Please see our Facebook page for all the latest updates from Wakatipu High School, and take a look at our sports page for news on football, rugby, snow sports and more. Recent posts include videos of our Matatū (Haka/Waiata) performances by our Houses and information on Stop, Drop & Read and a recent visit from Drug Free Sport NZ.

Principal's Message

Kia ora and welcome to the Wakatipu High School newsletter at the beginning of Term 3, but before we go there, there was plenty happening over the holidays, including a great exam preparation evening that was well-attended and an outstanding game of rugby that was televised nationally, in which our 1st XV rugby team did the school proud.

Term 3 is a very important one for teaching and learning, both for our juniors, who have begun their Semester 2 courses, and for our seniors who have their school exams in less than three weeks time. All senior students were issued their Mid-Year Reports at the end of last term, and while many students are tracking to achieve their goals, there is still much work to be done, whether your student is on track or not. (Please see the list of 'Principal's Award' recipients further down the newsletter). Students recently received an email with the school exam timetable and a range of study tips and planning and organisational tools to support them to achieve to their potential in this very important term, so please support them to strive for their personal excellence.

There are many more very important events coming up in the next few weeks including:

Junior Mid-Year Reports - will be available on the Portal from Monday. Information regarding students engagement, learning, progress and achievement is always live and available through the WHS Portal. However, a comprehensive Junior Mid-Year report for Semester 1 Courses will be made available on the Portal and emailed to parents on Monday 29th July. If you do have questions or concerns please contact subject teachers, Kaiārahi and/or Deans as appropriate.

Option Afternoon - an important process which is about to start is students choosing their courses and subjects for 2020, and part of this is our annual Option Afternoon next Tuesday 30 July, see below for details. NB it includes presentations for parents as well as students.

Senior Exams - begin Thursday 8 August. See below for more details.

Junior Next Steps (Parent-Teacher meetings) - is coming up on Tuesday 13th August. We do expect all junior parents and students to attend. More information will be emailed out next Wednesday 31 July.

Junior Mid-Year Prize Giving - Junior Mid-Year Prize Giving, Excellence and Ad Alta Assemblies are being held on Monday 5 August. See below for more information.

Teacher Only Day - our annual ToD for Juniors during the senior exams is on Friday 9 August (senior exams and buses still run)

Parent Tours - we are continuing to offer tours through the school to see teaching and learning at WHS in action. These 60 minute tours are hosted by members of the senior leadership team but are limited to 10 parents at one time, so you do need to book. Please email Karla Dawson kdawson@wakatipu.school.nz, if you would like to see the school in action.

With the Level 2 and Level 3 Business Studies 'sales' days, the launch of our Year 9 'Stop, Drop and Read' programme, and all Year 10 students starting their Health & Physical Education classes and Branches camp preparations, it has been a great start to the term.

Lastly, I want to again acknowledge the Wakatipu High School Foundation and it's many business partners for supporting Wakatipu High School's vision of delivering Aotearoa/New Zealand's best all-round education. The Foundation supports the school's Awhi Fund, which in turn supports students and families to participate in academic, co-curricular and extra-curricular opportunities. If your student is interested in participating in an activity at school but finance is an inhibitor, please contact either of our Guidance Counsellors (Vicki Patton - vpatton@wakatipu.school.nz or Christopher Tweddell - ctweddell@wakatipu.school.nz) for an application or more information.

Hope everyone has a fantastic weekend.

Oded Nathan, Acting Principal

Principal's Awards are given to 'great all-round students' who have demonstrated outstanding efforts and academic achievement.

Option Afternoon

Our option afternoon is being held on Tuesday 30 July, in which students will start the process of selecting their subjects and course options for 2020. Parents are invited and are encouraged to come to a short presentation at 3.15pm in the Theatre, after which they can meet with their students and teaching staff to discuss students 2020 course options. The 2020 course option booklet is now available here or through the school's website.

It is a normal school day for all students, except Year 13 students who may depart school at the start of Break 3 (1:50pm). All students, apart from Year 13s, will be in assemblies from 1:50pm after which they will have the opportunity to talk to staff about their 2020 course options and are thus required to stay at school until 3:30pm. Buses will run as normal from 3.30pm.

