Principal's Message

Kia ora and welcome to the Wakatipu High School newsletter. A short piece from me today, but there a number of important items below. Strike for Climate was this afternoon and a number of our students attended. We have had assemblies with every year level this week - they went through the Ākonga Profile, which I referenced in Week 2, as well as expectations re uniform, attendance and behaviour.

Vote for WHS Foundation Now! - the WHS Foundation is an incredible supporter of our school. It funds a wide range of initiatives including supporting students and families who are struggling financially, academic achievement and extra and co-curricular activities - as a school we are very fortunate to have their support.

The Foundation is made up of parents and locals who give their time to raise a significant amount of money for WHS each year. They have an important opportunity to raise funds and they need our help - please [click here](#) and VOTE WHSF in The Hills/Crux Charity competition. NB Voting **closes tonight - please vote now!!!**

Junior Next Steps (Parent-Teacher) - are on Tuesday 26th March. For Junior Next Steps, junior students and their parents meet with the Kaiārahi. These meetings are important and we do expect all to attend please - see below for more including booking details.

Please note that for all students school will finish at 1:50pm that day, with buses running from that time. Please also note that Senior Next Steps, which are with subject teachers, are on Tuesday 9th April.

Parent Tours - as mentioned previously, we are going to offer parents an opportunity to come and have a look at teaching and learning at WHS. Tours will be at 9.30am on Wednesdays this term, and are 60mins. They will be hosted by members of the senior leadership team, and are limited to 10 parents. You do need to book in - please email my PA, Karla Dawson kdawson@wakatipu.school.nz.

Coming up - important to note:

- **Otago Anniversary** - Monday 25th March
- **Junior Next Steps** - Tuesday 26th
- **Teacher Only Day** - Friday 29th
- **Musical** - Wednesday 3rd - Saturday 6th April. Tickets on sale now - see below.
- **Senior Next Steps** - Tuesday 9th

As I said last week, only four weeks to go in the term now and, as you can see from above, there are a number of events and variations in that time including Tournament Week and the Musical, so students need to ensure they are making the most of their classes and learning - every day will be important.

Another pretty good late summer weekend, although Sunday will be best for outdoor plans. All the very best to students and staff participating in the Relay for Life this weekend to support the work of the Cancer Society. [Click here](#) to go to our staff team's page and [click here](#) for our students' page to support this great cause!

Ngā mihi,

Steve Hall, Principal

Junior Next Steps

Junior Next Steps are now less than two weeks away. For Junior Next Steps each junior student and their parents have a 20 minute meeting with the student’s Kaiarahi. The discussion will centre around the student’s goals, their learning engagement, and where to find and how to interpret information regarding both standardised tests as well as subject specific learning, progress and achievement.

The meetings are on Tuesday the 26th from 2:30 - 6:30pm. School will finish at 1:50pm that day, with buses running from that time. Next Steps bookings are now open - please go to www.schoolinterviews.co.nz and enter the event code **xbrgz**.

