## Principal's Message

Kia ora and welcome to another sensational week with WHS great all-round education in peak form. Today was a multi-day, where we not only celebrated the launch of Pride Week, but also raised money for Daffodil Day. WHS signed the Pride Pledge in 2018 and it was a great opportunity to remind all students of the value of inclusion, kindness and citizenship.

Yesterday, we had the privilege of hosting five All Blacks at school, including Captain Kieran Read. After a resounding welcoming haka ([click here to view](#)), WHS rugby players and students from the primary schools across the basin, joined the All Blacks for some skills sessions in the gym, followed by Q&A in the theatre. We are extremely fortunate to have opportunities. #BackBlack

Senior Exam Reports (and Learning Engagement Reports) will be on the Portal later this evening and a reminder that we will have our very important Senior Next Steps on Thursday 12 September. See below for details on how to book an interview.

Also this week, some of our most significant Student Leadership Positions for 2020 were launched, in which a whole new range of Lead Prefect opportunities are now available for students at WHS. Students currently in Year 11 and Year 12 are eligible to apply and applications close at 4 pm on Monday 9 September. Click [here](#) for the presentation to students that outlines all the details.

Next week is our Winter Tournament Week and we have boys and girls teams competing in Football, Rugby, Ice Hockey, Hockey, Netball, Golf and Basketball throughout the South Island. All participants should have completed their '[student leave form](#)' to ensure they are keeping up with their school work. We wish all the teams the very best with their sport next week.

Alice Robinson continues her outstanding success racing at the Winter Games and recent Nationals. On Tuesday at the QRC Winter Games, Alice won the Super G, claiming the NZ National Title as well as the prestigious ANC Cup (Australia/New Zealand). Previously she claimed the National Title in the Slalom and GS. What a star!

As mentioned last week, the Emerging Creatives evening is a wonderful evening that is being launched tonight in Frankton (see below for more details), unfortunately it clashes with the Senior Boys Basketball Final vs Southland Boys down in Invercargill, which is where I will be.

Last newsletter from me, with Captain Steve Hall returning from sabbatical to steer the ship from here on in. It's been a pleasure and hope everyone has a fantastic weekend.

**Oded Nathan, Acting Principal**

## Senior Next Steps

Senior Next Steps is on Thursday 12 September. These parent-student-subject teacher meetings are very important for students’ learning, progress and achievement, and are carefully timed to follow students receiving their Exam Reports, as above.

We strongly encourage all senior students to attend this evening, and please note that if you did receive a letter expressing concerns at the end of last term we would particularly like to see you there.

School will finish at 1.50pm and buses will also run from this time for all students. Next Steps will run from 2.30pm-6.30pm.

To book your interviews please click [here](#).

## Year 13 Tie 2020

Congratulations Ruby Noton! Ruby designed the winning 2020 Year 13 tie design as voted for by her Year 12 peers.

## Uniform Updates

As we head into spring and the weather continues to warm up it is probably time to remind parents, caregivers and students about some of our key uniform rules:

### General

From next Monday, 2nd September, puffer jackets are no longer an item of clothing that can be worn to school, from school or at school. Our school uniform policy states that they are permitted for the months of June, July and August only.

Blazers are the primary uniform item, and must be the outermost layer of the uniform. Jerseys or vests may be worn as an optional secondary item only. Blazers are compulsory for formal events such as prizegiving.

### Girls

Girls may continue to wear either the blue kilt or the skirt. Navy knee high socks or tights are to be worn with the kilt, and navy ankle socks with the skirt.

The green winter kilt is to be worn during Terms 2 and 3 only (and by Y13 girls only in 2019), so should not be worn next term. From 2020 the green kilt will no longer be a part of the WHS uniform as this is its final year of being phased out.

### Boys

There are a number of boys who continue to wear black socks (often with the Nike logo), rather than the regulation navy socks. A pack of 3 pairs of socks can be purchased from the school uniform shop for \$10.