This afternoon provides parents and students the opportunity to gather information to support them to make well-informed decisions around their 2020 course options.

Senior School Exams

Senior Exams are being held from Thursday 8 August to Tuesday 13 August. The timetable has been finalised and shared with all students. Please click here to view the exam timetable and associated details. Morning exams begin at 9:15am and afternoon exams begin at 1:15pm. Buses run as normal throughout the Senior Exams.

Students should now be preparing a plan and beginning their study. Click here for a study calendar template. School exams are important for a number of reasons, including for students to practise the art of performing well in an exam environment, and they are used for 'derived grades' for the number of students who are always unable to sit external exams at the end of the year due to illness, injury, accident etc. Additionally, these results are used to determine end of year prizes.

Excellence & Ad Alta Assemblies and Junior Prize Giving

As we move past the mid-way point in the academic year, it is time to once again celebrate student achievement and effort. In the past we have run Excellence & Ad Alta Assemblies in House Groups, however, this term we will be running these important occasions by year level so that recipients can be acknowledged by all of their peers. Year 12 and Year 13 will have a joint Excellence & Ad Alta Assembly. Year 11 will have a separate Excellence & Ad Alta Assembly. For juniors, Ad Alta award recipients and Akonga Passport Bronze and Silver recipients will be acknowledged as part of the Semester 1 Prizegiving. Please note, to ensure there is plenty of room for all students and parents we will be running two separate prizegivings: one for Year 9 and one for Year 10.

All students receiving awards or prizes will be notified by email early next week, as will parents. The email will also confirm start times for each ceremony.

Welcoming Week for the New International Students

It was a busy week for the International Students Department. On Monday 22 July we had our orientation day for nine students from four countries: Germany, Mexico, Brazil and France. The students set up their technology, were familiarised with WHS routine and procedures, and finalised their courses. On Tuesday 23 July they had some fun joining the Walter Peak Farm excursion. It is really great to have such an enthusiastic group of young people join our school community.

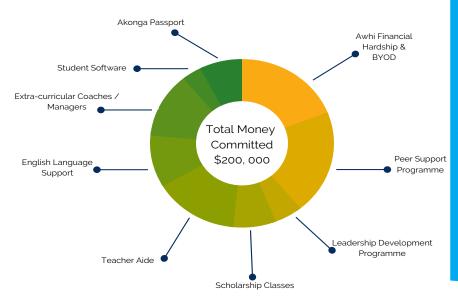

Marcelo Carneiro, Director of International Students

LOOKING FORWARD - GIVING BACK

The WHS Foundation is having a very real and positive impact in our school community, funding the school approx \$200,000 per year and raising over \$1.4 million dollars for Wakatipu High School since 2013.

FOCUS 2019

AWHIFUND

We understand that on occasion, families may need assistance in meeting the costs of various aspects of school life.

Supported by the WHS Foundation, WHS operates the Awhi Fund, named for the Maori word for 'help'. This fund is designed to assist families cover the costs of almost any aspect of school life, such as uniform, fees, 'BYOD' devices, camps and school/extra-curricular trips.

If you would like to get more information about Awhi, please contact a school Guidance Counsellor to arrange a confidential meeting.

BECOME A
BUSINESS
PARTNER

The success of the WHS Foundation depends on the strength of its partnerships with community and business leaders. The WHS Foundation business partnership program works with a dynamic group of local companies and professionals who recognise that an exceptional high school offering a great "all-round" education is key to retain families in the region, develop the future employees and entrepreneurs of the Wakatipu Basin and strengthen our local community. Matatu Assembly and House Competition

Wakatipu High School celebrated school culture and pride in style on the final Friday of Term Two with the Matatu Assembly. Despite the school experiencing a power cut just prior to the start of the event, we demonstrated our schoolwide value of resilience and pushed on with the event despite performing in very dim light conditions. You can watch the videos by clicking the button below.

The standard of all performances was outstanding - beautiful, harmonious Waiatas followed by spine tingling and rousing hakas from each of the houses.

