Principal's Message

Kia ora, welcome to the Wakatipu High School newsletter at the end of Week 4. Another busy week with everything from debating to spelling, tramping to alternative transport, and some great speakers for our students. Speaking of which, it was great to see parents and students come along to Dr Denise Quinlan's Wellbeing evening on Tuesday - it was informative, and her visit marks the beginning of our wellbeing journey as a school.

Also this week was the launch of the Financial Literacy programme for Year 12s and some Year 13s. Along with the Year 11 Wellbeing unit which has been running, these initiatives are part of our Ākonga Profile. Today has been the second Strike for Climate day, with our students choosing to promote the use of alternative transport for staff and students.

Formal - the big night is tomorrow - so it's all about dresses, suits, hairdos, makeup and spray tans! The Formal is a special and important occasion for students and families - the odd parent has even been known to get a bit misty-eyed seeing their 'baby' (male or female) all dressed up for the first time. On Monday morning I spoke to the students about rules and expectations. Parents - please ensure you have read the email we sent out on Monday and support your child to make correct choices so that everyone has an enjoyable and safe night.

Teachers' Strike - is next Wednesday 29. As a school we will be 'closed for instruction', ie no teaching and learning, however we will offer limited supervision (NB this will involve self-directed study in the library or similar; the canteen will not be open).

Teacher Only Day - as is the norm before Queen's Birthday, is next Friday 1 June.

WHS Foundation Rata Dinner - another reminder re this important fundraiser on Saturday 8 June. Please see the flyer further below.

Internet and Online Safety - a reminder that this evening with John Parsons is next Monday 27, in the theatre at 7pm.

Another big newsletter below reflects another busy week and a good one; and please note there will be no newsletter next Friday with Teacher Only Day.

After a week of good weather the weekend looks pretty reasonable too - maybe the odd shower. Make the most of it before wetter and more wintry weather arrives next week.

Ngā mihi,

Steve Hall, Principal

Otago Daily Times Spelling Competition

Last night four teams travelled to Cromwell to take part in the annual ODT Spelling Competition. It was a closely fought battle, but Wakatipu High School secured first and second place. Congratulations to the winners, Helena Hornbacher, Minna Zhu and Hershey Avila and to Ruby Dawson, Aurora Macleod and Ayla Nakayama who secured second place. Well done to all the other participants who performed strongly; Oliver Battrick, Isadora Figueroa, Luca Hall, Sidney Isip, Jack Speedy and Scarlet Taylor.

Geography Trip

Last week the 8GEO class attended a field trip to Christchurch to collect data for our research project. The trip included many highlights such as attending the Quake City museum, conquering the extreme Margaret Mahy playground and exploring the new buildings and space activation projects within the city centre. Whilst the trip was really fun, there was still work to be done. Many groups took part in surveys, collecting data from the public, and listening to talks from key community leaders. The most nerve-racking experience for myself was interviewing the MP of Christchurch, Duncan Webb. He is a very important man and we felt well and truly out of our depth when asking him questions for our project! Overall, the trip was a great success, we were able to get a great balance between collecting our data, exploring and have some great times lounging in our 5-star hostel at the end of busy days. I would like to say thank you to Ms Wood, Mr Gilbertson and Mrs Richards for making this trip possible.

Gabe White, Year 13

House Debating Competition

WHS' house debating competition started this week, with teams from each house debating moots like 'Marvel is better than DC', 'the arts have more advantages for students than sports' and 'gaming has more benefits than negatives'. The finals come up on Monday Break 3 with Mackenzie vs Hay for 1st/2nd and Arthur vs Duncan for 3rd/4th. Well done all! The photos below are from the Fox vs Mackenzie debate from which Mackenzie won by 1 point.

Tasman Hughes, Deputy Head Girl

Wakamaths

Today WHS hosted the inaugural *Wakamaths in the Basin*, where teams from Queenstown's primary schools competed against each other in maths challenges for prizes! This was an amazing event with students running up and down to pass answers to judges, and it was great to see so many young people enthusiastic and excited about maths. Well done to our winners, Team 'Pink A' from Remarkables Primary School! We look forward to hosting the event again next year.

