Principal's Message

Kia ora and welcome to the Wakatipu High School newsletter at the end of the penultimate week of Term 3.

I was an extremely proud principal at the Wayfare Spirit of the Wakatipu Awards gala evening last Saturday night. This event, run by the Wakatipu Community Foundation, was an absolutely fantastic night and, as I noted last week, featured students and staff as well as organisations and individuals associated with WHS. I was particularly proud of our Generation Give students as they made their grants totalling \$10,000 to local community groups. Congratulations and well done to all the Generation Give students, and a huge thanks to Jennifer Belmont, Hugh Taylor, Beatrice Onions and Chris Belmont for all their work on this great youth philanthropy programme. It was a wonderful example of our students giving back to the Wakatipu community - who gives such great support to us as a school. My congratulations also to Branches Trust who were a well-deserved winner on the night, and to Barb Simpson - ex-WHS teacher and long-time Branches Camp stalwart who was also a very deserving winner.

On Saturday night we were also very proud when we heard that the band Haven - Ryan Connaghan, Jack Wilson and Harrison Maguire, placed second overall in the Rockquest National Finals - an incredible achievement!! My congratulations to these three amazing musicians, please see below for more including how to watch their performance.

LE Reports #9 - will be up on the Portal and out later this evening. Please note that this is the final LE for senior students this year.

Branches Parent Information Evening - was held this week, with a very good turnout. Thanks to everyone who came along. More information, including the big permission and medical form will be forthcoming next term.

International Student Homestays - International students are an important part of WHS, and an important part of their experience of WHS and New Zealand is living with a local family. This is a great opportunity for families, and we are looking for host families for short and long-term students. Please see below for more information.

Drilling - this week we have had some new sensations at WHS with the piles for the new Holiday Inn, which is being built beside the Ramada across the road, being drilled and creating quite a vibration at times. We have spoken to them about our timetable, and they certainly seem to increase it immediately after 3.30pm, but we understand the drilling at least will be finished by the start of next term, but then other construction will continue.

Central Soundwaves (Battle of the Musos) - is on tomorrow night from 6pm at the Memorial Hall if you want to get along and see some of our musical talent in action.

Next week is the final week of the term - a big one for seniors with assessments, as well as for our Year 9 students as they head off on their Journeys all over the Wakatipu and beyond. At this stage the weather looks a bit mixed, but hopefully it will be all good for their adventures. The weather this weekend will be wonderful - lots of blue sky and sunshine, mild temps and not much wind - an awesome weekend for some spring turns or just getting outside, make the most of it before we get to the equinox (which often brings the wind).

Tomorrow is the big day for recent visitors Kieran Read and the ABs as they begin their quest for a RWC three-peat in Japan - go the ABs!!

Rockquest Final - Haven Achieve Second Place!

[Watch Haven perform at the live Finals here](#) (skip to 01:41:00)

Last Saturday the Rockquest national finals were held in the Bruce Mason Centre in Auckland. This showcased the Top 10 acts from around the country who have come through several stages to get to this point. It was a great night with some amazing musicians on show and we are so excited that the WHS band Haven came second overall! This is an amazing result which reflects all the hard work that they have put in over the past three years. Huge congratulations to Ryan Connaghan, Harrison Maguire and Jack Wilson on achieving this.

Measles

We have received the following advice from Southern District Health Board:

There are multiple reported cases of measles in Queenstown. Measles is a serious and highly infectious viral disease. Measles can make children and adults very sick and can cause complications in many people, some of which are severe and lifelong.

People with measles can be infectious even before they start feeling unwell. While almost all people will make a complete recovery, it can lead to hospitalisation and in rare cases, death. Symptoms of measles are:

Initial Symptoms

- A fever
- A cough
- A runny nose
- Sore and watery 'pink' eyes
- Sometimes small white spots on the back inner cheek of your mouth

Day 3-7 Symptoms

- A blotchy rash which tends to start on your face, behind the ears, before moving over your head and down your body. The rash lasts for up to a week.