The event culminated in Te Kirikiri where the students united to perform not one, but two outstanding school-wide Hakas. An extremely proud afternoon to be a member of the WHS community. Thanks go to the participating students, Deans, House Leaders, Tutors and Judges for all the work prior to, and on the day. Fox House came out on top and this provided a much needed boost to their house points.

Still leading the way however is Mackenzie, securing second place overall at the Matatu Assembly and extending their lead in the overall House Competition. Current points are:

Mackenzie 31 points Arthur 26 Points Hay & Fox 23 points Duncan 16 points

There are 2 events coming up this term. Next week we tip off house basketball, this is worth 10 house points overall (5 Juniors and 5 Seniors). This is followed by our inaugural gaming competition, starting in week 4 - this is worth a total of 5 house points. So 15 points up for grabs this term and all houses are still in the running to take out the title for the year.

Stop, Drop & Read 2019

Stop, Drop & Read is an exciting Year 9 reading competition taking place this term at Wakatipu High School as a part of the English curriculum.

The competition kicked off on Monday with a Year 9 Assembly where students were introduced to the competition, followed by a day of workshops in the school library with Bob Docherty from Bob's Books. Year 9 students are encouraged to get involved by submitting weekly challenges, completing a reading log and of course reading a variety of different texts. This year's theme is 'Around the World in 80 Books' and students will aim to read as widely as possible - both geographically and culturally.

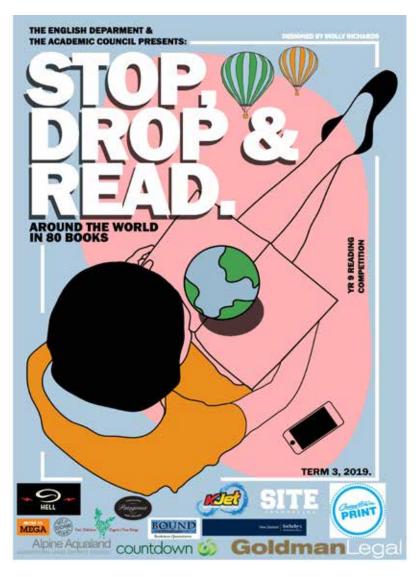

We have some incredible prizes up for grabs thanks to the generous support from our local community.

Thank you to the Academic Council for their part in making this year's competition set to be the best yet and a special thank you to Molly Woodham for designing the poster you see below.

OECD research shows that reading for pleasure is the single most important indicator of a child's future success. The research also shows that reading for pleasure at school is strongly influenced by relationships between teachers and children, and children and families. Parents are influential in developing early reading for enjoyment, and if books are valued from a young age, this is likely to continue. We need to take a collective approach both at school and as a community.

So let the games begin - Stop, Drop & Read!

Back to Business!

First week of Term Three and Year 12 Business students are back in business completing their second sales cycle after making refinements from their first sales. This is an opportunity for students to improve many aspects of their business, from changing their marketing strategy through to improved recipes.

Year 13 students have also commenced sales of their innovative and sustainable products. Students pitched their business ideas to Mr Nathan, Mike Daish and Kathleen Magon at the end of last term and received positive feedback from the experts! So keep an eye out on what is on offer from these young entrepreneurs.

Sports Report - Week 1

Congratulations to the following girls for their selection into the U18 Womens Otago Country rugby team. Grace Hastie, Alicia Roberts, Kasey Bonn and Olive Watherston, well done!

Hockey: Central Otago U15 Boys Team

Oliver Battrick and Pearce Summerfield have successfully been named in the Central Otago U15 Boys Team. Congratulations!

Netball: South Island Secondary School Junior Netball Tournament

In the first week of the School holidays our 9A and 10A tournament teams traveled up to Christchurch to compete in the South Island Secondary School Junior Netball Tournament. Both the year 9 and 10 team finished in 11th place. With both teams making it into the top 16 on the first day of the tournament. Our girls were competing against the top schools in the South Island and have done very well. Thank you very much to Kay O'Connell and Yvonne Kemp for making this trip happen.

