

Wakatipu HIGH SCHOOL Newsletter

Issue 4.2 • 25 October 2019

Principal's Message

Kia ora - as always at this time of year, Wakatipu High School is very busy right now. There are only three school days for seniors until senior prizegiving next Friday, followed by Tutorial Week and then exams - which start in two weeks. As well as the focus on finishing studies and preparing for exams, it is also a time of year when we celebrate, recognise and reward students.

We have also been doing that this week with our final Excellence and Ad Alta Assemblies in the Houses. It is great to see many students receiving recognition for their efforts and achievements, and to be awarding junior students for their all-round effort and engagement in the Ākonga Passport (lists of recipients will be in next week's newsletter). Speaking of which, AJ Hackett Bungy have been incredible supporters of this programme this year, and this week they presented prizes for the t-shirt design competition totalling \$1000, with \$500 going to winner Molly Richards. As you will see below, AJ Hackett Bungy's annual Year 13 Leavers' bungy jump was last weekend - another amazing example of their very generous support of WHS and our students.

At the assemblies this week I spoke about the tertiary Scholarships that our departing Year 13s have gained - which currently total over \$367,000! As I noted to other students, this is absolutely amazing and what can be gained with a great academic and all-round education.

Also at the assemblies this week the 2020 House Leaders were announced, see below for the list, congratulations again to them.

Speechfest was also on Wednesday night this week. Both the junior and senior speakers were amazing, with remarkably varied and challenging topics, from sociopaths to capitalism and 'what does it mean to be a man?' and everything in between.

Discipline - following last week's newsletter, we did in fact have the drug detection dog through the school yesterday. We have had positive feedback regarding this initiative and it is something that we will do on a more regular basis in the future, but please note that we will not provide prior notice again.

Senior Prizegiving - is our most formal ceremony of the year, and is next Friday afternoon. As per last year in the new school, only senior prizewinners will attend, but we are going to run a special whole school assembly on Friday morning to present the most special awards and the Dux to the entire school. Please note that school will finish and buses run from 1150 for juniors and seniors not attending prizegiving - see below for more.

Blues Awards - are also at this time of year, with Sporting Blues tonight and Cultural Blues next Wednesday. These are important and special evenings which recognise the achievements and service of our students.

SpeechFest 2019

WHS SpeechFest 2019 was held on Wednesday evening and it was a fantastic event with some highly entertaining and thought-provoking speeches from a very talented group of students. A big thank you to our expert judges, Craig "Ferg" Ferguson and Johnny Quinn.

There was a Junior and Senior division and the competition was fierce, with topics ranging from what it means to be a man in the 21st century to the impact of political instability on youth, to the importance of showing resilience, and we were even lucky enough to have a philosophy lesson that challenged our understanding of what we deem to be 'knowledge'!

Every single one of the speakers proved that they really do have the gift of the gab!

The results are as follows:

Best Junior Speaker: Lachy Boniface
Runner-up Junior: Primrose Johnson
Best Senior Speaker: Ryan Connaghan
Runner-up Senior: Claudia Snow
People's Choice: Claudia Snow and George Thompson

Congratulations to the winners and all of the Junior and Senior finalists.

Lucy Ford, Assistant Head of English

Before School and After School Drop Off

A reminder to all parents that Red Oaks Drive, outside of WHS, is a no-stopping zone and vehicles are not permitted to stop in bus stops, cycle lanes or on dotted yellow lines. We are increasingly concerned about the safety of our students as vehicles pull out into traffic, perform U-Turns or block the bus area whilst students are crossing the road as they arrive and depart school each morning. It is disappointing to hear that the QLDC staff monitoring the area have been subjected to abuse by both parents and students. Please take this opportunity to talk to students about responsible driving behaviour, and set a good example by complying with road regulations.

Parents picking up students after school are also reminded that they should not be parking in the car parking spaces at the back of Remarkables House whilst waiting to collect their children. These spaces belong to, and are paid for by the tenants in the building. The school has received repeated feedback (and photos) of parents using these parking spots. Parents wishing to avoid traffic within the school perimeter are encouraged to meet their children in the public car park on Hawthorne Drive which is 250m from the school and has free parking for 2 hours.

Andrea Wilton-Connell, Executive Officer

UNSW Global ICAS Assessments

In September a group of students participated in the ICAS Competitions in English, Maths, Science and Digital Technology, with 31 entries and some very good achievements against some of the top students in Australasia. See below for table of results.

A reminder that lots of opportunities to support students who want to extend their thinking are available through the Classroom, 'Curious Minds'. We strongly encourage students (& families) to join by using the following Class Code: (fvyhtiz).

Students that were ranked in the top 11% of New Zealand entries for their year level received Distinction awards.

Year 13 Bungy

For years The AJ Hackett Bungy NZ Jump Start programme has been giving WHS Year 13 students the chance to Jump, for free, from the historic Kawarau Bridge, as a part of their graduation celebrations.

It's become an annual Rite of Passage in Queenstown (& Auckland too), & Henry Van Asch, one of the company's co-founders, says about the programme "In other parts of the world, school leavers celebrate in all sorts of weird and wonderful ways but here in Queenstown, there's nothing more fitting than a Bungy jump. It's our gift of an iconic Kiwi experience to the local students who have grown up in the home of Bungy and a taste of the attitude that will see them through into the next stage of their lives".

We hope that by offering students the chance to Jump, we can help them take the plunge into adulthood. And by getting the next generation of Bungy Jumpers excited, we'll make them proud of what their community has to offer.