If you think that you or a family member has symptoms of measles, it is important you ring your general practice or call Healthline on 0800 611 116, for advice as soon as possible.

A person with measles is infectious from 5 days before and until 5 days after the rash appears (about 10 days in total). During this time the infected person needs to stay away from other people; children need to be kept home from school and adults from work, do not invite other children or visitors to your house. Please check your child's and your own immunisation status. The measles vaccine is FREE for anyone born after 1 January 1969. Further information is available on the [Ministry of Health Website](#).

Homestay Hosts - Short term, Term 4 and long term for 2020

We are currently looking for homestay hosts to host our international students for both short term and long term hosting. Short term could be a stay of 2-5 nights, or a stay of 4-6 weeks. Long term would be a minimum of 6 months from 2020. Depending on the length of the stay, you would be paid a nightly or weekly rate. Our current rates are \$290 per week (all inclusive), and this will be increased to \$310 per week (all inclusive) from 2020.

The hosting requirements are:

- Any person in your household over the age of 18 will need to complete the police vet process.
- A student will require their own bedroom (that is sufficiently heated over winter) with a student desk (or somewhere appropriate that they can complete their homework).
- To provide 3 meals a day (breakfast, lunch and dinner) along with a few snacks.
- To offer to include them in your day to day family life.
- To assist with their washing if needed.
- To provide a warm and safe environment to live in during their stay with you.

If you are able to provide a warm and safe environment for one of our students, and would like to be part of our international homestay programme, please contact Jane Wilkinson for more information (jwilkinson@wakatipu.school.nz).

Year 9 Junior Tech Go Karting

What a wonderful week we have had in Junior Technology Hard Materials! This week was the result of 8 weeks of hard work from Year 9 students who have produced Go Karts! The brief was to use the redundant recycle bins that were surplus to requirements in July this year. Students designed, tested and refined their Go Karts for the final Race Days this week.

Game Over were fantastic and offered to close their track to let some students race their Go Karts in a true racing atmosphere. Nine teams raced around the Game Over track and were started by our Mayor, Jim Boulton. Jim not only started the races but judged the external designs of each Go Kart, one of the four marking criteria that the Go Karts were judged. The other three included how well the group worked collaboratively, quality of the workmanship and fastest time on the final race day.

Students were able to test their Go Karts by racing around the WHS tennis courts a week before race day. This gave students an opportunity to gain vital information about the Go Karts fitness for purpose. Using this information students made refinements to their designs.

The final outcomes were spectacular and I feel very privileged to be the teacher of these wonderful students. A big thank you to our friends at Game Over for offering the track and prizes for the students, what a great community we have here in Queenstown. They offer student rates to all WHS students. \$20 Go Karting and \$10 Lazer Tag and it's available all day every day including school hols!

Scholarships

There are two community based scholarships available for students who intend on studying at tertiary level in 2020. Details as follows:

David Geddes Memorial Scholarship –This is a \$1,000 scholarship set up as a memorial to David Geddes. Students can collect information and an application form from the Careers Hub and return it completed by 3.30pm on Thursday 26 September.

Margaret Templeton Tertiary Study Scholarship - closes Friday 27 September at 12 noon. The value is \$5,000 per annum paid for up to three years = \$15,000, based on satisfactory course completion/results each year. Residential normal home must be in the Wakatipu basin and proof of parent's income is required as this is a scholarship set up to support young people who would otherwise struggle to afford tertiary studies. Application forms are available from the Careers Office. Completed applications can either be handed to the Careers Hub by 12 noon on Friday 27 September and we will deliver them to Anderson Lloyd or post to: *Margaret Templeton Education Trust, C/- Jenny Fitzgerald, Anderson Lloyd, Private Bag 1959, Dunedin 9054* and must be there by 27 September.

Hands-on at Otago - scholarships application due date extension, Sunday 29 September. Running from 12-17 January 2020, link for the application [here](#).