Rugby:

U14 - Over the School Holidays our U14 Rugby team faced up to a travelling team from St Catherines Moorlands School in Argentina. Our boys came away with the win 69-52 in a game of 10s, facing up to some of the best tackling we have faced all season.

First XV - The first XV squad had an exciting match up during the holidays against Dunstan High School in a match televised by Sky Sport. Our boys fought valiantly, however Dunstan took the win 29-10. Well played boys, it was a great match. A huge thank you goes to Jim Gilbert and the Rugby team for their organisation of the match logistics, a huge job with the added element of it being broadcast on live television.

Weekly Results:

Hockey: Results from matches in the last week of term 2 Hockey A Team lost 2-0 to DHS Red (player of the day Ally Wilkinson) Hockey B Team lost 8-0 to DHS Eagles (player of the day Alisha McKinney)

Netball: School teams playing through the Wakatipu Netball Centre are now heading into semifinals this weekend.

Karate Students at the National Championships

Three students - Lucy Tulloch, Jacob Shannon and Mackenzi Jackson - travelled to Auckland to compete at the most important competition in the Karate New Zealand calendar - the National Championships and the Secondary Schools Championship.

The level of competition is very high with the best karateka from the country competing to be chosen for the New Zealand national team to compete on the world stage.

With this level of competition in the premiere divisions Lucy was unable to get past the first round with a best place of sixth.

At the National competition for the first time Jacob was able to achieve a Gold medal in his Kumite (fighting) division at the Intermediate level and then a Bronze in his Kata division at the Secondary Schools.

Mackenzi had a very successful two days competing at the premiere level. At the National competition she gained a Silver medal in her individual Kumite and a Bronze in the Team Kumite. Then the following day at the Secondary Schools she gained Silver in both Kata and Kumite. We are now looking forward to some good results at the Otago Regional Champs at the beginning of next term.

Sensei Pat Quaid, (Science)

Footnote Dance Company

On Monday the 22nd of July Footnote New Zealand Dance Company came and did a dance workshop with a group of students. Footnote is New Zealand's longest running contemporary dance company and they tour the country every year with a different show. This year the show was called 'The Clearing' and the students got to learn some of the choreography in the show taught by the full-time dancers. They also got to learn what it's like to be a professional contemporary dancer. This was a really cool experience and we all took a lot out of it. The show was also amazing and we are so thankful that we got this opportunity!

Chess Tournament Results - Semester 1

Congratulations to everyone who participated in our first Chess Tournament for 2019. Results were as follows:

1st = Om Alva

2nd = Mandela Moodley

3rd = Charlie Hogan

Overdue Library Books

Overdue library books will be charged to student accounts next week. Please check the student portal to see if you have any books issued to you and return them promptly. If you return a book that you have been charged for, the charge will be removed. If you return a book that you have paid for, the payment will be reimbursed. If you have a plausible reason why you can't return the book, come and talk to the librarian... we love a good story!

Greater Inequality, Weaker Democracy?

There are three fundamental questions about inequality. What are its impacts, why should we care and what can we – as a democratic country – do about it?

The wealthiest 1% of Kiwis – that's around 35,000 adults - own 20% of the country's assets. The poorest half of the country have just 2%. Wealth inequality is accompanied by negative consequences for both individuals and society, including the erosion of democracy.

Although so far spared the worst of these effects, New Zealand is by no means immune.

Max Rashbrooke – an author, journalist and academic who has written extensively on both issues – will set out the challenges to equality and democracy and how they might be countered.

And with local government elections just months away, he will also speak about how to make our democracy work better at the community level.

Monday, July 29, 6-7.30 PM, The Hilton Hotel's Coronet Room, third floor, \$5 koha at door. Please register as seating will be limited, with tickets available through Catalyst Trust's <u>Eventbrite page</u> from one month prior. Please bring your tickets (printed, emailed or Eventbrite app).

Further bio info...