"We know Bungy gives these students an incredible boost to their confidence – knowing that if they can do this, they can do anything"

Songwriting Event

Last Friday night saw the inaugural 'Songs of the Wakatipu' songwriting event. It was a great night showcasing 11 songs from a range of solo and band acts from WHS students. The overall prize was recording time in the Neill Finn studio in Auckland so there was much anticipation from the students. The judges found themselves deadlocked with two acts so both ended up as joint winners. Congratulations to Greta Balfour and Murphy's Law (Adriana Calabrese, Sam Chan, Alfie Parvin, Eric Sebastian, Gareth Harcombe with Jordan McVicar as lyric co-writer). Huge thanks to Turn Up the Music for their support of this event and the great opportunity it has provided for our students.

Students Climbing Around Queenstown

This month students part of the Climbing Youth Development Team have been able to push their limits by training on the indoor wall at Base Camp and the Event Centre and by putting their learning into practice by climbing on the real rock. Weekends have been busy and students went to Hero Wall (Fernhill) and Wye Creek. The main focus has been learning climbing techniques to be able to scale harder routes and how to be safe climbers. This team is sponsored by the Queenstown Climbing Club and by the New Zealand Mountain Film Festival.

Logo Lazer Tag

The Year 9s had an exciting start to their Term 4 Resistant materials classes with a fast paced logo project. The project was designed to accelerate their conceptual design generation. Students had one week only to design, collaborate and produce a final group outcome for their team. The chosen group design was created using coloured acetate and students had to make their logo visible to their group in the lazer tag darken room. Game Over generously donated 8 lazer tag games for the groups to play with winning teams taking the most points on the day. Students enjoyed the challenge of working collaboratively with a time pressure to make a prototype to tria in the environment it was intended for. Students were fantastic ambassadors for Wakatipu High School while off-site. Thank you again to Game Over for supporting our students learning in Technology.

Cricket - Otago Country U18 Girls Team

Well done to the following girls who were selected to represent Otago Country in the U19 Girls Cricket team, Kloe Vermeir, Paige Loggenberg and Lucy Viggers. The girls are travelling to Invercargill this weekend to play in an U19 Girls Cricket tournament.

Swimming - National Short Course Swimming Championship

Kaleb Poole, Sara Jameson and Isaak Frewen travelled to Auckland in the first week of the holidays to compete in the National Short Course Swimming Championships. All 3 had brilliant swims, achieving personal best times and some fantastic results. Especially in the 400 individual medley, with both Sara and Isaak placing 7th in their age group and Kaleb placing 6th. Kaleb and Sara managed two other top 20 placings in their age group. While Isaak produced two more top 10 efforts in the 200m Fly and 100 IM.

Our small team of students performed extremely well. Especially considering the adversities they have faced through the year, moving outdoors to the Arrowtown pool for training. All 3 join the rest of the club now training hard for the National Age Group (Long course) championship in April 2020.

FICTIONAL CRIME WAVE?

Explaining the Relentless Rise of Crime Fiction

Here in NZ, crime writers like Paul Cleave largely outsell their literary rivals, but what drives the unstoppable popularity of crime fiction? Why do we enjoy reading about things we'd hate to experience? Bestselling, award-winning crime writers Professors Val McDermid and Liam McIlvanney grapple with these questions.

SATURDAY, Oct 26 / 11am-noon

CREATING LIVES FROM LETTERS?

And what business do we even have looking at them?

Biographies rely on letters. But how do scholars find and use those letters? Assoc Prof Thomas McLean discusses the challenges of discovering, editing, and understanding letters, and the biographer's responsibility to both handwritten past and electronic future.

SATURDAY, Oct 26 / 1-2pm

NATIONAL NOSTALGIA

Looking backwards or moving forwards?

Why do Ireland and Scotland seem to have escaped the Anglo-American hankering for retrospective 'greatness'? Can small nations chart an independent course in an age of imperial nostalgia and resurgent populism? Professors Sonja Tiernan and Jo Sharp guide us through surprising revelations about Ireland and Scotland.

SUNDAY, Oct 27 / 11am-noon

VICTORIAN CLIMATE CHANGE?

Dark skies and fog everywhere: representing changing climates

Did you know Victorians were fascinated by climate change? From their smoke billowing chimneys to the plants and animals they sent around the world, many 19th-century thinkers were acutely environmentally aware. Dr Grace Moore looks at how past writers and artists mapped ecological change and what we can learn from them.

SUNDAY, Oct 27 / 1-2pm

BREXIT AND BEYOND

Borders, backstops and Boris

Where did Brexit come from and where might it lead the UK, Ireland, and Europe? What's the future of the UK, Scotland and the 'Irish backstop'? And what's up with Boris? Professors Val McDermid, Liam McIlvanney, and Sonja Tiernan will be our guides to making sense of this (Eton) mess...

MindJam sessions are guided by guest experts, but it is our questions, thoughts and discussion that make MindJam work. Seats are free but limited, so please come along early to get your spot, order your refreshments and be ready to join in. Friday night's launch includes complimentary tapas.

AUDITION CALL

CHRISTMAS SHOW

15TH DECEMBER 2019

Following the success of last year's Christmas Show celebrating the volunteers in our community we present the 2019 Christmas Show - bigger and better than ever! This annual show is an integral part of the events calendar and gives the community and families a chance to celebrate and get excited about Christmas together!

Our producers are seeking a talented cast of children and young people who can sing, dance and act aged between 8-18 years old along with adult singers.

Auditions will be held on **Saturday 12th October 2019**

Please email qxmasstars@gmail.com for more information and scheduled audition times.

"I highly recommend to anyone interested in dancing, singing or drama to audition for our amazing Christmas Show! Last year I was lucky enough to be cast in the lead role, which was an incredibly fun and rewarding journey! It has helped me with my confidence on stage both with singing and acting. Such an amazingly talented cast of local kids (and a few adults) who I now have a great bond with. The 2018 Xmas show was my favourite one yet!"

Bethany Graf who played the main character - Georgie