Most of our students responded positively when we began a school-wide focus on uniform earlier in the term after the Term 2 audit. There are still some non-regulation items (including socks and shoes) making an appearance each day, so we would like to encourage all parents and caregivers to take the time to read our uniform requirements on the school website here. If finances are making it difficult for you to support your child to meet these requirements, please contact their kaiahi confidentially to discuss financial assistance.

As always, we thank you for your continued support of our efforts to keep all students looking neat and tidy as they represent our school out in the community.

**Justine Duncan, Assistant Principal**

## Student Parking

As many of you will be aware, there is limited parking available on site at the school, with demand currently exceeding supply, which will only be exacerbated as our roll continues to grow.

Next year, construction of the school’s extension is to commence, which will further reduce the number of car parks available on site.

The Ministry of Education does not have a policy on the number of car parks schools should have, this is regulated via the local council building consent process. Both MoE and QLDC strongly encourage active transport modes and public transport modes.

Given this, we are currently looking at various options to manage the student parking, one of which may be to give priority to Year 13 students. However, Remarkables Park Ltd have offered a very reduced flat rate parking charge for WHS staff and students which may be of interest to some individuals and families. The charge would be \$2 a day, as opposed to the commercial rate of \$2 per hour. The \$2 a day rate is only available if you “Opt-In”. If your student is likely to drive to school and is not in Year 13 in 2020, or is regularly getting to school after 8.40am then this could be of interest to you. If you are interested in knowing more about the Remarkables Park parking option - please read more within this form and complete the [Expression of Interest](#) by Monday 9 September.

**Andera Wilton-Connell, Executive Officer**

Emerging Creatives

The Senior Design students are about to put on the annual group exhibition of their latest Design work.

This year we are also joining forces with Mt Aspiring students, with the aim of creating an ongoing regional event.

The basis of each student’s work stems from a brief that they have individually devised. On show are their posters which present a collection of ideas they initially explore, with one final larger piece as the final resolved work. The variety of ideas and styles explored is the hallmark of this exhibition displaying the wonderfully creative statements made by our young people.

This year we are exhibiting the work at a new and exciting art space at the Five Mile Shopping centre. Marc Blake, the director of Queenstown Contemporary, has kindly offered his full support in providing this venue.

Our thanks also go out to Fluid Design who have very generously provided the venue in the last five years, however, due to the increasing numbers of students involved, we have needed to find a bigger space.

Queenstown Contemporary is an exciting new arts initiative that offers a lot of opportunities for the wider community. I encourage you to come along to view our exhibition and to also give your support to the development and establishment of a permanent, world class community Arts Hub.

Opening night is Friday 30 August at 6.30pm. We would love to see you there!

Leslie Koehn, Assistant Head of Arts

Head Students’ Address

Hi all,

The past few weeks have been hectic! We have had sporting events, university trips, mock exams, house competitions and so much more. I can also assure you that there is plenty of exciting events planned for the upcoming weeks. With both Pride and Winter Tournament weeks kicking off in the next few days, there is no shortage of activities for students to get involved with.

On Thursday, Friday and Saturday of last week many Year 13 students headed up to Wellington on the Massey & Victoria University trip. They had a great time checking out all that Wellington has to offer, as well as the different courses/halls available. This has been the last of multiple trips taken to further education facilities all over New Zealand. A very big thank you to our wonderful careers department for all the organising that went into these excursions. You have helped make our important decisions well informed.

In other news, on Monday, Patricia McLean came in to present the QLDC climate action plan. The students who were in attendance were able to hear about the goals and ambitions that the local council has around climate change in the future. This allowed them to form their own opinions on the plan and give feedback. It remains to be a working document and submissions are open until the 31st of August. It is vital that the youth have input in key issues such as this, as Queenstown makes changes into the future.

Today, the students came to school in brightly coloured clothes to celebrate the commencement of Pride Week. My fellow Whanaungatanga Council members have done an amazing job organising this week, we are excited to see all our planning and hard work take effect. Throughout the week there will be a very special speaker joining us on Monday, as well as a stall at Pride in the Park on Friday the 6th of September. We will be doing some face painting, so please feel free to stop by and say hello!

