play a large role in achieving this vision and are an important part of a student’s wellbeing and life at WHS. Participation in extracurricular activities helps our students to build connections, a sense of whanaungatanga and belonging.

We strongly encourage all students to get involved in something either at, through or outside of school - there are over 70 activities to chose from across Arts, Sports, Cultural, and more.

Explore the activities available at our Extracurricular Expo, which is held in Term 1 and 3. For more details, visit the WHS website:
