Principal's Message

Another great and busy week in which Wakatipu High School's great all-round education was in full swing. We began with senior exams wrapping up and it was pleasing to see many students putting in the necessary time and energy to perform to their potential. There are only nine school weeks left before seniors go on exam leave, and it is very important that senior students put study plans into place to ensure that their academic and pathway goals are achieved.

Junior Next Steps were on Tuesday and it was great to see so many parents and students in attendance for this very important evening with Kaiārahi. If you were unable to attend, it's definitely not too late to meet, so please get in touch with the Kaiārahi or Dean, as appropriate. Year 10 students have recently completed their 'Careers Planning' sessions and they should be using this to help with 2020 Option Selection, which needs to be completed for all students by 4 pm next Friday 23 August. This is a great topic of conversation for parents/caregivers to be having with their students and again, if you would like support with the process or option selection, please be sure to contact us.

Meanwhile, our Year 13 students are starting to prepare for university life, getting Scholarship and Accommodation applications ready for submission. Speaking of University, a group of Year 10 and 11 students have just returned from Otago University where they learned about the latest research pertaining to a range of topics from philosophy, business, genetics and geography ([see below for more details](#)). Also today, our Year 9 Peer Mentoring Programme culminated in a Community Service Day, in which nearly 100 Year 9's, along with their 30 Peer Leaders, went out into the community and provided service and support in a range of contexts ([see below for more details](#)). Next year, we are on board with the Graham Dingle Foundation and will be running the Stars (peer mentoring) Programme with all our new entrant Year 9's. We will need up to 75 Peer Leaders to support, so Year 11 and Year 12 students should keep an eye out for this great leadership opportunity.

The Branches Trust Fundraiser - Arts and Hors D'oeuvres, was last Friday evening and it was nice to see it being so well supported by our community. A huge thanks to the Branches Trust and to all the artists who contributed to a great event.

Next Tuesday, we will be hosting Mt Aspiring College (MAC) for our annual winter sports exchange, which we're looking forward to ([see below for more details](#)).

Hope everyone has a great weekend.

Community Service Day

The final phase of this year's peer mentoring pilot programme saw approximately 100 year 9's and their senior mentors taking part in community service across the basin today. From cleaning up the Arrowtown Trail to helping out at Happiness House, active citizenship was the focus of the day.

Whilst some literally rolled up their sleeves to clean, tidy, sort, check traps and pick up litter, others engaged on a more personal level with young and old alike. The students responded well to being taken out of their comfort zones, positively contributing to the diverse needs of the Wakatipu Community.

Many members of the public were grateful for their contribution to cleaning up the tracks, streets, and parks of Arrowtown. Ka pai to those involved for demonstrating our value of responsibility! Thanks go to all the community groups that got behind this initiative and welcomed our students into their ranks for the day.

Gifted and Talented

On Thursday 15 August and Friday 16 August, a small group of Year 10 and 11 students were lucky enough to have the opportunity to travel to Dunedin, in order to learn what life is like at the University of Otago and to get a taste for some of the courses available.

On Thursday we started with a quick tour of the campus, looking at things like the labs and lecture halls. Afterwards we went to one of the collages and learned about what it was like being a first year. We then went to do a business course. In this course, we had to try and come up with a business idea using words from a spinning wheel and make a mini sales pitch. It was quite interesting to see all of the creative ideas. Next we went to learn a bit about the geography course. Everyone learned plenty of new things about Lake Wakatipu.

Friday was a full day, starting by looking at the dance theatre and doing an interactive session, followed by looking at genetics and after tht religion. We are all thankful for this great opportunity.

Blenheim Jazz Trip

Last Tuesday the jazz bands set out on their annual twelve hour bus trip to Blenheim to compete and perform at the Southern Jam event.

There were 13 schools involved with 22 bands playing in total. Over the four days we played five gigs, had a masterclass and competition and listened to other bands that were playing. This year WHS did very well with both bands achieving a gold grading, which is an exceptional result. Elliott Allemant was named Best Saxophone player and Harrison Maguire gained the Best Drummer award. Both were in the All-Stars band which recognises the stronger players from throughout the week. Our Ensemble (Big Band) won the overall Ensemble section which was an outstanding result given the level of competition on show.

Huge thanks to Alistair Monteath and Vince Leahy who have run the practices and tutored the students to this level. Also to Gen Numaguchi who gave up weekend time to help run the practices; Natasha Kumar, Paula Bell and Toni Glover who came on the trip and supported the students, the parents who cooked up a storm and Matt Rhodes our wonderful bus driver.

And a final well done to the students who performed and entertained with great skill and energy. This year we were also lucky enough to have hoodies donated by Ronnie and Kevin Bouchier and designed by Melissa Hives. We looked fabulous!

Emerging Creatives

The Senior Design students are about to put on the annual group exhibition of their latest Design work.

This year we are also joining forces with Mt Aspiring students, with the aim of creating an ongoing regional event.

The basis of each student's work stems from a brief that they have individually devised. On show are their posters which present a collection of ideas they initially explore, with one final larger piece as the final resolved work. The variety of ideas and styles explored is the hallmark of this exhibition displaying the wonderfully creative statements made by our young people.

This year we are exhibiting the work at a new and exciting art space at the Five Mile Shopping centre. Marc Blake, the director of Queenstown Contemporary, has kindly offered his full support in providing this venue.

Our thanks also go out to Fluid Design who have very generously provided the venue in the last five years, however, due to the increasing numbers of students involved, we have needed to find a bigger space.

Queenstown Contemporary is an exciting new arts initiative that offers a lot of opportunities for the wider community. I encourage you to come along to view our exhibition and to also give your support to the development and establishment of a permanent, world class community Arts Hub.

Opening night is Friday 30 August at 6.30pm.

We would love to see you there!

Head Students' Address

Hey guys,

What a busy week it has been. Senior mock exams were on Monday and Tuesday and the House Gaming Competition started on Wednesday.

House Gaming is off to a great start with the theatre full of students who came to support their House and friends as they go head to head in an intense game of Fifa. On Wednesday we had Arthur beat Mackenzie in juniors and seniors, Hay beat the Duncan juniors and Duncan beat the Hay seniors. On Thursday Fox beat the Arthur juniors and Hay juniors came out on top with a close game, going into overtime against Mackenzie. The Hay seniors also won against Mackenzie. Arthur and Fox seniors drew.

The Arts Council is still running Bob Ross Painting sessions every second Wednesday in the art area, starting up again next Wednesday. Everyone is welcome to come along and create a piece of art.

I personally have been super busy with One Act Play. I am apart of a cast and crew of eight students who travelled to Dunedin last weekend to perform the play 'The Rosenberg Sisters.' We won an award for the most Innovative Performance and one of our talented cast got an emerging talent award. We are now moving on to regionals in Timaru next week and we are rehearsing for this exciting event everyday.

On Monday 19 August we are performing after school, starting at 4pm. Everyone is welcome to come and watch our half hour show.

That's all from me for this week, have a great weekend!

Real Time Tracking For Buses

Good on those students and parents who are choosing to use the bus to get around! Our fledging bus service can be challenged by seasonal user changes and traffic congestion and may run late. While ORC is getting on top of this, try using the new real time tracking service to reduce your wait at the bus stop.

Available on phone or desktop, the website (not App) asks you to choose which route you are travelling on, then offers a button called Real-time Tracking which shows how far away your bus is.
