## Principal's Message

**Kia ora**, and welcome to the penultimate Wakatipu High School newsletter for 2018. While the newsletter is relatively short this week there's still plenty going on at WHS - notably the Year 9 end of year programme, with the fundraising Fair in full swing. A huge thanks to our Assistant Principal, Sonia Panapa, who has been the driving force behind it as well as to other staff and students who have made it all happen!

Branches Camp continues to go well. Yesterday all Year 10 parents were emailed info re Sunday, Monday and Tuesday - please ensure you have read this. I am going to head back in for the final night tomorrow and then they'll all pack up and be out on Sunday afternoon. [Click here](#) for our Facebook post including some photos from camp this week.

On Wednesday this week was the annual Wakatipu High School Foundation Golf tournament at Millbrook. Hot off the press is that the day raised over \$21,000! I am always humbled by how incredibly generous people are in their support of WHS - and on behalf of the school, my huge thanks to everyone who attended and was so generous, and to the WHS Foundation for their tremendous support of our school and students.

Tuesday night was 'Bouncing Back' - the evening on resilience that AJ Hackett Bungy put together. Nigel Latta, Lisa O'Neill and Gilbert Enoka were awesome speakers, and it was great to see such a large crowd of parents and students from schools in the basin. Thanks again to AJ Hackett Bungy for making this great opportunity possible for the community, and for making the Kate Moetaua Foundation the beneficiary of the evening :)

We have recently found out that one of our senior students, Lachie Clark, and his team won the NZ On Screen 'ScreenTest Short Film Competition' for their film, 'Alone'. I loved this film, and we are very proud of them. [Please click here](#) for our Facebook post, including a link to the film.

As per last week, end of year Junior Prizegivings are next week. These are very important formal occasions, and all parents are welcome to attend. Please note all junior students are required to attend, in full uniform including the tie.

Year 9 - Monday 17, 11:45am.

Year 10 - Tuesday 18, 11:45am.

Prizewinners parents have been notified.

One newsletter left for the year - primarily the lists of our junior prizewinners - and only two school days left in the monumental year that has been 2018 at WHS.

Finally, a hot summer weekend ahead - perfect for Branches pack up and all out :)

**Steve Hall, Principal**

Filmmaking Awards

Enormous well done to Year 13’s Lachie Clark, Joel Malcolm-Smith, Ella Little and Alex Booker, whose short film ‘Alone’ has won the nationwide NZ On Screen ScreenTest Short Film Competition! This is a massive achievement which will see them visit Warner Bros. International Television Production New Zealand set and their short film published as part of NZ On Screen’s new Coming of Age Collection. You can watch ‘Alone’ and [read more about the film here](#). Congratulations!

Student Focus - Chester Rosie

Our sixth and final Youthmark *Student Focus* feature of 2018, Chester Rosie, is a young man who embodies Wakatipu High School’s values with a smile. From showing enormous respect for the environment, to taking leadership and organisational responsibilities at school, the 18-year-old has consistently achieved excellence throughout his time at WHS.

And it’s been true all-round success. In the classroom, he’s received Merits for Geography, English, Biology, Physics and Mathematics, and Level 2 Physical Education was endorsed with Excellence. Chester’s strength in Physical Education extends to the hockey turf: he has represented Wakatipu High School in the 1st XI for five years. This year he is also a member of the Southern A U18 Men’s Hockey team, and recently won Queenstown Hockey Club’s Player of the Year.

Elsewhere, he’s a keen trail runner, has been a lifeguard since he was 14, and this year is actively working towards his Duke of Edinburgh Gold Award.

Back at school, Chester is Deputy Head Boy, Chair of the 2018 Environment Council and also Chair of the Wakatipu High School Volunteer Army.

His efforts have been recognised with a number of honours this term; a Trustpower Youth Community Award, the Allan Hood Memorial Cup for Service, the Altrusa International of Queenstown Prize for All-Round Effort and Participation in Year 13, a Central Lakes Trust Scholarship, the Dave Geddes RSA Memorial Scholarship and, of course, a Youthmark Award.

Humble by nature, Chester approaches all this with a relaxed, genuine attitude. Whatever he’s doing, he’s committed to making a positive contribution.

“Some of what we have done this year with volunteering hasn’t been completely perfect,” he says, “but I think that will help future years to organise volunteer opportunities more effectively. We have had some great opportunities through each of the student councils, though. I learned heaps about management this year, and tried to lead by example to open up interesting opportunities for students to get involved with. It’s great to think about what could happen in the future.”

For Chester, steady, earnest dedication comes naturally. “I think I’ve been so motivated because I spend so much time in this community and the surrounding environment.

“I’ve been playing hockey since I was five, so giving back to that community became natural - and one thing leads on from another. With the environment, I just love tramping, and animals, and planting; I just don’t see any other option than doing what you can to protect those things.”

It’s an attitude he’ll continue next year - as he studies surveying at the University of Otago. “(Surveying) just has everything,” he says, “it’s problem solving, it’s getting outdoors, it’s still quite maths-related, but geography-based, so it seemed like a good fit. Mainly, I just don’t want to be indoors all the time!”

Whatever comes after that, he’s bound to rise to the challenge with the same hard work, dedication, and level of excellence he has shown at WHS.

Well done Chester!

Chester has received numerous sporting and academic awards this year.