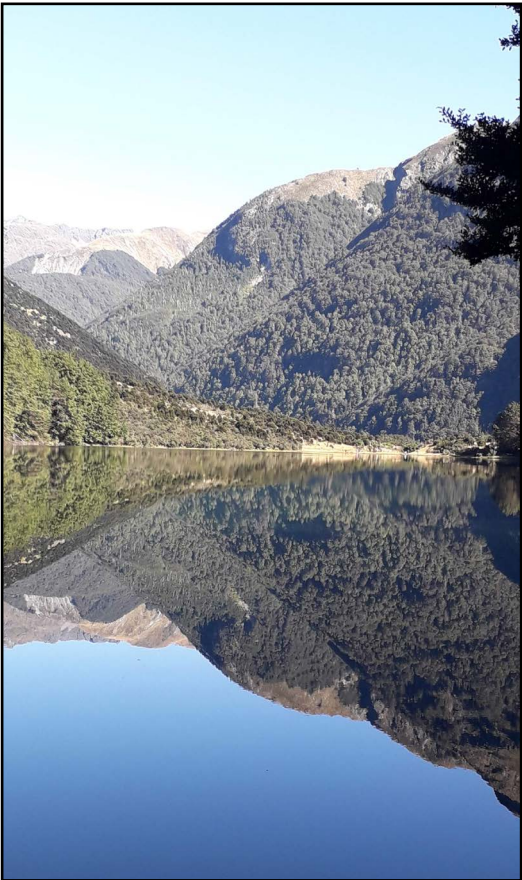

This is a really important evening for all Junior students and parents and we do expect all to attend. If you or your child are unable to attend on the evening, please email your child’s Kaiarahi directly to arrange another meeting time.

Year 9 Greenstone Camp

A great time was had by Year 9s while on camp up on the Greenstone Flats last week. Generally good weather prevailed and students were all able to take part in river swimming (Room of Doom!), kayaking, river crossing and the Lake Rere day walk. The camp was based by the shearing shed this year and this was a great facility to cook from and to help out in wet weather. All 4 groups had their own special experiences and Greenstone Camp remains an important part of inducting the students ... and parents! Into the way of Wakatipu High School Outdoor Education.

Purchasing Food at the School Cafe

Did you know you can pre-pay and load money on your students Student ID card for purchasing food at the school cafe!? You can eliminate the need to send your student with cash, or having to put money into a bank account that could then be used anywhere for anything. To load money onto their Student ID Card, you can pay at school via cash/eftpos etc or pay online (reference is the Student ID number on their ID card and “cafe” eg 15632 cafe). If you have any questions please email office@wakatipu.school.nz.

International Women’s Day

On Friday last week the Whanaungatanga/Support Council ran a series of events for International Women’s Day; including handing out themed, “Challenges.” These challenges involved students taking a small slip of paper which encouraged them to undergo tasks such as, “Tell an important woman/girl in your life that you love and appreciate them.” Hopefully lots of mums, sisters, grandmothers (to name a few) received some lovely messages. A “Kahoot” (quiz) was also run during break, the theme was, “Influential Women” and winners received well deserved canteen vouchers.

We collected a large range of clothes, bedding, games, blankets (and so much more!) from students which will be donated to the local Women’s Refuge. These items will hopefully help women and their children in crisis feel more comfortable and at home in these centres. We would like to thank everyone who partook, or made this day possible.

Sports Broadcasters for a Day!

Three Media Studies students had a taste of the sports broadcasting world during the recent NZ Golf Open at The Hills in Arrowtown. The live broadcast was transmitted around the world to millions of viewers and as you may know, showcases the very best of NZ Golf, The Hills, Arrowtown and Queenstown.

Year 12 Media Studies students Tomas Whelan-Henderson, Ben May and Lucy Wild worked as Link Pointers, each assigned to an Radio Frequency Camera Team throughout the broadcast. They were responsible for maintaining the link between the camera and the receiving end and following the camera person to the action. They were also able to get up close to an incredibly complex operation that connects directly with what they're learning in Media Studies. Thanks very much to Sky Sports for allowing our students to have this experience.

Top Art Exhibition

The Top Art exhibition will be arriving at WHS on Monday. All work will be displayed in the Wakatipu High School Library from Monday the 18th (afternoon only) until Thursday the 21st of March. Visitors may come to the WHS library between 3.30 and 4.30pm to view this exceptional work. Please make sure to stop by the reception and sign in first.

Top Art is an annual touring exhibition featuring some of New Zealand's top secondary school art portfolios. The exhibition is a selection of the Level 3 Visual Arts (sculpture, painting, photography, printmaking and design) portfolios that gained Excellence in NCEA in 2018.

This exhibition provides an opportunity for secondary students and teachers to view the high standard of art produced in schools and gain an understanding of what is required to achieve excellence. It is also an opportunity for members of the public to see the quality of art being created in schools. We hope that you can come for a visit.

Head Students' Address

Good Afternoon Everyone,

It has been yet another full on week for the students, with Musical rehearsals starting to heat up, Southland Athletics and the Global Schools Strike 4 Climate.