Showquest 2020 - Creative Director Needed

This year WHS entered the Showquest performance competition for the first time; we had about 50 students travel down to Invercargill to dance, act, sing or be part of the crew and ended up getting the prize for the best drama performance. A really cool aspect of Showquest is that it's a student-run initiative, which opens up some leadership opportunities for students.

We are looking for a 'Creative Director'; a person to steer the direction of the performance through writing a script and deciding the overall concept. It is a huge commitment, as they will have to attend practices and meet with others to bring the performance together.

We encourage current year 12's (next year's year 13's) to go for this opportunity, but it will be open for current year 11's as well. If you are interested, you must come up with a concept for next year's performance and email it to Mrs Parker at mparker@wakatipu.school.nz by Monday the 14th of October. Those who get shortlisted will present their concept to a judging panel before a final decision is made. For more information on the ShowQuest competition, visit their website at <https://showquest.nz/>.

For more information on the position of creative director, please email Mrs Parker at mparker@wakatipu.school.nz.

LOOKING FORWARD - GIVING BACK

The WHS Foundation is having a very real and positive impact in our school community, funding the school approx \$200,000 per year and raising over \$1.4 million dollars for Wakatipu High School since 2013.

FOCUS 2019

AWHI FUND

We understand that on occasion, families may need assistance in meeting the costs of various aspects of school life.

Supported by the WHS Foundation, WHS operates the Awahi Fund, named for the Maori word for 'help'. This fund is designed to assist families cover the costs of almost any aspect of school life, such as uniform, fees, 'BYOD' devices, camps and school/extra-curricular trips.

If you would like to get more information about Awahi, please contact a school Guidance Counsellor to arrange a confidential meeting.

BECOME A BUSINESS PARTNER

The success of the WHS Foundation depends on the strength of its partnerships with community and business leaders. The WHS Foundation business partnership program works with a dynamic group of local companies and professionals who recognise that an exceptional high school offering a great "all-round" education is key to retain families in the region, develop the future employees and entrepreneurs of the Wakatipu Basin and strengthen our local community. Interested in being a part of it? Contact our Executive Officer on wakatipuhsfoundation@gmail.com or 022 327 9397

KIDS GO FREE

**The best things in life are free.
That includes the best holidays.**

Kids can travel free on selected adventures these school holidays, from 28 Sep – 13 Oct 2019.

The best sights. Experience the exhilarating natural wonder of Milford and Doubtful Sounds or travel via catamaran to enchanting Stewart Island.

The best way to travel. Cruise across the lake on our vintage steam ship – the renowned TSS Earnslaw.

The best inspiration. Step into a magical natural world within the incredible glowworm caves.

The best animal experiences. Visit Walter Peak and get up close to sheep, cattle and alpaca. Viewing and feeding them on an authentic working farm.

The best memories. Make the most of quality time with the family, enjoying a holiday they'll remember forever!

Two children per fare paying adult travel free on selected products and departures. See our website for full terms and conditions.

AUDITION CALL
CHRISTMAS SHOW
15TH DECEMBER 2019

Following the success of last year's Christmas Show celebrating the volunteers in our community we present the 2019 Christmas Show - bigger and better than ever! This annual show is an integral part of the events calendar and gives the community and families a chance to celebrate and get excited about Christmas together!

Our producers are seeking a talented cast of children and young people who can sing, dance and act aged between 8-18 years old along with adult singers.

Auditions will be held on **Saturday 12th October 2019**

Please email gtxmasstars@gmail.com for more information and scheduled audition times.

"I highly recommend to anyone interested in dancing, singing or drama to audition for our amazing Christmas Show! Last year I was lucky enough to be cast in the lead role, which was an incredibly fun and rewarding journey! It has helped me with my confidence on stage both with singing and acting. Such an amazingly talented cast of local kids (and a few adults) who I now have a great bond with. The 2018 Xmas show was my favourite one yet!"
Bethany Graf who played the main character - Georgie