Max Rashbrooke has written and edited several works on income and wealth inequality in New Zealand, to help shape the growing debate on economic imbalances in this country. *Inequality: a New Zealand Crisis*, which he edited in 2013, was updated and republished late 2018. His most recent book - "Government for the Public Good: the Surprising Science of Large-Scale Collective Action" - looks at the privatisation and outsourcing of recent decades and suggests changes that might serve New Zealanders better. Both published by Bridget Williams Books (BWB) in late 2018.

He is a senior associate of the Institute for Governance and Policy Studies at Victoria University of Wellington. As a journalist, he has written for

Could New Zealand Provide Global Leadership?

Can our small Pacific nation have an impact on global issues? And if so – how, in what areas and based on what values or principles?

These are some of the questions we will discuss as part of a community workshop co-hosted by Catalyst Trust and independent think tank, the New Zealand Alternative. It's a chance to have an informed discussion about meaty issues that matter.

"There is a pressing need for progressive leadership on many fronts in the world and we believe New Zealand could provide it," says NZA co-director Thomas Nash, who led the global campaign to ban cluster bombs and served on the board of the Nobel Prizewinning International Campaign to Abolish Nuclear Weapons.

"Or should we just determine our foreign policy in terms of support for allies and its impact on trade?"

Catalyst Trust's August 7 workshop is part of a nationwide conversation NZA will lead on how we could contribute to our quickly changing and interconnected world. Queenstown community's input will be included in the framing of multiple policy papers due out by the end of the year.

The event will begin with a presentation from Mr Nash and his co-director, Dr Evelyn Marsters, a freelance Pacific research specialist. Dinner will be provided between their talk and the facilitated workshop for those who have registered for the event on Catalyst Trust's Eventbrite page

Pest control to protect native species from widespread predator plagues

A heavy seeding (mast) will occur in many forests this year. This natural event, that should benefit native species, will be hijacked by introduced predators as rodent and stoat numbers will skyrocket. Seedfall and rodent levels will be monitored at sites where rare and endangered native species are under greatest threat. When rodent numbers meet critical levels, that will trigger predator control. Without predator control, some species such as yellowhead/mohua, kākā, orange-fronted parakeet/kākāriki karaka, rock wren/pīwauwau and bats/pekapeka will suffer heavy losses.

again in 2016, led to escalating rat and mice numbers. Two events of such magnitude in quick succession was thought to be unusual. DOC, with the help of NIWA, is getting better at predicting these mast events.

Pest control works

DOC carried out aerial 1080 pest control in the winters following the prolific forest flowering over more than 600,000 hectares each season. Monitoring showed an average rat kill of about 95%, which reduced rodents to undetectable levels at most sites and stoat plagues were avoided.

Outcomes

mohua, robin and rifleman was significantly higher within pest control areas than outside. Go to https://www.doc.govt.nz/our-work/tiakina-nga-

New Zealand Government

1080 AND DOG OSPRI's TBfree programme aims to control and eradicate bovine TB from New Zealand. Pest management plays a vital part in our success - including the use of sodium fluoroacetate (1080).

POSSUMS Bovine TB is an infectious disease caused by the bacterium

Mycobacterium bovis and is spread by close contact between animals. In New Zealand, possums are the main carrier and spreader of TB to livestock. We use a variety of methods to control possum numbers, including hand-laid 1080 in bait stations and aerially applied 1080. Using 1080 allows us to have a big

impact on the possums in an area in a short period of time - meaning TB is less likely to survive. 1080 is aerially applied using strict quality control and safety systems. GPS technology ensures accurate bait placement and audits are completed

to make sure that OSPRI's high standards are met. Consent from landowners and local authorities is required prior to an operation. The public are also consulted before operations as safe as possible, there remains a danger to dogs. **DOGS AND 1080**

DON'T MIX Dogs are particularly susceptible to poisoning by 1080. On the few

occasions when dogs come into

contact with toxic baits through

ingesting baits or scavenging

access to an area, fatalities are treated seriously and all our operational practices are reviewed. Most reported dog deaths occur after eating poisoned carcases, not

bait. By nature, dogs tend to roam so they are at greater risk of 1080 poisoning than other domestic animals. Dogs don't recognise boundaries and are scavengers,