## Department of Conservation Trip

Early on Saturday, December 6, six staff and students embarked on an incredible adventure to the stunning Doubtful Sounds. After a windy ferry over Lake Manapouri, we got our first glimpse of the iconic landscape of Deep Cove from the top of Wilmot Pass. Taking the spots of the returning passengers on the DOC vessel Southern Winds, who had just been involved in clearing over 3000 traps on the remote Secretary Island, we explored the area with the experienced guidance of the DOC staff. Over the weekend we encountered beautiful glacier-carved landscapes, amazing bush and a range of wildlife from Kaka and penguins to a brief encounter with the resident dolphin population. The trip was not only a cruise, however, as we were introduced and shown firsthand the difficult realities of the pest control programmes in the area, giving us a new respect for the challenging yet crucial work that DOC is doing in Fiordland. The trip was an exciting way to be inspired and educated on how we can take the practices used by DOC on the frontlines of predator-free 2050 within our own conservation work at WHS. A huge thank you to everyone who made the trip possible, including WHS Board Member Tony Balfour, as well as a huge thank you to the hospitality of the DOC crew aboard Southern Winds.

## YAMI Soundz Summit Wanaka 2019

Youth & Adults in the Music Industry - or YAMI - is holding a two-day course next year in Wanaka, and I'd like to encourage all WHS Students to think about taking part.

Now held biennially, Yami is a two-day summit of workshops, panels and public performances for anyone interested in a career in the music industry, whether as an artist, producer, manager, promoter, tech fluffer, bassoon polisher, knob twiddler...whatever! Find your tribe and be part of the most amazing musical weekend of your year, whether you're 10, 110 or any age in between. YAMI 2019 features Tutors from Fly My Pretties, Shapeshifter, TrinityRoots, Kings, The Black Seeds and more to come.

Registrations now open: [www.yami.nz](http://www.yami.nz)

### Dance - Jazz and Hip Hop

Congratulations to Sophia Purdon for receiving perfect dance exam scores, the best in Australasia and beyond. Receiving 100 per cent pass rates in both jazz and hip-hop Asia Pacific Dance Association exams. The syllabus covers schools in New Zealand, Australia, Hong Kong, and some in South Africa and England. Sophia also had a great write up in the Mountain Scene, well done!

### Athletics - NZSS Track, Field and Road Race Championships

Thank you very much to Athletics Coach Neville Britton for the following event report:

Eight athletes attended the National Secondary Schools Athletics Champs in Dunedin at the end of November with some solid results. As mainly first year seniors we didn't expect to collect any medals and swirling weather conditions with intense heat and strong winds restricted performances. However Hayato Yoneto stood out with impressive runs in both the short sprints, as well as Lead man in the 4 x 400m relay. Although Josh Drinkwater, Aleks Cheifetz and Gareth Harcombe didn't manage to make their finals, they certainly raised eyebrows with their performances in the relay team. Which managed a 9th placing in a stacked field of Senior Boys. Archie Ritchie and Benjamin Britton put in respectable runs in the Senior Boys Road race to finish in the top 30 of 100 entrants. Hurdlers Tasuku Yoneto and Sophie Woodham found the home straight wind difficult to master and didn't quite make finals but still have a few years for redemption.

### Swimming - Otago Swim Championships

The Otago Swim Championships were held in Dunedin over three days last weekend. The team consisted of Charlotte Payne, Grace Seeto, Jett Fa'Amalepe, Gabbi Barr, Tasmin Hepburn, Molly Woodham, Isaak Frewan and Sophie Adamson. Some great swims were achieved by all the team, with medals as follows; Grace - silver and bronze in Breaststroke, Jett - gold and 2x silver medals in Backstroke, Molly - 2x gold in Breaststroke, Isaak 1 gold, 4x silver and 3x bronze over all strokes and Sophie - gold and bronze in Freestyle and Breaststroke and 2nd in the 100m Zenith Festival Cup. Well done swimmers.

### Athletics Training

Athletics training (for all years and abilities) will commence in Term 1 next year starting on Fri 15 Jan. Training will be a morning session from 7:50am - 8:50am meeting outside the PE office. A wide variety of events will be on offer and it is a great way to improve your skills or just come along and give it a go. Miss Scott will be in charge of the middle distance runners and I will work with the rest of the track and field competitors. If students want extra independent training I am happy to offer some extra sessions in the lead up to the Southland Secondary Schools Athletics Champs which are on Friday 15 March.

**Coaches Needed:** if you would be happy to spare an hour for the training sessions on a Fri morning please e-mail me on [llawniczak@wakatipu.school.nz](mailto:llawniczak@wakatipu.school.nz). If you have some experience that would be great but otherwise if you are enthusiastic and are happy to hold a stop watch that would equally be of help. You do not need to commit to all sessions.

**The New Zealand Defensive Driving Course**

CONFIDENCE | KNOWLEDGE | SAFETY

## Drive Safe and Drive Well<sup>®</sup> WITH CONFIDENCE AND KNOWLEDGE

- The New Zealand Defensive Driving Course takes just nine hours and instills a lifetime of safer driving strategies for any young driver.
- This intensive interactive course includes both classroom theory and practical 'in-car' tuition.
- You'll receive a full colour workbook, an interactive Practice CD-ROM to support each session and view relevant videos.
- The course is run over four sessions of two hours duration - with homework for presentation at the next session - and a one hour practical in-car session.
- If under 25 years of age whether you're on your learner or restricted licence, you can reduce the time it takes to get your full licence by six months when you complete an NZTA approved AA Defensive Driving Course.

Successful completion of the theory and practical components goes part way to completing Unit Standards 3464 and 3465. It also takes six months off the time required on a Restricted Licence.