Year 9 and 10 Assembly: Marcus Akuhata Brown

Today Year 9 and 10 students had the pleasure of listening to internationally-renowned motivational speaker - Marcus Akuhata Brown. His story is a remarkable one from growing up in the small town of Te Araroa on the east coast to travelling all over the world as both a national and international representative. He founded a global consultancy in 2000 and is currently involved in a number of education and training initiatives. He is also previous director on the international board of CIVICUS and member of the Commonwealth Youth Caucus.

The key messages from Marcus were the importance of making good choices. He told students to believe in themselves, be kind to others and lift people up rather than push them down. His closing words challenged students to think intentionally about how to live their life to positively affect the lives of others. A big thank you to Southern Reap for bringing Marcus to Wakatipu High School.

James Rasmussen, Deputy Principal

2019 Queenstown Indoor Bouldering Series at WHS

Over 50 people turned up at the inaugural Queenstown Indoor Bouldering Series last Saturday to compete or support climbers at the school bouldering wall. Participants were as young as 10 years old and came as far as from Milford Sound (!), Te Anau, Invercargill, Wanaka, Mossburn and from primary schools around Queenstown and of course there was a strong keen contingent from the high school and students from Wanaka and Invercargill.

Qualifying climbs allowed climbers to warm up on easy routes and to tackle much harder and more technical climbs. A massive thank you to the Queenstown Climbing Club for supporting this event and providing volunteers (Diego, Phil, Che, and Paul) and prizes. Thank you to Ms Kate Jackson for her time and to each WHS student who came for the challenge and showed resilience during this event. We are aiming to run such an event once a season.

Students are welcome to join the Wakatipu Climbing Team which meets Break 2 on Tuesday, Wednesday and Friday in the stadium. For more information email: gcharton@wakatipu.school.nz

Scott Basin Trip

Thanks to Mr McIntyre for sending in these great photos of 8OREC's recent Scott Basin Tramp. Our students had a brilliant experience hiking, camping, and encountering some very friendly keas!

Traffic Safety

A reminder to all parents that Red Oaks Drive, outside of WHS, is a no-stopping zone and vehicles are not permitted to stop in bus stops, cycle lanes or on dotted yellow lines. We are increasingly concerned about the safety of our students as vehicles pull out into traffic, perform U-Turns or block the bus area whilst students are crossing the road as they arrive to school each morning.

Please take this opportunity to talk to students about responsible driving behaviour, and set a good example by complying with road regulations. We have been in touch with QLDC about the issue, and they are also concerned by driver behaviour and will commence a monitoring programme. Thank you for your cooperation.

French International Diploma

It is this time of the year where the International French Diploma (a.k.a DELF) is around the corner. This French proficiency diploma for non-native speakers of French is awarded by the French Ministry of Education to certify the competency in the French language.

Students who are learning French at WHS have the opportunity to sit this international diploma here at school on Saturday 31 August as the school is a DELF accredited assessment centre. This year the DELF is open to NCEA Level 1, 2 and 3 students. Students need to register and pay via this registration form and email it to Mr Guillaume Charton before the Friday 31 May.

A DELF diploma offers:

- International recognition of French proficiency.
- Life-long certification, based on the same international standard used in 164 countries (CEFR)
- A testimonial to one's success in learning French.
- Recognition of the candidate's accomplishments, represents an official document, recognised internationally.
- Advantages for post secondary education.
- Recognised internationally by francophone post secondary institutions, Acceptance into a university in France (B2).
- Enhances one's resume.

Head Students' Address

Yet another busy week at Wakatipu High School. We've had a wide range of events being run in break times including poi practice, musical chairs, movie of the week and house debating. The moots at debating have been very interesting and allowed for some healthy competition. Big congratulations to everyone that got involved in debating, it takes a lot of courage to get up on stage so again, good job everyone! Academic-wise, seniors have had heaps of internals to keep them busy, even in break times seniors working hard at their upcoming assessments. On this note, I'd like to give a massive thanks to all the teachers running break time tutorials, we really appreciate all the extra help you give us.