The Global Schools Strike 4 Climate was on today, there will be a write up next week on this.

The musical is fast approaching, now only 3 weeks away. This week the band and cast have begun to work with one another to create perfect synchrony. Rehearsals are now ramping up to 5 times a week, adding to the workload of approaching assignments.

The Academic Council this week started its new Career talks, with the first speakers coming in on Wednesday. Justin Ralston and Glyn Lewers both engineers from Airey Consultants, came in and talked about their journey in Engineering. It was greatly appreciated and many students I have spoken to are now excited at the prospect of studying engineering. There will be more to come from a wide range of careers! If you want to share your experience or have any recommendations about potential speakers, please contact me at 15aritchie@wakatipu.school.nz.

The Relay for Life starts tomorrow, with many of the staff and students taking on the challenge. It's an event where we get a chance to celebrate cancer survivors and carers; remember loved ones lost to cancer and fight back by raising awareness and the funds that are raised will be going towards supporting the work of Cancer Society. Teams will be doing laps of the showgrounds for 24 hours with many activities to get involved with and live music. If you would like to have a look or get involved, pop by the Lake Hayes Pavilion either Saturday or Sunday.

Last thing from me. There is a mufti day on the 5th of April which coincides with Gumboot Friday, an initiative led by Mike King, New Zealander of the year. He said, "For many, having depression is like walking through the mud every day, Walk-in their shoes for a day: put on your gumboots, give a gold coin and help us provide free counselling to any kid in need."

That's all from me,
Have a great weekend.

Archie Ritchie, Head Boy

Gold in USASA Snowboarding

We are very proud of Meila Stalker who has won gold in the USASA Snowboarding Competition. She has this to say...

"Whilst I was in the States, I competed in 2 competitions. The first competition was a part of the Rocky Mountain Snowboard and Free Ski Series which is the largest and longest running amateur snowboard and ski series in the States. I competed in Winter Parks in the Intermediate Line, where I was supposed to compete against 3 other girls, however, none of them showed due to weather conditions, with a one metre dump while we were riding. The second competition was set in Aspen, where we competed in the Snowmass section, in the Intermediate Line. Once again no girls showed, but I had the highest score (81.67) throughout the age group of both boys and girls aged 14-15, so again won gold x 2. I also qualified for the US junior nationals. There are 40 girls in the junior national series, but I won't be competing against them this time - more fundraising for next year needed!"

See <https://usasa.org/regions/rockies/rocky-mountain> for more detail about this competition.

Meila currently trains with the Cardrona HPC programme over winter on Fridays, Saturdays and Sundays.

WRITE like an AUTHOR

Holiday Writing Camp

Andy Griffiths says
"I wish this camp had been around when I was a young writer. Storytelling is a craft and the more you learn, the more fun you can have!"

The Course
Write Like an Author was developed by award-winning author and writing coach Brian Falkner in consultation with English teachers. It has been tested and proven over many years in classrooms in Australia, New Zealand and the USA.

Students say
"The best thing was having an author supporting us all the way."
- James (11) - Lindisfarne Grammar School camp
"I loved meeting other young authors and learning awesome techniques that will help my writing."
- Gabriella (14) - Invermay Lutheran College camp
"It made writing easier for me and explained aspects of stories I didn't really understand."
- Anna (12) - Southwell School camp

Who is it for?
This course is for middle-grade students who are enthusiastic about writing.

What will I learn?
Write Like an Author will teach you the skills you need to construct well crafted, imaginative stories.

Working alongside a published author, you will be taken on a guided journey at the end of which is a story you have created entirely from scratch.

It's the first step on your own road to becoming a published author.

A Published Book!
The stories will be illustrated by students from our concurrent "Draw Like an Illustrator" camp and published in a book that will be available for purchase after the camp.

Where? When?
Remarkables Primary School
49 Lake Avenue, Frankton, Queenstown
30 Sept to 3 Oct, 2019
Cost: \$195 (special early-bird price)