Finally, I would like to wish good luck to all of our talented athletes heading on tournament next week. Have an amazing time! I know that all of you will make Wakatipu High School very proud.

Have a restful weekend everyone, you deserve it! :)

Gracie Hansby, Head Girl

Winter Tournament Week

As we come to the end of the winter sport season, we have a number of teams preparing to head away for competitions during Winter Sports Tournament Week between the 1st and the 9th of September. We will have teams representing Wakatipu High School at the following tournaments around the South Island:

- New Zealand Secondary School Golf Finals - Cromwell
- New Zealand Secondary School Football, Jim Wishart Tournament - Blenheim
- South Island Secondary School Rural Livestock Junior Rugby Tournament - Christchurch
- South Island Secondary School Netball Tournament - Nelson
- South Island Secondary School Ice Hockey Tournament - Dunedin
- South Island Secondary School Mixed Hockey Tournament - Blenheim
- New Zealand Secondary School Basketball Schick Southern Cup - Christchurch
- Highlanders U15 Girls Rugby Festival - Dunedin

All the very best to all our athletes and teams, we look forward to following your progress!

Mountain Biking - Crankworx

Crankworx has evolved into a multi-stop international festival series, bringing together the best mountain bike athletes from around the world to compete in elite-level competitions in a variety of disciplines, as well as hosting races for amateurs. Well done to Toby Meek who travelled to Canada to compete in the Whistler round of Crankworx and won a bronze medal in the U16 Speed & Style competition. A fantastic result for an athlete who has many years ahead of him in the sport.

Basketball:

Senior boys basketball beat Verdon College 82-64 to book a place in the finals of the Southland Basketball Competition on Friday 30 August vs Southland Boys High School  
Junior boys lost to Verdon 42 - 29 and finished 3rd overall in Junior A competition

Alexa Peters, Sports Coordinator

Scholarships

There are two community based scholarships available for students who intend on studying at tertiary level in 2020. Details as follows:

Radio Kaos

Remember Queenstown in the ‘80’s? Remember when people shopped in the Mall? When traffic lights were as rare as non-smoking bars? And a coffee meant instant and didn’t sound like an Italian dessert? The year is 1987, Radio K.A.O.S. is an independent community station full of colourful Disc Jocks and outrageous clients and the owner Errol Spearme is the toast of the town! That is until one Black Tuesday when the stock market crashes and Giant Radio move in... Come and support WHS’ very own Jake Hansen at Radio K.A.O.S in tonight and tomorrow at 8pm at Arrowtown Athenaeum Hall.

## Special Education Work Experience

Tuesday marked the first day of work experience at Wakatipu New World for Amos, Louise, Blake and Arya. The team enjoyed receiving their uniforms which includes a polo shirt, high-vis vest and name badge. They learnt how to safely put away the trolleys and enjoyed interacting with some customers. Amos’s favourite part was the people. He liked meeting Juanita who told us to be careful with the trolleys and to watch out for cars. She showed us where to put the children’s trolley. Louise said “Enjoyed work experience. The trolleys”. A special thank you to Juanita and the team at Wakatipu New World for this amazing opportunity.

The Faculty of Education & Social Work of the University of Auckland are conducting a study entitled Identity and Belonging of Migrant Students in New Zealand Schools. Focusing on students aged 16-18 who are either first or second-generation migrants to New Zealand, the study looks at the relationship between students’ ethnolinguistic identities and their proficiency in English and other languages. This study will help to better understand migrant students’ process of integration into New Zealand schools, the challenges they face, and the factors that help ease the integration process. They are looking for around 300 participants from around NZ. The survey comprises of a short anonymous web-based survey and then a possible follow up interview.

*To understand why stress and anxiety are increasing, we first need to unpack how incredibly different this generation is to the last.*

*Learn what impact this difference is having on the development of children's emotional resilience. Through this knowledge, you can become more aware of how to increase the resilience of your own children.*

*The information will be easily understood and will make so much sense, you will wonder how you got by without it!*