This Saturday is a big night for seniors, the school formal is finally here! The student formal committee has put in a lot of effort over the past couple of months to make this all happen, so a huge thanks to them. Everyone is very excited and looking forward to it!

Lastly, I'd like to make everyone aware of the 40-hour famine which is happening in the upcoming weeks. This was addressed last week by Deputy Head Boy, Thomas Hartono, however, because of the significance of this event, I would like to readdress it. This year all the funds raised are going to refugees of South Sudan. Their country is in a crisis unlike anything we could ever imagine. Over two million refugees have fled their homeland leaving family, friends and belongings behind, which is why they need our help so desperately. Even the smallest funds will go a long way, something as little as \$10 will provide the gift of education to five children supplying them school supplies for a year. For this reason, we encourage everyone to contribute to this year's 40-hour famine cause.

Thanks, have a great weekend :)

Indigo Little, Board of Trustees Student Representative

NZQA Fees - No Longer charged

The Minister of Education has announced that fees will no longer be charged for NZQA. This means all students doing NCEA (usually years 11-13) no longer have to pay the \$76.70 NZQA Fee. If you have already paid we will credit your students account, and if all your required fees are paid and you would like a refund, please email your banking details to accounts@wakatipu.school.nz with your students name and ID number. As there are 517 senior students, please bear with our finance team while we work through this process. We are unable to remove the fee in our system at this time, so if you see it on the Portal, please ignore and do not pay.

Michelle Loggenberg, Finance Manager

Overdue English Textbooks

We have a huge number of overdue English Department novels that were issued last year. Please could all seniors check at home for any overdue class texts and return them.

Senior students are again being issued with texts for this year's novel study and should be reminded that they are responsible for returning the exact copy they were issued. This happens through the library and books not returned at the end of year will be charged for.

Rugby

Big result for the Girls rugby team last night in Wanaka. They managed a win 28-12 - this is a first for the 15 aside team. The first half was an even affair with Mt Aspiring using their size to good effect. breaking tackles, and playing a more physical game than the WHS girls. Second half was largely WHS with key players getting more involved allowing for speedster Olive Watherston to cut loose out wide. Olive was Player of the Day, scoring 4 tries and worked tirelessly on defence.

1st XV -Saturday 18th - the 1st XV had the opportunity to play their Round 3 Otago Premier Schools fixture at Forsyth Barr Stadium. It was against Combined Coed Schools and lived up to the promise of being a tightly contested affair. After conceding the early lead, WHS fought back and took a 19-12 lead late into the second half. Unfortunately, unable to hold onto the ball, and giving away crucial penalties under pressure, the final say in the game went to Combined Schools who took a well deserved try and conversion to lock up the scores 19-19. Player of the Day Sam McLean had yet another impressive performance with an outstanding defensive work rate and big running meters with ball in hand. A big challenge this Saturday as the team hosts John McGlashan College - 12noon at WHS.

U14's - Big win for the U14's over South Otago High School 60-19, played at WHS. A good solid game with 10 tries scored and 5 conversions.

Hockey

Hockey A Team drew 1-1 with Upper Clutha.
Hockey B Team lost 4-0 to DHS Eagles.

Football - Boys First XI Premier Tournament Qualifying Match

The first XI boys played a home game against Kings Hlgh School. Kings managed to take the win 3-0. Next up is a match against Otago Boys in Dunedin. Girls Southland League: Bye

Basketball

The 1st round of the QLDC Senior Men’s Competition finished last week with the Senior Boys Blue finishing 3rd and qualifying for the Championship Round.

- Results from Tuesday 22 May:
- Senior Boys Blue lost 42 - 72
 - Junior Boys Blue lost 56 - 69
 - Senior Boys Gold lost 29 - 59
